

G. W. PARDEE
GRAND MASTER

G. W. PARDEE, GRAND MASTER

Was born May 6, 1866, at Rockford, Ill. When 13 years old, moved with his parents to Kansas. Was married to Miss Catherine Cullers of Scandia, Kansas, in 1887. Moved to Missouri in 1890, engaging in the abstract, loan and fire insurance business. Sold out his interest in the business in 1897 and engaged in the life insurance business, identifying himself with the Kansas City Life Insurance Company soon after entering life insurance work. Was appointed superintendent of agencies of that company in 1904, which position he resigned to accept the State management of the company for Arkansas in 1905, moving to this State from Kansas City, Mo., in May, 1905, and is still State manager for the Kansas City Life Insurance Company in this State, there being in the employ of the company at this time only three persons who were in its employ at the time he identified himself with the company.

IN ODD FELLOWSHIP.

G. W. Pardee was initiated in West Plains Lodge No. 263, on September 7, 1895, and the following January was appointed Conductor. In June, 1896, he was elected V. G., and in December, 1896, was elected N. G. In May, 1897, was appointed a Special Deputy Grand Master in Missouri, being continued as such until his removal to this jurisdiction. In 1902, he transferred his membership to Chillicothe Lodge No. 91, of Missouri, serving in that district for three successive years as D. D. G. M., of District No. 56, having under his jurisdiction eight Lodges. In October, 1905, he transferred his membership to Far West Lodge No. 1 of Little Rock, and the same month became a member of the Grand Lodge of Arkansas, attending every session since that time. In 1906 he was appointed Custodian of the Unwritten Work, by G. M.

Donnell, and in 1907 was reappointed to the same position by G. M. Hickey. During the time he was Custodian of the Unwritten Work, he held some twenty-five schools of instruction in various sections of the State, being the only person who had held any schools during recess of the Grand Lodge under a similar appointment. He was also appointed a member of the Widows and Orphans' Home Board by G. M. Hickey, his term of office expiring in 1909. In October, 1909, just four years after becoming a member of the Grand Lodge of this jurisdiction, he was elected Grand Warden.

In 1910, he was unanimously elected Deputy Grand Master, and to the credit of himself and a great benefit to the Order throughout the State, he has proven to be a most active Grand Officer. He received and accepted many calls from various Lodges, attended several Booster meetings, Anniversary Celebrations at Vilonia and Conway, was in attendance of the funerals of Past Grand Masters Jones and Clark. In 1911, he was unanimously elected Grand Master, and, in addition to the Grand Lodge honors, was appointed by Grand Patriarch Bayles, as Grand Representative to the Sovereign Grand Lodge, to fill the vacancy caused by the death of Past Grand Master A. C. Jones. At the meeting of the Grand Encampment, he was elected Grand Representative to the Sovereign Grand Lodge for the short term. Brother Pardee was at home on the floor of the Sovereign Grand Lodge, as though he had been attending for years. He will rise to honor and distinction in that Grand Body. In the reorganization of the Home Board he was elected President of the Board. He is much interested in the welfare of that institution. His previous connection with the board gave him the opportunity of being well posted in the welfare and its requirements. He will give it his personal supervision. He is also proud of the distinction of not being obligated to any other fraternal organization, being an Odd Fellow to the core, but nothing else. The Order throughout the State, in all its branches, is proud of our Grand Master, and looks for the most prosperous administration.

SIXTY-SECOND ANNUAL COMMUNICATION

OF THE

GRAND LODGE OF ARKANSAS

Little Rock. Ark., October 24, 1911.

The Grand Lodge, I. O. O. F., Jurisdiction of Arkansas, met in sixty-second annual session at the city of Little Rock, in the Assembly Hall of the Marion Hotel, on Tuesday, October 24, at 9 a. m., one hour earlier than the regular hour of meeting. This was for the purpose of conferring the Grand Lodge and Past Official Degrees upon the new representatives and Past Grands with the proper credentials.

Past Grand Master Oglesby, chairman of the Committee on Credentials, submitted the list of those qualified and the Grand Lodge Degree was conferred upon four hundred and sixty-one brothers by Grand Warden G. W. Reed.

At 10 a. m. sharp, the Grand Lodge was called to order by Grand Master Stuckey. It was conceded by the older members that it was one of the most enthusiastic meetings ever held in this jurisdiction.

The Grand Marshal and Grand Conductor examined those present, and reported that all were qualified to sit in the Grand Lodge.

All the Grand Lodge officers were present and answered to roll call, and the Grand Secretary announced a quorum of Representatives present. The opening ode was sung, and a fervent prayer for Divine blessing and guidance was offered by Grand Chaplain Rev. Hoffmann.

By direction of the Grand Master, the Deputy Grand Master declared the Grand Lodge open for the transaction of such business as may lawfully come before it.

The Committee on Credentials submitted their report, which, on motion of Brother Ben Griffin, was adopted:

REPORT OF THE COMMITTEE ON CREDENTIALS.

Faternally submitted,

The Grand Lodge noted with regret the absence of Past Grand Master R. G. Floyd, who is on a cruise around the world. This is the first session which Dr. Floyd has missed in twenty years. However, he sent the following communication to the Grand Lodge, which was highly appreciated, and on motion made a part of the record:

COMMUNICATION FROM PAST GRAND MASTER FLOYD.

New York, October 21, 1911.

To the Grand Lodge, I. O. O. F., of Arkansas, Little Rock, Ark.:

Dear Brothers: As I am about to start on an extended ocean trip, I find my duties facing me—yes, crowding in upon me at the

last moment, but with all of these upon my mind, one thing seems to stand out most prominent, and that is that for the first time in twenty years I am obliged to miss attending Grand Lodge. It had been my plan to be with you as usual and go from there to New York, but a change in date of sailing of the boat makes it impossible for me to be in Little Rock, but I must take time to send you greetings, and when you receive these you may imagine me far out on the Atlantic Ocean, but thinking of the Grand Lodge convened in our Capital City.

When I entered our Grand Lodge twenty years ago Brother L. C. Lincoln was Grand Master and Brother Friedheim, Grand Secretary. Some of the brothers who were in the Grand Lodge then are with you today, among them Grand Secretary John P. Paul, Brother Otis Scarborough, P. G. M.; E. H. Stevenson, P. G. M.; J. R. Donnell, P. G. M.; J. O. A. Sullivan, P. G. M., and E. E. Morrell, the first three named entering the Grand Lodge with me. Since that time we have seen our beloved Order grow in this State from 3,000 to a membership of 30,000, and the grandest work that we have done is the establishment of our Widows' and Orphans' Home, which is the brightest gem of which we may boast. I wish that every Odd Fellow and Rebekah in the State might visit this home, and see the great work being done there, for if never before, you would then feel proud, and justly so, that you are an Odd Fellow and privileged to assist in caring for these fatherless little ones.

I can not tell you what a disappointment it is to me not to be with you in person as I am in heart, and I send greetings to all and best wishes for the prosperity of the Order for the coming year, and hope that when the Grand Lodge meets next year, I may be with you, and perhaps allowed to tell you of some of our brothers whom I hope to meet on the other side of the globe.

Fraternally yours in F., L. & T.,

R. G. FLOYD, P. G. M.

The Grand Master appointed the following Committee on Publicity; A. V. Johnson, A. C. Veach, W. H. Walquist.

On motion of Past Grand Master Louis Josephs, the election of officers was made a special order for 3 p. m.

The printed reports of the Grand Officers were distributed.

PRESENTATION OF GOLD WATCH TO GRAND SECRETARY.

Past Grand Master Josephs, on behalf of the representatives and Odd Fellows of Arkansas, addressed the Grand Lodge as follows:

PAST GRAND MASTER JOSEPHS' SPEECH.

Brethren of the Grand Lodge:

Under ordinary circumstances, I would not undertake to impose on your time so early in this session by asking to be recognized for the purpose of addressing you, and more particularly so when the noon hour is so near at hand, and we are reminded by the inner man that we are in need of a stimulant—not, however, a stimulant of spirits, for that is not in accord with our principles, but a stimulant of the “staff of life”—one that we must all take, and by nature are required to take in order that we may be able to continue in our work and deliberations. But, notwithstanding the necessity of this and the near time for its partaking, I feel that you will bear with me a little while when I say to you that I have been requested to address you for a special and most pleasant purpose.

It is indeed a pleasure to me to be afforded this opportunity, for I assure you that, although I have been greatly honored and it has been my pleasure to have been one of your Grand Masters, and am now your Grand Representative to the Sovereign Grand Lodge, the little duty that I am now performing is one of the greatest pleasures that has ever fallen to me in this, the Grand Lodge of the grandest State in the galaxy of States, as it was truly termed by our most worthy Grand Master, Judge M. M. Stuckey, at the public reception last night.

Amongst our brothers we find some that are always in the forefront in their work for the good of the Order, and when these brothers are discovered we honor them with high positions in our ranks in appreciation of their good work, but when we find an exceptionally good man, one who is tireless in his efforts, and is conspicuous amongst the best, we favor him also with our personal love and esteem. Such a man we have amongst us now, and have had for years before my entry in this honorable body of men, and this man has served you faithfully and honorably under all conditions and circumstances in one office for the past eleven years, and you can now readily guess that I have in mind the grand old man, John P. Paul, our Grand Secretary, whom after faithful service for eleven years, I hope you will re-elect this afternoon without opposition, and whom I hope to see our Grand Secretary as long as I live, though it may be longer than the allotted years of three-score and ten.

Brother Paul, we love, honor and appreciate you, and in token thereof I am requested to present to you this golden watch. Engraved on one side of the outside case are the four letters by which our fraternity is designated, and of which we are proud—I. O. O. F. On the other side your initials, which are known over this Grand Jurisdiction as none other, J. P. P., and on the inside, “To Our Grand Sec-

retary from the Grand Lodge of Arkansas." Accept it through me, not from any one representative, nor yet from any one particular brother, but from the Odd Fellows from all over the State—the boys that love you.

Brother Paul was overcome with emotion, and tears came to his eyes as he feelingly responded in appreciation of the gift.

COMMUNICATION FROM R. M. QUIGLEY OF COLORADO.

The following communication, in regard to a Home, was read:

Denver, Colo., September 6, 1911.

Mr. M. M. Stuckey, Grand Master I. O. O. F., Newport, Arkansas:

Dear Sir: I have a letter from Judge S. L. Lindsey, Secretary Lodge No. 152, I. O. O. F., of Mena, Ark., in which he advises me that your Lodge is considering the purchase and location of a home at Mena, and requesting that I write to you, naming a price on my home place on College Hill, in Mena.

In compliance with his request, will say that I have advertised the property for sale at \$25,000, and would not care to quote it for less. However, if your Lodge should decide to purchase at this price, I will agree to contribute and donate \$10,000 out of the purchase price, so that the property will actually cost you only \$15,000.

This price includes all of my property surrounding the home and covering approximately eight city blocks. It also includes the forty acres adjacent, which was heretofore used by me for my pastures.

I am sure you found the property admirably located and constructed for a home. While I am now living in Colorado, it is not from choice, but because my business interests compel me to live here. I do not believe there is a more delightful place on earth to live than at "The Boulders" at Mena, and I am sure it will make your Lodge an ideal home for its members.

Yours truly,

R. M. QUIGLEY.

Brother Hoffmann made motion that a committee of five be appointed to consider the purchase and location of an Odd Fellows Home. Motion carried. The Grand Master appointed the following committee: G. A. Hoffman, J. R. Donnell, F. O. Butt, G. W. Pardee, O. W. Scarborough.

Upon motion of Brother Louis Josephs, the Grand Lodge adjourned until 2 o'clock p. m.

Annual Report and Communication of the Grand Master

To the Grand Lodge I. O. O. F. of Arkansas:

Dear Brothers: We have reached another period in the history of our Order in our jurisdiction when, as required by our Constitution, it becomes my duty to submit to you a report of my doings as your Grand Master, and of the condition of the Order in our jurisdiction.

It seems but yesterday that we met at Fort Smith, the Gate City of our western border, where they entertained us so pleasantly; and I can hardly realize that the end of another annual term has come, and that we are now to meet in annual session again.

I am filled with gratitude at the splendid work of the Order in this city, at what it has done for our entertainment here in the home of Odd Fellowship in this State—the home of Lodge No. 1, the place where Albert Pike wrought so nobly, not only as the head of an honorable and more ancient sister fraternity, but as Grand Master stamped his name and character indelibly upon our Order in this jurisdiction.

To include all the acts of the Grand Master in this report would make public many of the secrets concerning our methods which the uninitiated have no right to know, and many other matters unimportant to the Order in general which fell to the lot of the Grand Master to adjust, would encumber the record and make this report unnecessarily long.

It is with pride that I greet you on this occasion, realizing the noble work done by the Order, the most practical and largest, numerically, of all fraternal orders in the world, and undoubtedly the greatest for the fraternization of the world, the mellowing and moulding of human character, the perfecting of manhood and the building of exalted destiny to meet the every-day needs of humanity.

While we have not made rapid strides, we have been building solidly, and our progress has been satisfactory.

We now have a membership in the Subordinate Lodges of..	31,601
Of contributing Lodges we have.....	595
New Lodges organized.....	21
Lodges which have reported as owning their own home....	18
Our Widows' and Orphans' Home at Batesville is valued at..\$	80,000.00
We have property which was bequeathed to us by our late lamented brother, A. W. Shirey, valued at.....	120,000.00

During the year the Lodges have contributed to general relief 85,530.00

This in addition to the regular Widows' and Orphans' Home tax, which is levied regularly for the maintenance of the Widows' and Orphans' Home at Batesville.

On appeal for aid the Lodges have contributed for special relief, \$3,000.00.

We are caring for one hundred and fifty orphans at the Home, a number greater than other jurisdictions having a membership of from sixty to seventy-five thousand. Such work should elicit the best efforts of all good men, and the members of the Order in this jurisdiction should be steadfast and not weary in well doing.

Immediately after returning home from the session of the Grand Lodge, and assuming the duties of office as Grand Master, answering numerous letters and receiving the proclamation from the Grand Sire, I issued and caused to be sent out on the 10th day of November the following Thanksgiving proclamation:

GRAND MASTER'S THANKSGIVING PROCLAMATION.

Whereas, it has become the custom throughout these United States to set apart one day in each year to render thanks to Almighty God, the giver of every blessing we receive, and since the President and the Governor of this State by proclamations have designated Thursday, the 24th day of November, 1910, as a day set apart for that purpose, and requested the people to assemble in their houses and places of worship to render thanks to the Most High for the wonderful blessings of the past year and to consecrate themselves anew to a more earnest endeavor to live a life of cleanliness, honor, wisdom and uprightness. It is especially appropriate that Odd Fellows, for they must be loyal to their country, fraternal to their fellowman and faithful to their Creator and believe in "God, the Creator, in whom we live, move and have our being," to observe that day.

I, therefore, in compliance with said proclamation, designate the 24th day of November, and request all Odd Fellows in this jurisdiction to assemble in their respective halls and attend some church in a body and there render praises and thanksgiving to God for his innumerable blessings to us and the wonderful success of our Order during the past year, and ask his blessing upon the widows and orphans under our care and of Him that, during the coming year, our efforts in behalf of them and of Friendship, Love and Truth will surpass those of any previous year.

In witness whereof, I have hereunto set my hand and caused the seal of the Grand Lodge of the Independent Order of Odd Fellows of Arkansas to be affixed.

Done at Newport, Arkansas, this 10th day of November, 1910.

By the Grand Master.

M. M. STUCKEY.

JOHN P. PAUL, Grand Secretary.

To which proclamation most of the Lodges responded by holding Thanksgiving services, thus showing themselves to be thankful to their Creator, the giver of every good and perfect gift; and also proving themselves patriotic citizens, because the designation of Thanksgiving Day emirates from the highest authority in our Government.

After going over the work which was to be done in the office, I realized that the selection of District Deputies was the first important thing to be considered. The Grand Lodge, having redistricted the State by counties, I did not have the information at hand to enable me to select suitable persons for that position. I therefore conceived the idea of sending out an official circular, asking for recommendations for persons to be appointed to that position, and concluded that it would be proper to embrace in the circular other matters which I thought needed attention. I, therefore, on November 12, issued the following circular:

Office of Grand Master,

Independent Order of Odd Fellows of Arkansas.

Official Circular No. 1.

Newport, Ark., November 12, 1910.

To the Officers and Members of the Independent Order of Odd Fellows of Arkansas, Greeting:

Dear Brothers: Briefly, but sincerely, I desire to express my gratitude for the signal honor that has been conferred upon me by my selection as your Grand Master.

I hope that in the performance of my duties as your chief executive officer I may measure up in a satisfactory degree to the responsibilities which I have assumed and to the expectation of my friends and all those who entertain an interest in the welfare of our Order.

FORT SMITH.

The Grand Lodge has been splendidly cared for and royally entertained wherever its annual session has been held, but at no place has

the entertainment of its members been more fully met or their pleasures more carefully planned and looked after than in the hustling, busy commercial city of Fort Smith. Everything that tended to the comfort and pleasure of the thousands of Odd Fellows who visited this enterprising and progressive city during the sitting of the Grand Lodge, and this was the largest gathering we ever had, was done and furnished with a generous hospitality and enthusiasm that has never been surpassed and rarely equaled.

DISTRICT DEPUTIES.

The Grand Lodge at its last session redistricted the State by making each county a district. Believing that more satisfaction will be given and better results obtained by having each district to select its own deputy, I therefore request that each Lodge send a representative to a meeting, which I hereby direct to be held in the county seat of that county at 10 o'clock a. m., or as soon thereafter as it is convenient, on the 6th day of December, 1910, to recommend some brother for District Deputy Grand Master, then I will appoint him. If any Lodge can not send a representative I suggest that it send the name of its choice to some one attending the meeting, so that every Lodge may express its preference. It is manifestly impossible for the Grand Master to know all the worthy brothers who would willingly sacrifice their time and talent in serving the Order and who would be satisfactory to the district, without some help of this kind. I suggest that the District Deputy of the town where the meeting is to be held as a suitable person to preside and to make preparation for the meeting (all present deputies will act until their successors have been appointed), and that the choice of the district be reported to me immediately after determined. In counties where there are two districts, by county seat, I mean the original if it has a Lodge, otherwise I mean the district county seat if it has a Lodge and the original has not.

RITUALS.

It has come to my knowledge that during last year our law had been violated by some brothers thoughtlessly leaving our rituals where they fell into unauthorized hands and were seen and read by those not entitled; they are not for the uninitiated, but for the members of the Order. Such negligence as this, if it occurs again, will subject the members to the punishment that such conduct merits. I suggest that each Lodge procure a tin box such as is commonly used for valuable papers, with a lock to it, and when the rituals are gathered by the Warden that the Noble Grand safely lock them up only to be taken out when in actual use by the members under proper cover of secrecy. All paraphernalia houses carry such boxes in stock; the cost is about \$2.00.

TRIALS AND APPEALS.

It always grieves me to hear that a brother has been guilty of conduct that may subject him to have charges preferred against him. It also pains me when bickering, dissensions and contentions between brothers reach such a stage that they must have a trial or appeal to the Grand Master without first trying to settle such matters between themselves, by making some concessions each to the other. Such things do not work any good for the Order nor do they make either brother any better or happier. No man was ever made good by law, though he is punished for his wrongdoing. Our object is to make men better, purer and nobler, to enrich the heart, to enlarge the understanding, to quicken the moral sensibility, to clarify the vision, to mellow and mould character, to build exalted manhood; to do this, we must be tolerant, must be charitable, and by this I do not mean alone alms-giving, but that state of mind which speaks no unkind words, harbors no evil thoughts, and bears no malice or revenge; the charity which nourishes, loves and protects; the charity which condones, forgives and forgets. Dear brothers, practice this, won't you? Let's avoid trials and have as few appeals to the Grand Master as possible, and none at all to the Grand Lodge. They do not make men better.

WAIVER OF JURISDICTION.

I have observed that some Lodges object to waiving jurisdiction of a person who wants to join the Order, but for some reason, his own, does not want to affiliate with some particular Lodge. I do not know that there is any hide-bound rule governing jurisdiction, measuring it up to a hair line. It is better for you; it is better for the Order, if you have a person whom you will be willing to initiate and who wants to become an Odd Fellow, but not a member of your Lodge, but some other one, to waive jurisdiction as to him, let him go to the other Lodge and get the benefit of our teaching and the Order the benefit of his influence and help in our noble work. It will work for good in the end.

I believe, brothers, we are entering upon a year of unprecedented prosperity. We are doing a good work in the world. If we would enlarge our influence and extend our power for accomplishing good among men we need only to give practical application to the principles of our Order—Friendship, Love and Truth. In other words, we need but to practice what we preach. I sincerely hope that our increase will exceed that of any other year and that we will, more nearly than ever before, fulfill the mission that is ours, by amply caring for the widows and orphans and making those among whom we live and labor happier, nobler, more charitable and better by our example.

Sincerely and fraternally yours,

Attest:

M. M. STUCKEY, Grand Master.

JOHN P. PAUL, Grand Secretary.

To the request that the Lodges in the counties hold a meeting for the selection of some person to be appointed as Deputy, many counties responded and reported their action; other counties acted and did not report until too late; others did not report at all; while some counties did not hold any meeting; therefore, the Grand Master had to act on such means and information as he had at hand, which was very limited indeed. I waited just as long as I could wait to make the appointments, so as to have the Deputies check up the semi-annual reports, examine and install officers-elect.

I therefore promulgated the following letter, showing the appointments I had made:

Grand Lodge of Arkansas,

Office of the Grand Master, Newport, Ark.

*To the Officers and Members of the Independent Order of Odd Fellows,
Greeting:*

Dear Brothers: One of the hardest duties with which the Grand Master has had to contend has been the selection and appointment of District Deputies, because so many of the counties did not act upon Official Circular No. 1, which the Grand Master has been informed was not read in several of the Lodges, which shows a failure of duty on the part of the secretaries. It is manifestly impossible for the Grand Master to know the most suitable person for that office in every district because his personal acquaintance does not extend that far. If an injustice has been done to any brother or Lodge or if I have made any mistake it is because I lack the necessary light and information to guide me aright.

I gave you the opportunity to select your own deputy and waited just as long as I could without detriment to the Order before I selected them myself. If any Lodge or brother is not pleased with the appointments it is because you failed to conform to the request made in Official Circular No. 1.

I trust, however, that all will work in harmony for the good of the Order; that the deputies will use their utmost endeavor to extend the usefulness of the Order by organizing new Lodges in their own jurisdiction and their joining jurisdictions where there are no Lodges now, and that the Lodges will assist the deputies in every honorable way they can. Dispensations for this purpose will be granted whenever asked, the law being complied with.

Brother Otis W. Scarborough, custodian of the secret work, will visit any jurisdiction and exemplify the same when requested by any Lodge or its deputy. His address is Newport, Arkansas.

The following persons are appointed District Deputy Grand Masters of the districts of the respective counties which their names stand opposite, as follows, and as such are entitled to due respect and credit, viz:

I believe, brothers, our jurisdiction is organized now upon the most systematic basis it has ever been, and that we are now entering upon an era of unprecedented prosperity and growth. Let us be up and doing. Let us be watchful, however, of the character of the material we admit within the Lodges lest we take upon ourselves burdens that will be too heavy for the individual Lodge to carry. Let us exert our best efforts in behalf of the principles of Friendship, Love and Truth, Faith, Hope and Charity, so that each one may feel that he has done what he could toward the elevation of man for good among men.

Fraternally,

JOHN P. PAUL, Grand Secretary.

Immediately after promulgating the appointment of District Deputies, I sent out the following letter of instruction for their information and guidance as well as for the information of Subordinate Lodges:

Grand Lodge of Arkansas,

Office of the Grand Master, Newport, Ark.

To the District Deputy Grand Masters and Subordinate Lodges, I. O. O. F., of Arkansas:

The District Deputy Grand Masters are the appointees of the Grand Master and as such are his direct representatives in their respective districts. He has authority, for good cause, to remove them and appoint others in their places. The powers and duties of a District Deputy Grand Master are prescribed by section 3, article 12, Grand Lodge Constitution.

It is their duty to pass upon such appeals as may be presented to them in their respective districts.

To see that the work of the Order is uniformly adhered to, and the laws of the Grand Lodge strictly observed.

To report any neglect, infringement or violation of the same to the Grand Master.

To install, in their respective districts, all officers-elect who are properly qualified by the necessary degrees and who have committed the charges of their office to memory.

In event of inability to install, to commission in writing some Past Grand to act for him, whose authority must be presented to the Lodge he may visit for that purpose.

To require Lodges to have their reports for the past term made out and he shall approve and sign said reports before he can install the officers.

To require the work of Lodges to be performed without books.

To require the officers-elect to be perfect in their charges before installation.

To grant dispensations for members to receive degrees to qualify them for office or to members about to visit or reside in another State.

To visit each Lodge within their district at least twice in each year at the cost of the Lodge visited for actual expenses only.

To make to the Grand Master immediately after the close of each semi-annual term a report of their acts and doings, including dispensations granted, and for what purpose.

To report to the Grand Master one month previous to the meeting of the Grand Lodge the condition of the Lodges within their district.

They are not permitted to transcend the above powers or to give decisions on questions of law or usage, or exercise any power not specified above.

Each District Deputy Grand Master will have a commission which must be presented and read in each Lodge on his first visit thereto.

Fraternally,

M. M. STUCKEY, Grand Master.

JOHN P. PAUL, Grand Secretary.

I think the organization of this State is as good as can be conceived, with the exception that a few of the counties which have a large number of Lodges in them should be divided, because it takes too much time for one person to attend to the duties as required, and it will be asking too much of any one who is suitable to fill the position to devote so much of his time to the work. It is important that the best men of the Order—those who are well disposed to the principles of the Order, who are up with the laws and usages of the Order and the unwritten work, who are enthusiastic and loyal Odd Fellows, and who have executive ability and decision of character, be appointed to these positions. The deputy is the most important man in the field, and with him largely depends the peace and harmony, and the success, of the Lodges within his jurisdiction. I have no fault to find with those whom I appointed; most of them proved themselves to be true, and, while some others did not fully realize their duties, all have done the best for the Order as they saw it. The office being of so much more importance, under the present organization, its responsibility was not appreciated by all. Acting upon the suggestion that all persons filling these positions should be selected from among their neighbors, who know them best and to whom they must be acceptable in order to accomplish the greatest good, I called upon the deputies to call the Lodges of their respective districts together on the 23d of September to make selection of a person for deputy, to be recommended to the incoming Grand Master, and report the same at once to the Grand Secretary, so that the incoming Grand Master may have the information and make his appointments immediately on entering upon the duties of his office; and this request, I believe, has been complied with in almost every instance. At the time Official Circular No. 1 was sent out, it was agreed that the Grand Secretary should send out a letter, accompanying such Official Circular No. 1, calling upon the Lodges to organize county associations. This request was splendidly complied with, to the gratification

of myself as well as the Grand Secretary. These county organizations are doing much good for the Order, bringing the Lodges together for mutual council, keeping up enthusiasm, and enabling the Lodges to learn from each other the needs of the Order. They also furnish means by which the Grand Officers can come in closer touch with a greater number of the members than they could if each Lodge was left to itself. Several of these associations have arranged regular programmes for public meetings, by which they disseminate the principles of Odd Fellowship, and thus bring to the outside world a knowledge of the good deeds the Order is doing, and thereby make more men understand that the mission of every man is to help his brother.

After the appointment of the deputies, most of them entered at once, enthusiastically, upon the duties of their office and continued faithful, for which I extend to each of them my most sincere thanks. I am glad to say that I have never had any disagreement with a single one of them, and that all have been faithful and loyal lieutenants.

ANNIVERSARY PROCLAMATION.

In accordance with the proclamation of the Grand Sire, calling upon all Lodges to celebrate the anniversary of our organization, I sent out the following letter:

M. M. Stuckey, Grand Master.

L. S. O'Neal, Grand Treasurer.

Grand Lodge I. O. O. F. of Arkansas.

John P. Paul, Grand Secretary.

Newport, Arkansas.

March 20, 1911.

To the Subordinate and Rebekah Lodges, I. O. O. F., of Arkansas:

The ninety-second anniversary of the organization of our Order will occur on the 26th day of April, 1911. To commemorate this date, our Grand Sire, John B. Cochrum, has issued a proclamation, dated February 16, 1911, calling upon all Grand and Subordinate Lodges to take appropriate action in observance thereof, which will call forth the best there is in Odd Fellowship. It is very gratifying to see the loyalty with which this memorial day is observed throughout this jurisdiction annually. It is on this day that it is called to our minds the humble birth of our beloved Order, with its glorious history of victories won in moulding character and the elevation of mankind—these victories (won by the gentle influence of love, giving us the strongest fraternal organization in the world), are more noble than any won on a bloody field of battle, because of our power for good and our help to the distressed in the day of trouble.

Therefore, pursuant to the proclamation of the Grand Sire, I, M. M. Stuckey, Grand Master, earnestly request all Subordinate and Rebekah Lodges within this jurisdiction to observe this anniversary by suitable and appropriate exercises on the 26th day of April, 1911, or some other day near thereto most auspicious for the particular lodge.

In these exercises let us render thanks unto Him, the "Great Author of our being, in whom, alone, we live and move and have our being," for the wonderful growth, success and prosperity which our Order has received from His beneficent hands.

Dispensation is hereby granted to all Subordinate and Rebekah Lodges, which observe this event in accordance with this proclamation, to wear the regalia of our Order on such occasion in accordance with our usual custom.

Done at the city of Newport, Arkansas, on this 20th day of March, A. D. 1911, and of our Order the ninety-second year.

M. M. STUCKEY, Grand Master.

Attest:

JOHN P. PAUL, Grand Secretary.

Nearly every Lodge in our jurisdiction responded by holding commemorative exercises of the birth of our organization. For this time I sent out a dispensation to all Lodges authorizing a cut of \$5.00 upon the admission fee for each new initiate, in order to make this anniversary day a rally day as well, following in this the precedent set by some of my predecessors. I am not, however, inclined to think this good policy; but, nevertheless, many good men and true were by this means added to our roster. At the time of sending out this dispensation, I called attention that each Lodge should be careful as to age and physical condition in accepting applicants under this dispensation, lest they should take burdens upon themselves which might prove too heavy to bear.

Shortly after sending out the anniversary proclamation, it became my painful duty, on March 28, to announce to the members of this jurisdiction the death of Past Grand Master, A. C. Jones. This I did by issuing the following letter:

M. M. Stuckey, Grand Master.

L. S. O'Neal, Grand Treasurer.

Grand Lodge I. O. O. F. of Arkansas.

John P. Paul, Grand Secretary.

Newport, Arkansas.

March 28, 1911.

To the Subordinate Lodges of Arkansas:

Dear Brethren: With deepest sorrow we announce to you the death of Past Grand Master A. C. Jones, who died March 27, 1911, at his home in Hot Springs.

Brother Jones was a member of Hot Springs Valley Lodge No. 67. He was elected Grand Master the same time Brother Paul was first elected Grand Secretary, in 1900. He was elected Representative to the Grand Lodge for the years 1901 and 1902, and again elected Grand Representative for two years at the last meeting of the Grand Encampment at Fort Smith. Brother Jones was one of the leaders in establishing our splendid Widows' and Orphans' Home and served continuously until death on that board and for a number of years as treasurer of said board. He was a most lovable character, a most loyal Odd Fellow and devoted supporter of our Widows' and Orphans' Home, a kind and sympathetic father and husband.

As a mark of respect to our distinguished and beloved brother, every lodge is requested to drape their charter in mourning for thirty days; and, as a further mark of respect, the Noble Grand of each lodge is requested (after the reading of this to the Lodge) to call up the members and sing one verse of "Nearer, My God, to Thee." After singing the members remain standing, silently and with bowed head, for one minute.

Yours fraternally,

M. M. STUCKEY, Grand Master.

Attest:

JOHN P. PAUL, Grand Secretary.

Brother Jones was not only the Past Grand Master, but a Past Grand Representative, and was then Grand Representative from the Encampment to the Sovereign Grand Lodge. I called upon all elected Grand Officers and the Past Grand Masters to attend the funeral of Brother Jones, most of whom attended. His funeral services were held at Hot Springs under the auspices of the Grand Lodge, Canton No. 1, Little Rock, and Canton No. 2, Jonesboro, Patriachs Militant forming a guard of honor, with his own Lodge paying the respect he was due, as well as the other Lodge of his city attending in a body. The ceremonies were beautifully impressive, and of the character his high office and his character as a man and an Odd Fellow entitled him to. His remains were escorted to the train by all Odd Fellows, marching in line, where they were placed aboard the train and sent to Iowa to be laid at rest in the family mausoleum at Atlantic, Iowa, his old home. Though he is gone from among us, still we cherish his memory and sing his praises for the good he has done.

As is usual, in compliance with the laws of the Order and the direction of the Grand Sire, I called upon all Subordinate Lodges to meet on the second Tuesday in June, for memorial exercises, by sending out the following communication:

M. M. Stuckey, Grand Master.

L. S. O'Neal, Grand Treasurer.

Grand Lodge I. O. O. F. of Arkansas.

John P. Paul, Grand Secretary.

Newport, Arkansas.

MEMORIAL PROCLAMATION.

To All the Subordinate and Rebekah Members of the I. O. O. F., of Arkansas, Greeting:

In compliance with the order of Grand Sire John B. Cockrum, you are hereby asked to meet in your halls or other appropriate places on the second Tuesday in June, being the 13th day of June, 1911, or such other day in June as may be more convenient, and there observe appropriate ceremonies in commemoration of our departed.

Memorial Day is the National Sabbath of our Order. Let us keep it holy for this one day in the year. You and yours rest from labor, picnics and all the merry rounds of pleasure while you gather with your neighbors to render tribute to those of our brothers who have passed beyond. To recall again their worth, their moral excellency, their uprightness of character and their faithfulness to the duties imposed upon them as Odd Fellows.

Especially remember our Past Grand Master and Grand Representative, A. C. Jones, for the rich heritage left us in his nobility of character, shown in his brave leadership, wise counsel, lofty purpose and fidelity to his convictions and friends.

Fraternally submitted,

M. M. STUCKEY, Grand Master.

In April, through Past Grand Master Josephs, I received the following communication from W. F. Boggess, Grand Master of the State of Texas:

“Del Reo, Texas, April 12, 1911.

“Mr. Louis Josephs, Grand Master, I. O. O. F., of Arkansas, Texarkana, Arkansas:

“Dear Sir and Brother: A member of a Subordinate Lodge at Felsenthal, in your Grand Jurisdiction, holding an official receipt, showing dues paid a year in advance, died near De Kalb, Texas, and De Kalb Lodge No. 339 advanced him sums of money, and finally paid his funeral expenses, aggregating about \$1,000.00 in all, after

his Lodge had advised the Texas Lodge that they would take care of the expense as soon as possible. I am now advised that the Felsenthal Lodge has surrendered its charter. Your Grand Secretary, John P. Paul, has been advised of all facts in connection with this matter, and I trust that you will give it your attention after communicating with him.

"I have not been furnished with the details of the matter, and therefore cannot advise you as to what the exact amount due is, nor what steps have been taken towards its collection.

"Awaiting an early reply, I am,

"Yours fraternally,

"W. F. BOGGESS, Grand Master."

To this letter Brother Josephs sent the following reply:

"Mr. W. F. Boggess, Grand Master, I. O. O. F., of Texas, Dcl Reo, Texas:

"Dear Sir: Replying to your communication of the 12th inst. relative to the claim of De Kalb Lodge No. 339, Texas, vs. Felsenthal Lodge No. 343, Arkansas, beg to advise that I have forwarded your communication to our present Grand Master, Judge M. M. Stuekey, Newport, Arkansas, who will give it attention. For your information will advise, however, that the charter of Felsenthal Lodge was arrested by me, but no funds of whatever kind were taken up with the other property, nor did I at the time know anything about this claim.

"Fraternally yours,

"LOUIS JOSEPHS,

"Past Grand Master and Grand Representative."

I immediately went to work to investigate this matter and found that the charter of Felsenthal Lodge No. 343 had been arrested and that the same was reported to this Grand Lodge by Grand Master Josephs, as shown on page 10 of the proceedings of the Grand Lodge for 1910. I then sought to find out if it were possible and practical to reorganize this Lodge, but I found it was not. It is true, however, that the Texas Lodge gave burial to the deceased Arkansas brother, and made the advances it claimed. I have not the name of the brother just now at hand, but De Kalb Lodge No. 339 of Texas should be reimbursed in some way; and I submit this matter for your consideration, trusting that it will receive that attention which good faith from one Grand Jurisdiction of a Lodge to another demands. I know of no funds from which this claim can be paid unless this Grand Lodge takes specific action, and I beg of it to do so.

In June of this year I received a letter from the Secretary of Far West Lodge No. 1, stating that they had elected Brother Claude Redfield, a member of Schuyler Lodge No. 493, of Brooklyn, Illinois, to membership in Far West Lodge on official receipt showing dues paid to 1912; that they had notified Lodge No. 493 of his election, he having removed to Arkansas, but that the Illinois Lodge failed to send a transfer certificate or to respond in any way. I thereupon wrote the Hon. James Ewing Davis, Grand Master, and received the following reply:

“Chicago, Ill., June 9, 1911.

“Hon. M. M. Stuckey, Grand Master I. O. O. F., Newport, Arkansas:

“Dear Sir and Brother: I am in receipt of your kind letter relative to the election of Claude Redfield as a member of Far West Lodge No. 1, of Little Rock, Arkansas.

“I will take up the matter of a transfer certificate with Brother Redfield's Lodge, namely, Lodge No. 493, Brooklyn, Illinois. I will advise you as soon as possible relative to this matter.

“Thanking you for calling the matter to my attention, I am, with fraternal regards,

“Sincerely and fraternally yours,

“JAMES EWING DAVIS.”

Having received information from Far West Lodge No. 1 that Lodge No. 493 had not sent the transfer certificate, I sent the following letter:

“Newport, Ark., July 24, 1911.

“Hon. James Ewing Davis, Grand Master, I. O. O. F., Chicago, Illinois:

“Dear Sir and Brother: In June I wrote you relative to the election of Claude Redfield to membership in Far West Lodge No. 1, I. O. O. F., asking you to have Lodge No. 493, of Brooklyn, Illinois, issue transfer certificate. On June 9 I received a letter from you saying you would take this matter up with Brooklyn Lodge and advise me relative to the matter. I am again in receipt of a letter from Far West Lodge, informing me that Schuyler Lodge No. 493, Brooklyn, Illinois, has never answered a letter nor issued the transfer certificate, and saying that Brother Redfield is anxious to affiliate with Far West Lodge. Will you please remind the brethren that they are derelict in their duty and they should send the certificate at once?

“Thanking you for your courtesy, I am,

“Yours fraternally,

“M. M. STUCKEY, Grand Master.”

To which I received the following reply:

"Chicago, Ill., July 26, 1911.

"Hon. M. M. Stuckey, Grand Master I. O. O. F., Newport, Arkansas:

"Dear Sir and Brother: I am in receipt of your kind letter relative to the election of Claude Redfield to membership in Far West Lodge No. 1, of Little Rock. I have this day again written to Brooklyn Lodge No. 493, directing them to issue transfer certificate. I regret that they have not complied with my order.

"I thank you for calling the matter to my attention.

"Sincerely and fraternally yours,

"JAMES EWING DAVIS, Grand Master."

In September I received the following letter:

"Little Rock, Ark., September 24, 1911.

"M. M. Stuckey, Grand Master, Newport, Arkansas:

"Dear Grand Master: Some time ago I wrote you in regard to Mr. Claude Redfield, transfer (from Lodge No. 493, of Brooklyn, Illinois, I. O. O. F.), which up to this date we have not received.

"Yours in F., L. and T.,

"W. A. CROW,

"Recording Secretary, Far West Lodge No. 1, I. O. O. F."

I then sent the following:

"Newport, Ark., October 2, 1911.

"James Ewing Davis, Grand Master, I. O. O. F., Chicago, Illinois:

"Dear Sir and Brother: On June 9 you wrote me that you would take up the matter of a transfer certificate with Lodge No. 493, of Brooklyn, Illinois, for Brother Claude Redfield, who desired to be transferred to Far West Lodge No. 1. Lodge No. 493 did not act, and on July 26 you again wrote me that you had again directed them to send the certificate. I am now in receipt of a letter, dated September 29, from W. A. Crow, Recording Secretary of Lodge No. 1, Little Rock, saying that up to date they had not yet received the certificate, and that Brother Redfield was very desirous of affiliating with them, and that they were desirous of having him do so.

"I will thank you to use your authority to have that Lodge obey your direction and forward the certificate.

"Yours sincerely and fraternally,

"M. M. STUCKEY,

"Grand Master, I. O. O. F., of Arkansas."

To this last letter I have not yet received any response, and I presume that the Grand Master of Illinois is trying to enforce the law to compel this negligent Lodge to comply with his directions.

I give this correspondence at length because I desire to call attention to the trouble that Subordinate Lodges cause their members, other Lodges and the Grand Master in not following the law in issuing transfer certificates. I have had much to do with Lodges in not promptly sending out transfer certificates when their members, who had moved to other jurisdictions, had sought affiliation with another Lodge by transfer certificate. The rule is that Lodges are very negligent in this matter, and the Grand Master would be doing right if upon every complaint of this kind he would arrest the charter of a negligent Lodge in this respect, upon their failure to prefer charges and punish secretaries for failing to perform their duty in at once sending out a transfer certificate when properly requested. It is but courtesy and the highest duty that one Lodge owes to another, and its own members, as well as the Order in general, to be prompt in this matter. This neglect is not only common in our intercourse with the jurisdiction of other States, but it is rampant, and a frequent occurrence within our own jurisdiction. The sentiment should be so strong against it that any Lodge would be embarrassed by being charged with such neglect.

In March some of the members of Parkin Lodge No. 296 complained that they had accompanied the remains of one of their brothers, O. S. Hines, to Shelbyville, Tennessee, and that Chosen Friends Lodge No. 64 had failed to assist them in the burial of their deceased brother. I thereupon complained to the Hon. Charles Watson, Grand Master of Tennessee, as shown by the following letter:

“Newport, Ark., March 13, 1911.

“Hon. Charles E. Watson, Grand Master, I. O. F., Chattanooga, Tennessee:

“Dear Sir and Brother: I am enclosing you a communication from Parkin Lodge No. 296, of Parkin, Arkansas, which explains itself, for your information. This letter was written to Brother John P. Paul, Grand Secretary, who referred it to me.

“Yours fraternally,

“M. M. STUCKEY, Grand Master.”

And I received the following letter in reply:

“Chattanooga, Tenn., April 19, 1911.

“Hon. M. M. Stuckey, Grand Master, I. O. O. F., of Arkansas, Newport, Arkansas:

"Dear Sir and Brother: Under date of March 13 last you forwarded to me, for my information, a letter from Parkin Lodge No. 296, Parkin, Arkansas, in which Chosen Friends Lodge No. 64 was severely criticized for alleged failure or refusal to perform the sad rights over the body of a deceased member of Parkin Lodge, who was brought back to Shelbyville, Tennessee, for burial.

"Chosen Friends Lodge is one of our best Lodges, and I could scarcely believe my eyes when I read the letter from Parkin Lodge.

"I have taken the matter up with Chosen Friends Lodge and secured a written statement from the officers of that Lodge, also the District Deputy Grand Master, which places a different phase on the matter. I believe the Chosen Friends brothers are Odd Fellows all over.

"I believe the brethren of Parkin Lodge gained the wrong impression from the report of the two brethren who accompanied the remains, for it seems that said two brethren were satisfied.

"I am transmitting herewith the entire file of correspondence for your information. Kindly return the same to me after perusal.

"With best wishes, I am,

"Fraternally yours,

"CHARLES WATSON, Grand Master."

The record and files of letters sent me by Grand Master Watson were so strong and convincing that I was fully satisfied that the brethren of Chosen Friends Lodge No. 64, of Shelbyville, Tennessee, had not been fairly represented. I wrote to him apologizing for the complaint in the letter written by the brothers of Parkin Lodge (a letter which did the writer no credit and greatly embarrassed your Grand Master), and sent the following letter to Parkin Lodge:

"Newport, Ark., April 25, 1911.

"O. A. Masena, Secretary Lodge No. BTF, I. O. O. F., Parkin, Arkansas:

"Dear Sir and Brother: On January 30 you made complaint of the brothers of Chosen Friends Lodge No. 64, of Shelbyville, Tennessee, concerning their treatment of the brothers who accompanied the remains of Brother O. S. Hines to Shelbyville.

"I sent your letter to the Hon. Charles E. Watson, Grand Master of Tennessee. He took the matter up, and I send you a copy of the letters he received from the brothers of that Lodge, and am sure from these letters that you caused me, and caused Grand Master Watson, to get a wrong idea of the way our brethren were treated. I regret very

much to have put Grand Master Watson to so much trouble, and that you so unjustly criticized the brothers of Chosen Friends Lodge. I feel myself that they did well and all that could be expected of them. They were not notified in time to have their Lodge out to bury the brother.

"It seems to me they did their full duty. I am satisfied of this, and believe that your Lodge should send them a letter of apology and send me a copy thereof. I feel that they are entitled to it on account of the wrong impression which your letter created. I myself feel embarrassed in having to call Grand Master Watson's attention to it, when they make such a good showing in their report to the Grand Master.

"Now, brothers, in a spirit of fraternity, withdraw your criticisms, which are not just, and send a good, brotherly letter to Chosen Friends Lodge, acknowledging that you were wrong, and you will feel better and I know I will.

"Yours fraternally,

"M. M. STUCKEY, Grand Master."

I have made request of the Grand Master of Missouri, the Hon. A. M. Dockery, for the release of certain persons residing within the jurisdiction of Missouri to unite with the Lodges in Arkansas, which request was cordially and readily acceded to. I have granted like releases for persons who reside within our jurisdiction to join Lodges in Missouri and in Oklahoma.

My correspondence and intercourse with the Grand Masters of sister jurisdictions has at all times been most cordial and fraternal.

I have had the following correspondence with the Grand Sire:

"Indianapolis, Ind., U. S. A., November 4, 1910.

"My Dear Brother: At the very beginning of my term as Grand Sire, it is my desire to get very near the executive officers of the several jurisdictions—Grand Masters, Grand Patriarchs, Presidents of Assemblies, Department Commanders, Grand Secretaries, Grand Scribes, etc.—and to join with them in an earnest campaign for the growth of Odd Fellowship in all its branches and everywhere; and as an introduction I address you this letter and ask you to consider it personal to yourself.

"The growth of Odd Fellowship has been phenomenal, almost marvelous in fact, with practically no one year in which it has receded in membership, notwithstanding the competition of smaller and similar societies in every community. This speaks for its

unenqualed popularity, and the practically universal approval of good men and women everywhere. What I much desire is that it shall not only continue in popularity, usefulness and growth, but that these shall increase from this time forward as never before, and I therefore appeal to you to put forth such efforts as will bring about this result. It is not my purpose to assume any of the prerogatives attaching to your high office and duties, but I do want you to feel that every forward step you shall take will give me the greatest possible pleasure, and that I stand ready, not only to approve, but to aid you in whatever way shall be in my power.

"I will be glad to hear from you as often as it shall be your pleasure to communicate with me.

"Sincerely trusting that it will be your purpose constantly to lead your jurisdiction to greater membership and greater things, I am,

"Most sincerely and fraternally,

"JOHN B. COCKRUM, Grand Sire."

"Newport, Ark., December 24, 1910.

"Col. John B. Cockrum, Grand Sire, Indianapolis, Indiana:

"Dear Brother Cockrum: Your letter of November 4, 1910, to the Grand Master has been forwarded to me from Texarkana by Past Grand Master Louis Josephs, to whom it was addressed. I take pleasure in assuring you that I will unite with you in an earnest effort for the growth of the Order. We are doing our best in Arkansas in all branches of the Order and expect to be able to show a good percentage of increase when the Sovereign Grand Lodge meets. I am delighted to receive a personal letter from the Grand Sire, urging upon the Grand Officers to exert their utmost power in disseminating the principles of the most practical charitable secret fraternal Order on the globe. I agree with you that its principles are worthy of the best efforts of all good men. So far as I know, a personal letter from the Grand Sire on behalf of the Order is out of the usual doings of the ordinary Grand Sire, and I congratulate you, as well as thank you, for the encouragement your letter gives.

"As to the affairs in Arkansas since my election: I have been having quite a strenuous time, and at our last session of the Grand Lodge we redistricted the State, and I am trying to find men who are loyal, capable and willing to give their time and ability to serve in the capacity of District Deputy Grand Master. I wish to make the office amount to something and make it an actual benefit to the Lodges, not to appoint brothers to the position to satisfy their ambition to hold an office with a little authority, but to make them what I think they were intended to be, field officers, directing the line

immediately under their command, giving full information to the Grand Officers, the progress the Order is making. I enclose you two letters which I have sent out this year, from which you may gather information as to what we are doing.

“With high esteem, I am,

“Sincerely and fraternally yours,

“M. M. STUCKEY,

“Grand Master of Arkansas.”

Indianapolis, Ind., U. S. A., December 27, 1910.

“M. M. Stuckey, Grand Master, Newport, Arkansas:

“Dear Brother Stuckey: I am in receipt of your welcome letter of the 24th, setting out the great work your jurisdiction is doing. It has long been a source of personal satisfaction to me that Arkansas has come to the front the way it has, adding to its membership and growing strong in the work of fraternity. For the year 1911 I wish for you and your jurisdiction every prosperity and happiness.

“With kindest regards, I am,

“Most fraternally yours,

“JOHN B. COCKRUM, Grand Sire.”

. GRAND LODGE CHARTER.

Immediately upon entering upon my term of office, I discovered that there was no charter for this Grand Lodge, nor for the Grand Encampment of this jurisdiction; that they both had been destroyed in a fire which had burned up the office of Brother J. B. Freidheim, while he was Grand Secretary, destroying these two charters, with some other records belonging to the Grand Secretary's office. I at once set to work to procure from the Grand Sire a duplicate Charter for both the Grand Lodge and the Grand Encampment. Both of which were issued in due time and proper form by the Grand Sire, and we now have at this session of the Grand Lodge a Charter present for the first time since our Charter was destroyed by fire, and I am proud to say that we are now complying with the law, which requires the presence of a Charter every time that the Grand Lodge is in session.

UNIFORM CONSTITUTION 1910.

I call attention that many of the lodges have not been working under the Uniform Constitution adopted in 1910, and did not know that there had been a change made by the Grand Lodge. Each lodge should have been furnished with a copy of the new Constitution, so

that all the questions propounded to the Grand Master for his decision would be based upon the same law, which has not been the case. Many lodges have sent in amendments to their by-laws and new by-laws have been forwarded, but articles 19 and 20 of the Uniform Constitution 1910, and section 6 of article 14 of the Constitution of the Grand Lodge, make no provision for the Grand Master to approve any of these in vacation. Some provisions should be made in this regard.

I call attention that section 4 of article 6 of the Uniform Constitution provides that the regular dues shall not be less than \$3.00 per annum, and that section 1 of article 8 provides that the amount paid for sick disability shall not be less than \$2.00 per week for the first year, and in no case shall the amount paid for sick benefits exceed per week one half of the amount charged for annual dues. Many of the lodges had fixed their annual dues at \$3.00 and many more at less than \$4.00, could not comply with the provisions of section 1, article 8, without a change in their by-laws, and this change, according to my construction, could not be made without the consent of the Grand Lodge itself. This matter should be modified. In many instances it does not appear that the Constitution of 1910 was superior to the preceding Constitution, which was compiled in 1907, and annotated by Brother A. D. DuLaney, and I recommend that certain changes be made so as to conform to the needs above referred to. I have asked Past Grand Master Donnell to prepare certain amendments in accordance with the above recommendation to be presented at this session of the Grand Lodge.

DEATH OF PAST GRAND MASTER CLARK.

On July 29, while on a tour of visitation, and while visiting Parkin Lodge No. 296, in fact, while I was delivering my address, the Grand secretary, who was with me, received a telegram conveying the sad intelligence that Brother Past Grand Master Adam Clark had passed away, which information I announced to the audience, at the same time paying to our deceased brother such a tribute as I in my feeble way could. Of Brother Clark it could have been written as of Abou Ben Adam, truthfully "He loved his fellowmen." He likewise was loved by all, for he was frank, open and guileless, caring nothing for this world's goods, he sought to do what he could. He was the Senior Past Grand Master, having become a member of the order when it was an infant in this State, and for many years was a contributing member. He didn't join because it was a popular organization, but for the grand principles it taught. He was seen at every Grand Lodge, not active in trying to control things according to his own idea, but acquiescing in what seemed to be the contentions of the good men of the order, he having confidence in their judgment and fidelity. Brother Paul, Brother Pardee and I at once started on the

first train for Arkadelphia, Brother Paul having notified by telegram all elective Grand Officers and Past Grand Masters that the funeral of Brother Clark would be held at Arkadelphia on the next day, and requesting them to be present. Quite a number of the members of the Grand Lodge were present. The funeral services were held at the Methodist Church under the auspices of the Grand Lodge, the pall bearers were the members of his own Arkadelphia Lodge No. 222, which attended in a body, and accompanied his remains to its last resting place. The hour of 6 o'clock having arrived when the funeral march to the cemetery began, and the Grand Officers were compelled to take the train then due in order to meet an engagement which was made for a public meeting at Piggott on the next day. Thus it is that this jurisdiction has suffered great misfortune by the death this year of two of its most loved Past Grand Masters, A. C. Jones of Hot Springs, and Past Grand Master Adam Clark of Arkadelphia.

FRATERNAL PAPERS.

It is important that the members of the order should take and read fraternal papers. There are many published in the United States. In Arkansas we have two, The Sovereign Odd Fellow, which gives the news pertaining to the entire Sovereign jurisdiction, and frequently has articles in it from the Grand Sire and from the Grand Secretary of the Sovereign Grand Lodge, and from many other high sources. There is much important matter in it to all Odd Fellows and should be read by all. Its price is but twenty-five cents per year, which is within the reach of all. It is published by Brother A. C. Veach, of Gravette, Arkansas. I especially call attention to the Beacon Light. This is the official organ of this jurisdiction. It is intended to contain news from every lodge within the State, and information regarding the acts of the Grand Officers, so that all members within the State may be in close touch with each other. Brother Paul, the Grand Secretary, is now its managing editor, and whatever appears in this paper from now on relative to the lodges in this State will be official. If you desire to be informed about the progress of the order in your own jurisdiction, you cannot afford to be without it, and I urge upon all Odd Fellows to subscribe for it. You will be more enthusiastic by having read it and placed it in your home.

APPEALS FOR AID.

I have had many requests from lodges for permission to send out through the jurisdiction, appeals for aid, on behalf of some person to whom the lodge feels under obligations. I permitted fifteen to go out. I have refused as many more. These appeals have become so

numerous that they have become burdensome, and many of them are an abuse upon the charity of the order. I have not granted an appeal except where I thought the beneficiary to be in dire distress. Many requests have come from lodges, asking permission to send out an appeal asking other lodges to contribute to them, and help build a hall, because theirs had been destroyed, either by fire or cyclone. These I refused, because the great majority of lodges do not own their own halls themselves, and it would be an imposition to ask them to help buy for another lodge what they could not do for themselves, and for another reason, a lodge owning its hall should have it insured, and thus protect itself against such misfortunes. Lodges have also requested to send out an appeal for persons who had thus lost their homes, they owning the land upon which they stood, and for the very same reasons I refused these appeals. Two letters that were written by me and published in the Beacon Light in September gives a fair insight into these requests, and my reason for refusing them. These appeals have become so burdensome that the brotherhood does not so willingly respond to them now as it once did, because their charity and generosity has been abused by appeals for aid for persons and lodges who are not entitled. I suggest that all lodges that are thinking about sending out an appeal for aid should consider well the subject, and satisfy their minds that the person or lodge was really in such a condition as to warrant a request for charity. One who is able to support himself, and at all tide himself over the rough shoals of misfortune, should blush to ask charitable aid. However there are those who are in dire distress, and need this aid, the hand of every Odd Fellow should always be open and free to give and practice charity, the greatest of all virtues.

Brothers, consider well your action and condition before you act, and when needed, I pray to God that every Odd Fellow may give as freely and with as good a motive as the widow who gave her mite.

One lodge has asked permission to send out an appeal for contribution to aid in erection of a memorial hall. This permission I have refused to give. Letters have been sent out to different lodges asking them to request the Grand Master to grant permission to send out this appeal, but if every lodge in the jurisdiction had made this request, I still would not have granted it, until after I had made known the facts in the case. I refused the request because it is not deserved, and it is not right to grant it. Should the Grand Lodge desire to know more of this matter, I will be present, and can be heard from more fully than I can afford to take the time or space in this report to give the facts.

DISPENSATIONS.

I have granted dispensations for the consolidation of Slaytonville Lodge No. 395 with Lone Five Lodge No. 43; Medelia Lodge No. 325 with Fairbanks Lodge No. 371, and Jansen Lodge No. 74 with Hatton Lodge No. 209. This because of the weak condition of those lodges and the nearness to the lodges with which they were consolidated. These consolidations were made and the charters of Slaytonville Lodge, Madelia Lodge and Jansen Lodge have been surrendered and returned to the Grand Secretary's office, having three good lodges now where we had six very poor ones before. I also took up the charter of Hiram Lodge No. 316, and I believe that it would be for the good of the order if the charters of all lodges which are dormant and do not take interest enough in the order to keep alive and send in their semi-annual reports and contribute their pro rata parts of the per capita tax, were taken up. Certainly a dormant lodge is no credit to the order, nor to the members whose names are on its roster, nor are the members a credit to the great army of brotherhood which is striving for the amelioration of the human race. These members of dormant lodges are but stragglers from a great army, which is marching on to victory.

I have granted dispensation under section 12, article 1, of the Uniform Constitution to the following lodges: Nos. 160, 103, 540,

I have granted dispensations to elect a Noble Grand from among Scarlet Degree members, there being none other qualified or who are willing to serve in the following lodges:

Nos. 389, 233, 495, 419, 46, 563, 326, 392, 71, and Rebekah lodge No. 205.

I also granted dispensations under section 3, article 6 of the Uniform Constitution to the following lodges: Nos. 160, 103, 540, 12, 258, 287, 317, 360, 403, 314, 370, 555, 540, 280, 366, 505, and to all lodges a general dispensation for April 26, the Anniversary Day, so that we could have a grand rally day; but after a thorough investigation and observation of the effects, am of the opinion that to issue a dispensation for a grand rally day is poor policy. People desiring admission to the order wait until they can get a reduction of rates and the members of the lodges remain inactive and do not make any efforts until a special inducement is given them. The consequence is, that many of the lodges do not have a steady growth. Had I known as much about the effects of such dispensations before as I know now, I would not have granted it.

I therefore suggest that the Grand Lodge express its disapproval of the same and suggest to the future Grand Masters that they do not adopt this precedent as I have done.

REBEKAH LODGES.

The Rebekah Lodges for the most part are in a satisfactory condition. The resignation of the Secretary, Sister Madora Reed, for time being caused some little halting in the work, for Sister Reed was well informed in the work of the Rebekah Lodge, and for the time being we felt her loss very much, but the appointment by the President of Sister Adelaide Horton, of Fort Smith, as acting Secretary, has proven to be a wise one. She at once adapted herself to the work and has been making a very efficient Secretary, and understands well the needs of that branch of the order in this jurisdiction. After an investigation and with the advice of the President of the Assembly and the Secretary, I restored the charter of Lead Hill Rebekah Lodge No. 226, since which time it has been moving along smoothly and doing good work.

I directed that the charter of dormant lodges, where there was not strong presumption and encouragement for reviving them, to be taken up, and that books and papers be taken charge of by the officers of the Assembly. These lodges, Sister Guler and Sister Horton have been looking after as best they could. Taking it as a whole, I think the Rebekahs are in a reasonably encouraging condition. This branch has much to do with the subordinate branch and should be encouraged, but they have yet to learn that the sisters must be subserviant to the law. Not being accustomed to being governed by any set rule, each member thinks she is a law unto herself. Sometimes the brothers have interfered with the management of the Rebekah lodges and in almost every instance where they have done this they have caused trouble. It does not seem, either, that many of these lodges have provided themselves with constitutions and by-laws, and are, therefore, ignorant of the law of governing them.

My relations with the officers of the Assembly have been very pleasant, and they have seldom acted in matters of vital importance without first consulting me. I extend to them my kindest recollections and thanks for their uniform courtesy.

PROFICIENCY IN WORK.

It became known to me that the lodges were advancing members from one degree to another without requiring the member to be able to repeat the obligation of the degree which he had just taken, holding that if he could answer a few questions in regard to the secret work he was then proficient enough to be advanced to the next degree. I accordingly wrote a letter to each lodge asking how many members of the lodge could repeat the obligations, and to my astonishment there were very few members in the entire jurisdiction who could repeat the obligations and in no lodge could the entire membership

do so. These obligations impress upon us our duty, and should be made a part of ourselves. They should be written upon our minds and hearts and consciences as letters stamped upon adamant, ever at our command, thus making us realize what we had voluntarily taken upon ourselves when we became members of this great brotherhood. A lodge cannot be too insistent upon requiring its initiates to commit to memory the obligations. They remind us of our duty and what we have promised, in espousing the great principles, so beautifully illustrated by our ritual. Without these obligations on our minds, we do not realize what we have promised to do and are therefore lax in our living as measured by the grand principles which we profess to adhere to.

Acting in line with this idea, and the selection of deputies for the ensuing year (to which I referred in another paragraph in this report), and other matters, I conceived the idea of sending out Official Circular No. 2, of which the following is a copy:

Office of Grand Master

Independent Order of Odd Fellows of Arkansas.

Official Circular No. 2.

Newport, Arkansas, August 15, 1911.

*To District Deputies and Officers and Members of Subordinate Lodges
I. O. O. F. of Arkansas, Greeting:*

We are now fully entered upon the second semi-annual term of Subordinate Lodges and approaching the end of the Grand Lodge term and the session of the Grand Lodge for 1911. The membership has been reasonably enthusiastic and the order has made satisfactory progress during the year.

SELECTION OF DISTRICT DEPUTIES.

The action of the Grand Lodge at its last session in constituting each county a district has proved beneficial, but it is probable that in a few instances these lines should be modified, on account of the great number of lodges in some counties making it impossible for one Deputy to visit all of them as required by law, and in other instances where the transportation facilities are such that he cannot fulfill his duties, but on the whole the arrangement has been successful, after the Grand Master secured information so that he could appoint them. Many did not hold meetings to select some one and recommend him to the Grand Master and several that did hold them made no report as requested, and others delayed their report so that the Grand Master could not wait longer, and had to appoint some one from the best information he could obtain from records and his own information.

This should be avoided in the future. The Lodges of each district should get together and select some Past Grand (who will devote his time and is interested in the work) and recommend him to the incoming Grand Master. This information should be furnished to the Grand Secretary before the meeting of the Grand Lodge, so that the Grand Master will have the information and may appoint them immediately upon his installation if he desires. These recommendations should be made through county associations where they exist.

I direct a meeting of the lodges be called by the District Deputy at some convenient place in each county for September 23 to make this selection, and the secretary of said meeting is directed to report the selection immediately thereafter to the Grand Secretary.

MEMBERS OF GRAND LODGE.

I call especial attention to section 1, article 4 Constitution of the Grand Lodge that no person is allowed to sit in the Grand Lodge unless the Subordinate Lodge to which he belongs has paid all sums due the Grand Lodge and sent the semi-annual report to the Grand Secretary on or by September 30. See that your lodge pays its tax and sends in its report. It is no excuse that it may have exhausted its treasury in paying benefits or lost it in bank failures or fires; prudence demands that you protect yourself against these by following closely our law in always keeping enough in the treasury to pay dues, and levy assessments when needed to pay benefit, and applying modern business methods by bonding your officers and insuring your property against loss by bank failures or fires.

EXEMPLIFICATION OF WORK.

The degree will be exemplified at Little Rock during the session of the Grand Lodge by an expert degree staff and in a place large enough for all who attend to witness it. It is desired that as many of the members throughout the jurisdiction as can be present, do so, as this exemplification is intended to be a school of instruction in team work. You do not have to be a Past Grand to be present. You will be entertained as well as instructed. I request every Odd Fellow that can, to come.

Preparation is being made by the brethren of Little Rock to entertain the greatest number ever attending any session of the Grand Lodge.

OWNERSHIP OF HALLS.

I request every lodge who owns its hall to report the same to me as soon as convenient, stating whether you own the ground and entire

building or only own the upper story. I also request those who rent to report the same. I desire this data before the meeting of the Grand Lodge.

Sincerely and fraternally yours,

M. M. STUCKEY, Grand Master.

Attest: JNO: P. PAUL, Grand Secretary.

It will be seen that in this letter, I called attention to the necessity of subordinate lodges paying their per capita tax before any member of a lodge could sit in the Grand Lodge because this is the law. Lodges which had not paid their per capita tax have frequently sent representatives to the Grand Lodge, who sat in it and participated in its legislation just the same as other lodges which paid its per capita tax, and it frequently occurs that the member of a lodge would ask that his lodge be exempted from the payment of a per capita tax, because they had been paying sick benefits, or that they had lost their hall by reason of a cyclone or a fire, or by reason of a bank failure their treasury had been depleted. Some of these lodges whose time for the payment of per capita tax have been extended, have not paid them to this good day. It is no excuse for a lodge that its treasury is depleted by its treasurer having placed the funds of that lodge into an insolvent bank which failed. The law of our order requires that the treasurer of each subordinate lodge must give a solvent bond to be approved by the lodge before he is installed into office. To require this is not an insinuation that the person elected to this office is dishonest, but it is to protect the lodge, not only against his dishonesty, but against his mistakes and misfortunes and bad judgment, in placing his trust funds where they are liable to be lost, nor is it any excuse for a lodge that it had lost its home or its paraphernalia and other property by fire or cyclone. There are solvent insurance companies which for a small sum will insure a lodge against loss by these acts of Providence, and business prudence demands that each lodge have its property insured against such loss, so that in case it does occur the lodge will be able to rebuild or replace its property and go on doing good without interruption and not call upon the great body of the order in this jurisdiction to bear the burdens of its neglect to enforce its laws or exercise ordinary business sense, and I recommend now, that if they have not done so already, that every lodge in this jurisdiction have its property insured in some good and solvent insurance company against loss by fire or cyclone, and that District Deputies and the lodges themselves insist upon each person who is elected to a financial office in the lodge giving a good and sufficient bond for the faithful performance of his duties and the accounting for all money and property which may come to his hand by reason of his office, before he is installed or enters upon the duties of his office.

In this letter I also made a request for information regarding the ownership of halls. This letter was sent out to all District Deputies, to all Secretaries of subordinate lodges and to all Noble Grands. From the over six hundred lodges, I have only received answers concerning twenty-two lodges. Of these but eighteen are reported as owning their halls, and most of these are but second stories built on top of the first story, owned by some one else. The ownership of a hall in this way is better than no ownership at all, because it saves paying rent, but sooner or later differences grow up between the owner of the first story and the lodge who own the second story, this then causes trouble. I would urge all lodges, where it is at all possible, to erect and own their own hall, and own it from the ground up. The Odd Fellows Lodge is a body corporate and can own, buy and sell real estate, and whenever a lodge becomes the owner of its meeting place, it has then become a permanent organization and a fixture, ready and able, at all times, to do battle for the cause of humanity.

OBLIGATIONS.

Realizing that before one is entitled to a degree, he must take upon himself a solemn and binding obligation to live up to the teachings of that degree, and to keep inviolate the secrets of the order. So many complaints having come to me about the outside world being informed about matters which transpired in the lodge, about the refusal of officers of defunct lodges to surrender books and papers belonging to the lodge, the requests to advance members rapidly from one degree to another and other information, I conceived the idea of sending out the following letter:

M. M. Stuckey, Grand Master.

L. S. O'Neal, Grand Treasurer.

Grand Lodge I. O. O. F. of Arkansas.

Jno. P. Paul, Grand Secretary,

Newport, Arkansas.

September Sixth,

Nineteen Hundred Eleven.

To the Officers and Members I. O. O. F. of Arkansas:

By the number of letters I have been receiving from the various lodges requesting that they be permitted to confer more than one degree upon a candidate at the same night or to advance candidates rapidly in successive weeks from one degree to another, compels me to infer that section 1, article 5 of the Uniform Constitution is not fully understood and is not being enforced.

A candidate, having received one degree, he should not be permitted to take another unless he is proficient in the degree which has just been given him. That is, he must have committed to memory the OBLIGATION and be able to give an intelligent explanation of the secret work and its uses.

If lodges will insist upon having the obligation committed to memory, members of the Order will appreciate more fully the work and the duties they have assumed; nor will we have such trouble in qualifying officers elect prior to installation if every member of the Order has the obligation in mind. It is the taking and having the obligation on our mind that makes us realize our duties as Odd Fellows.

There are other orders which have longer obligations than ours, that require them to be committed before advancement. It is our law and should be strictly adhered to.

I specially request the secretary of each lodge in this jurisdiction to inform me AT ONCE how many members of his lodge has actually committed to memory and has now the obligation.

Inform me at once. I suggest as a means for everybody learning these obligations, that each night the entire lodge repeat in concert the obligation of some degree, until all the members have fully memorized it and made it their own.

Yours fraternally,

MMS—B.

M. M. STUCKEY, Grand Master.

To this letter I received answers from only fifty-six lodges; with the exception of but one they all promised to act upon the suggestion made in the letter to commit these obligations to memory. From the remaining lodges I received no response at all. I am sure that the great body of the order did not know that the committing of these obligations was requisite to proficiency to advance in the order. District Deputies should insist upon each member being able to repeat the obligation in each degree. It is law for the members to do so, and it will make him a better member to always have in mind his obligations. If we have a proficient membership, we will have more competent and qualified officers, who will be better able to intelligently instruct initiates as to their duties upon becoming an Odd Fellow. Their duties as such, as citizens, as husbands and fathers, and brothers of a common race. God speed the day when all Odd Fellows will have stamped indelibly upon their minds, hearts and consciences these obligations and thus remembering them, live up to them. Having been made pure in their hearts, loyal in their homes, patriotic in their citizenship, and fraternal to their fellowman, then

will man hail his fellowman with fraternal greetings, and falsehood shall be banished from the earth.

PERMANENT HOME.

While I am preparing this report, I get the information that a fire broke out among some papers in the rear of the Grand Secretary's office, on the night of the 20th inst. The front office was filled with smoke, and our Grand Secretary, with a determination to save the records, sought to enter the office, but was restrained by force at the hands of the police officers of this city, and prevented from entering, they claiming that it was almost certain death to permit him to enter. But his most efficient assistant, Miss Alice Bishop, a most brave, though frail, little woman, grasping the situation, and knowing where important records were, which, if not destroyed by fire, would be greatly damaged by water, not to be outdone, forced an entrance by the side door, unnoticed by the officers, regardless of the peril which the strong peace officers and firemen of Newport insisted would come to any one who ventured to enter, she did enter and carry out safely the important records of this Order. Thus illustrating the saying that "When a woman wills, she will." She deserves the everlasting gratitude of the Order in this jurisdiction; not only for her bravery, but for her knowledge of what to save, her very efficient service as assistant to the Grand Secretary, and her most splendid womanly qualities. She is a jewel.

None of the records or property of the Order were destroyed, but some of the property was damaged by water. This calls to mind the importance that some steps should be taken to secure all the records and archives of this Grand Lodge, by securing a fire-proof vault in which to keep them. It illustrates, too, the pressing need of a permanent home for the Grand Lodge and Grand Secretary. We were stepping in the right direction when we were levying a small assessment for this purpose, but this was discontinued by reason of the members not understanding its real purpose or its value, and not appreciating this pressing need of the Grand Lodge. As soon as possible, the fund which was raised for this purpose, and afterwards loaned to the Widows' and Orphans' Home Board, should be repaid, and small assessments again levied for the purpose of securing such a home as soon as practical. To my mind it is more pressing than any other particular matter we have at this time to consider. Besides, from a business point of view and the opportunities now prevailing, we would by small investment, comparatively speaking, make great profit. The values of property, thus secured, would greatly enhance and place us in splendid financial condition. This has

been the result in the jurisdiction of Missouri. They now not only have a permanent home, but are in splendid financial condition.

DECISIONS.

I have had many questions propounded to me by different members of the Order individually, but which were not of general interest, and I have answered them, and have not made a minute of them here, because they were only of local concern and interest, and did not think it was necessary to burden this report with them, but have given the following decisions:

Statement.—A brother is a member of a Lodge which has its charter arrested for misconduct. He petitions another for membership therein. The charter of said Lodge is afterwards restored.

Question.—Had he a right to visit other Lodges? And after the charter was restored, did he have a right to seek membership in another Lodge in whose jurisdiction he did not reside?

Answer.—No.

Statement.—A Lodge is indebted \$100.00 for its hall. A vote was taken to levy an assessment of \$1.00 per member, to be applied on said indebtedness.

Question.—Can the collection of this levy be enforced?

Answer.—No. See Busbee's Digest, section 1840.

Statement.—A Lodge has been paying benefits to a sick brother for several months. The Lodge voted an assessment of \$1.00 per month for January, \$.50 per month for February, and \$.25 per month for each month thereafter.

Question.—Has the Lodge the authority to make a continuous assessment?

Answer.—No. You can make one assessment at a time to relieve your treasury, it having been exhausted by payment of sick benefits. It cannot make an assessment continuous for each month without changing its by-laws.

Statement.—A Lodge sends its by-laws to the Grand Master for approval.

Answer.—The Grand Master has not been given authority by our present Constitution to approve or disapprove by-laws. He, however, should have it during vacation.

Statement.—A brother takes his withdrawal card from a subordinate Lodge in January, 1911, before the report for the term ending December 31, 1910.

Question.—Does the Lodge from which he withdraws have to pay per capita tax on him?

Answer.—Yes, for the term ending December 31, 1910.

Statement.—A brother paid his dues to October 28, 1910, was taken sick January 30, 1911, and died.

Question.—Is he entitled to sick and funeral benefits?

Answer.—No. He was in arrears more than thirteen weeks; in fact, thirteen weeks and two days. Section 1, article 8, Uniform Constitution.

Statement.—A member is in arrears and elected to office.

Question.—Was the election legal?

Answer.—Yes, but he could not be installed and enter into the duties of his office until the arrearage is paid, and if not paid within the time fixed by law for being installed, the office must be declared vacant. It is not good policy to elect members to office who are in arrears.

Statement.—A Past Grand is six months in arrears.

Question.—Can he install the officers or declare an office vacant?

Answer.—No; he is in no better attitude than any other member who is in arrears, and cannot vote or fill an office.

Statement.—A member of a Lodge in Missouri moved to Arkansas, makes application for membership on an official receipt in a Lodge in Arkansas. He is elected, the Missouri Lodge was notified, and a transfer certificate issued. Before it reached the Arkansas Lodge, the applicant for membership, who was a railroad cashier, became a defaulter; too late to notify the Missouri Lodge to refuse to issue the certificate.

Question.—Can the Lodge in Arkansas refuse him admission as a member, or to sign the Constitution.

Answer.—Yes, and should prefer charges against the member. See section 9, article 1, Uniform Constitution 1910.

Statement.—Our Lodge, some time ago rejected a man who applied for membership. The party who cast the black ball, thought that he was another man.

Question.—Will you grant us a dispensation to reconsider the ballot?

Answer.—No. I have no authority to do so. The Constitution or a by-law cannot be changed by dispensation.

Section 5, article 1, Uniform Constitution allows a reconsideration if had within four meeting nights next succeeding the rejection.

Question.—Has a suspended member a right to visit a Lodge?

Answer.—No. Neither his own or any other. His rights as a member are suspended.

Question.—Can a lodge suspend a member for nonpayment of dues at any time of the year?

Answer.—Yes. If he is in arrears in an amount equal to twelve months' dues, provided, always, that he has notice of his arrearage, and the intended action of the Lodge as required by our law.

Question.—Does a member, who has been dropped for nonpayment of dues, applies for reinstatement and is rejected, have to wait six months before applying again. 2. And does he have to pay assessments made before his suspension?

Answer No. 1.—No. Section 6, article 1, U. C. 1910.

Answer No. 2.—No. Not in addition to the regular fee, unless there is a special by-law of the Lodge requiring it. Section 2, article 6, I. B.

Statement.—A member's dues are paid to January 1. On October 15, he is voted \$4.00 for sick benefits; did not draw the same. Died January 1.

Question.—Is he entitled to funeral benefits.

Answer.—Yes. Section 4, article 8, Uniform Constitution 1910. Busbee's Digest, sections 52, 53, 54.

Statement.—A brother makes claim for sick benefits. His claim is referred to the Finance Committee.

Question.—Is this right?

Answer.—No. The books of the Lodge show his standing. It is the business of Visiting Committee within reach to know of his sickness. Otherwise he must send certificate as required by law.

Statement.—A Lodge asks the Grand Master for a dispensation, authorizing it to change the amount to be paid for sick benefits.

Answer.—He has no authority to do so. It is a change of the by-laws and in violation of the Constitution.

Statement.—A brother was a member of a Lodge when a new Lodge nearer to him was organized. He did not transfer, but remained a member of his old Lodge. The Lodge in whose jurisdiction he resides claims the right to make him take his regular turn with other members of that Lodge in sitting up with the sick of that Lodge.

Question.—Has it the right to do so, or is he subject to the Order of his own Lodge?

Answer.—He is subject to the order of the Lodge to which he belongs, and is not subject to the orders of the Lodge in whose jurisdiction he may reside, unless the same becomes his duty simply as an Odd Fellow.

Statement.—A brother had been suspended for misconduct.

Question.—How shall we prevent him from visiting other Lodges, he having an official receipt?

Answer.—You should notify the Grand Secretary, and he in turn should notify the Lodges in his jurisdiction. He has no right to visit, and if he attempts to do so, charges should be preferred against him and he be expelled.

Statement.—A person has been elected and taken a degree. He has been guilty of conduct not satisfactory to other members or thought to be becoming to an Odd Fellow.

Question.—Can the Lodge refuse to advance him?

Answer.—Yes. Section 13, article 1, Uniform Constitution 1910. Section 371, Busbee's Digest.

Statement.—Our Lodge meets every other Monday night. It is held by some that we get in thirteen regular meeting nights, and therefore should elect every six months.

Question.—Does this mean semi-monthly? Do we elect officers every six months or every twelve months? If we elect officers only every twelve months, must we pay our per capita tax and report every six months?

Answer.—Your Lodge meeting only every other week; this certainly means semi-monthly; therefore your election is the first meeting night in December, being held only once a year. You must make your report to the Grand Secretary and pay your per capita tax every six months.

Statement.—A brother was a member of the Order in Ohio. He was suspended for some violation of the rules, but the action of his Lodge was reversed by a committee of the Grand Lodge. He felt aggrieved and did not return to his Lodge, and did not take further action to reinstate himself in his Lodge. He moved to Arkansas and afterwards joined a Lodge in this jurisdiction by initiation.

Question.—Had he a right to do this?

Answer.—No. Having been initiated into the Order once, he could not be again, and a Lodge in this jurisdiction would not have any authority to admit him to membership without a card or certificate from the Lodge to which he belongs, and steps should at once be taken to expel him from the Order, unless he proceeds to reinstate himself in the regular way.

Question.—Is it proper to give instructions in the unwritten work at a District Association, where a Lodge is open in regular form and all present are qualified to remain and the meeting well guarded?

Answer.—Yes. With officers in their station and performing their duties in the regular way, being certain that the meeting is well guarded. It should at all times be under the supervision of the District Deputy Grand Master, or some representative of the Grand Lodge duly authorized.

Question.—Can a Lodge donate money to a brother who has not kept his dues paid so that he is entitled to benefits?

Answer.—Yes. He can donate it to him as a matter of charity, but he is not entitled to it as a matter of right. Busbee's Digest, section 512.

Statement.—A brother who was injured while playing baseball while in good standing. Benefits were refused to him by his Lodge.

Question.—Was this correct or was he entitled to benefits?

Answer.—He was entitled to benefits if he was doing nothing in violation of the law. Decision 29, page 23, Journal 1910, was made because the member was injured while violating the law. That is, playing baseball on Sunday.

Statement.—A brother lives in one jurisdiction and belongs to a Lodge in that jurisdiction. He desired to transfer to join a Lodge in another jurisdiction, and a committee was appointed to investigate his character.

Question.—Was this right?

Answer.—No. The Lodge to which he applied had no right to entertain his application at all. He must first get a withdrawal card or a dismissal certificate, and a waiver of jurisdiction, before the Lodge outside of the jurisdiction in which he resides could entertain his application at all.

Statement.—A sister belonged to a Rebekah Lodge in Indiana. She moved to Arkansas, failed to pay her dues in Indiana. She supposed she was dropped for nonpayment, which she thought severed her connection with the Order, joined a Rebekah Lodge in this State by initiation. She was written to by her Lodge in Indiana for her dues. She refused to pay them, claiming that she was not a member of that Lodge, but a Lodge in Arkansas.

Question.—Had she the right to do this?

Answer.—No. Having been initiated once, she could not be again, and could not join a Lodge in Arkansas without permission of the Lodge to which she belongs, and setting herself right therein. She must either pay her dues there and get a withdrawal card or transfer certificate for being suspended a dismissal certificate; otherwise, the Lodge in Arkansas would have no jurisdiction of her and could not become a member.

In line with the last two questions and answers, I have discovered that many persons who have been suspended from Lodges have joined other Lodges as initiates, and without making known sometimes that they had ever been members. This is in plain violation of the law, shows great dereliction on part of the Lodges in not requiring answers to question before initiation. A person once having been a member of the Order cannot again become a member without some showing from the Lodge to which he first belongs, and the Lodge that follows this practice should have its charter revoked.

Each Lodge should always have on hand the Constitution and by-laws, a Busbee's Digest, and follow them and the ritual strictly in the admission of members. Otherwise, the Lodge, as a whole, violates its obligation, and each member thereof is unworthy of membership in this grand and noble Order.

I have had submitted to me for my determination and decision, the following appeals and grievances.

Harrison Lodge No. 208 v. Parthenon Lodge No. 393.

Colt Lodge No. 531 v. C. D. Summers.

Graphic Lodge No. 286 v. I. W. Reavis.

G. L. Mathews v. Leola Lodge No. 565.

J. L. and Will Clawson v. Centerville Lodge No. 494.

R. J. Tate v. Gasville Lodge No. 84.

Robert L. Carr v. Chickasawba Lodge No. 170.
R. C. Rollins v. Houston Lodge No. 338.
G. W. Johnson v. Mountain Star Lodge No. 484.
B. Beeman v. Washington Lodge No. 365.
Ben Lodge No. 472 v. T. J. Turner.
Oak Bower Lodge No. 309 v. J. L. Hargrove.
J. F. Caveness v. Washington Lodge No. 365.
W. G. Vinson v. Minturn Lodge No. 257.
Lauratown Lodge No. 573 v. Minturn Lodge No. 257.
N. J. Taylor v. Home Lodge No. 63.
W. R. Buchanan v. Sidney Lodge No. 404.

Upon all of these matters I have rendered an opinion. Some of them, in fact, most of them, were handed down to me from the last Grand Lodge. Upon rendering an opinion, I directed the same to be carried into effect. Some of them I have been loth to enforce until I had your approval, or if disapproval, then, of course, I would not want to enforce it. My opinions rendered in these cases have been made after careful consideration, and with all the rights of the parties and the good of the Order at heart and in mind I have rendered them. I submit them to you for your consideration and approval or disapproval.

REPORTS OF DISTRICT DEPUTY GRAND MASTERS.

I have called attention to all the District Deputy Grand Masters, that under section 3, article 12, of the Grand Lodge Constitution, they were required to report to the Grand Master their acts and doings, and the condition of the Lodges in their District, but not all of these Deputies have complied in this respect. The following will give an idea of the condition of the Order in the different districts:

Arkansas County—W. G. Mustin, of Queen City Lodge No. 79, of Stuttgart, Arkansas, has failed to send in any report.

Ashley County—H. G. Long, of Lodge No. 280, Milo, Arkansas, was recommended and accepted service, but on July 12 he resigned because he was to leave the district, and Brother J. A. Kennard was appointed in his stead. He reports the Order doing nicely in his district.

Baxter County—J. A. Buchanan, D. D. G. M., reports the Order flourishing his district, but failed to send his annual report.

Benton County—D. L. Wheat, of Lodge No. 358, Rogers, Arkansas, is the deputy. This county is reported as thriving. Some new Lodges installed, but this district has so many Lodges in it that it has been impossible for one person to take the time and

visit all the Lodges in this district, as required by law. It is recommended that two districts be created in Benton County, and that it would be for the good of the Order to make two districts in this county, there being twenty-three Lodges in the district.

Boone County—W. A. Freeley, of Lodge No. 208, Harrison, Arkansas, has failed to send in his regular report, but the Grand Master has had much direct correspondence with different Lodges in this district, and can say that the Order itself is flourishing.

Bradley County—J. C. Hobbs, D. D. G. M., has failed to send in a regular report, but other correspondence shows that the Lodge in this county, there being but one, that at Warren, has been trying to build up, both in numbers and influence by requests for aid and dispensations, but apparently there is something wrong with this Lodge. A member of this Lodge having moved to Minneapolis, Minn., and elected to membership in a Lodge there, has been unable to get a transfer certificate. Correspondence ensued, and the Grand Master directed the issuance of this transfer certificate on October 2, but no response has come, either from the D. D. G. M. or any officer in this Lodge.

Calhoun County—J. V. Vance, D. D. G. M., of Lodge No. 301, reports that there is but one Lodge in his district; that this Lodge has initiated thirteen, dropped five for nonpayment of dues, one withdrawal and one expulsion, making a net gain of six. Financial standing of the Lodge is good. They own their hall, valued at about \$800.00, and owe on it about \$175.00. They have been doing good work, paying sick benefits and donating some for outside relief.

Carroll County—Mose Smith, D. D. G. M., of Lodge No. 82, Berryville, has failed to send in a report, but from outside information, the Grand Master has learned that the officers were duly installed for their respective terms, and that the order is in a flourishing condition.

Clark County—C. C. Shaw, D. D. G. M., of Lodge No. 222, Arkadelphia, reports the Order in a flourishing condition, and that they have organized a County Association, which held its first meeting at Arkadelphia on September 26, and that all brothers who attended this meeting were entertained splendidly by the brothers of Arkadelphia Lodge; that the meeting was a very successful one, and there was a determination upon part of the brothers to make the association a permanent one, and to meet regularly every year, so as to bring the Lodges in the district closer together.

He further reports, that he instituted a new Lodge at Graysonia with fifty-one members, conducted the initiation of seventy-

nine candidates in Clark County himself. Eighteen were admitted by card, eight reinstatements, and by special invitation, conducted the initiation of eighteen candidates in Friendship Lodge.

Clay County—V. E. Jewell, D. D. G. M., of Lodge No. 56, reports, and from other sources information is at hand that the Order in this county is in splendid condition; that a county association has been organized, that one meeting has been held where a very interesting programme was had, and much good done for the Order and bringing the Lodges closer together, thus making united efforts in behalf of the grand principles of the Order. Has granted two dispensations of minor importance.

Cleburne County—Joseph Carswell, D. D. G. M., reports that the Order is doing well; that it became necessary for him to take up the charter of Hiram Lodge No. 316, and that he had some trouble in findings the books and rituals. He also reports that he has been making an effort to revive Wilburn Lodge No. 403, but his efforts have not been very encouraging, and suggests that it would probably be better to withdraw the charter of this Lodge. The members are disregarding their moral standing and are much given to whiskey drinking, a practice which is a detriment to all concerned, and people who follow it should be weeded out of the Order as speedily as possible.

Cleveland County—L. P. Hamilton, D. D. G. M., of Lodge No. 160, Kingsland, Arkansas, has failed to send in his annual report, but peace and harmony appears to prevail. In this county they did not act upon the request of the Grand Master, to hold a meeting and recommend some one, but waited until December 22, and tried to hold a meeting, but failed to make a recommendation, the Grand Master acting alone upon the recommendation of Draughton Lodge No. 160.

Columbia County—H. L. Stewart, D. D. G. M., reports that he had installed the officers of Southern Lodge and Magnolia Lodge, but had no requests from Molten; that Magnolia Lodge is doing work every night, but Southern Lodge is rather at a stand-still because the brothers do not attend the meetings.

Conway County—A. L. Farish, D. D. G. M., of Lodge No. 405, has failed to send in his annual report, but reports from the different Lodges in this district show the Order is thriving, and much interest is being manifested.

Crawford County—G. C. Smith, D. D. G. M., of Lodge No. 16, Chester, Arkansas, reports the Order in a flourishing condition, that he has had much to do with adjusting matters with different Lodges and some individual members, but that he has been firm

in the enforcement of the law, and that peace and harmony seem to prevail throughout his jurisdiction. A county association was formed and bids fair to be of a permanent nature.

Craighead County—W. L. Crenshaw, of Mt. Zion Lodge, is D. D. G. M., but has failed to send in his annual report. From other correspondence, however, it may be said that the Order is doing well in Craighead County.

Crittenden County—Max Levy, of Lodge No. 336, Earl, Arkansas, D. D. G. M., has not sent in his final report, but two new Lodges have been instituted in this county, and much interest for the Order prevails.

Cross County—J. R. Gordon, of Lodge No. 367, is the D. D. G. M. He has sent in no final report, but much correspondence has been had with the Grand Master from this district. He attended a public meeting in Parkin, an Encampment was instituted there and much interest in the Order seems to prevail.

Dallas County—R. M. Jordan, D. D. G. M., of Lodge No. 104, Fordyce, Arkansas, has sent in no report, and the Grand Master has had very little correspondence with the members in this district. I cannot report that the interest which should prevail is much in evidence.

Faulkner County—Dr. J. A. Hutto, D. D. G. M., reports that owing to sickness in his family he was unable to visit all the Lodges and install the officers as was required by law, but that all were installed through the assistance of other Past Grands in his district, and that all the Lodges are in a prosperous condition. This is the district in which Past Grand Master J. R. Donnell resides, and he has always been ready to use his best efforts on behalf of the Order and has done much valuable service in aid of the Grand Master this year. The Grand Master was to have visited Center Link Lodge and Vilonia Lodge and deliver a public address at each of these places, but on account of sudden illness was prevented from filling the engagement; but the public meeting was had, and much interest for the good of the Order was manifested. Brother Hutto, having moved from the district, tendered his resignation in August.

Franklin County—H. S. Hopkins, D. D. G. M., of Ozark Lodge No. 220, reports that all the officers in his district were properly installed, that the Lodges are doing fine, and one new Lodge instituted. This county now has twenty Lodges, and it would probably be better if it were divided into two districts.

Fulton County—W. H. Wahlquist, D. D. G. M., of Mammoth Spring Lodge No. 23, has not sent in his annual report. The Grand Master, however, visited this district twice during the year. Once

he assisted in organizing an Encampment at Camp. Another time he attended the reunion of the Blue and the Gray, and on Fraternal Day delivered the address on behalf of the Odd Fellows. The members of the Order turned out in splendid numbers and made a fine showing. The audience that greeted the Grand Master was said to be the best audience of the week, and showed that Odd Fellowship in this district is in the ascendancy. It is the home of both Past Grand Master George D. Robins and Past Grand Master George T. Humphries. Brother Robins introduced the speakers on Fraternal Day, and it seems to be the height of his ambition to do something for the good of Odd Fellowship.

Garland County—Z. S. Denman, D. D. G. M., of Lodge No. 105, Hot Springs, Arkansas, has failed to send in his annual report, but much good is being done for the Order in this county. Much relief is being dispensed at Hot Springs to many members of various jurisdictions, and one in need from a foreign land, visiting Hot Springs, certainly finds there a friend and a brother. This was the home of our late beloved Past Grand Master A. C. Jones, who departed this life on the 27th day of March, 1911, and was buried with the honors of the Order. All of the Grand Officers and Past Grand Officers attended in a body. This action was appreciated not only by members of the Order but by all the inhabitants of Hot Springs, and many encoumiums were passed upon the action of the Order. It is thriving in Garland County.

Grant County—V. A. Ashcraft, D. D. G. M., of Lodge No. 233, Sheridan, Arkansas, has not sent in his regular annual report. Some trouble with Viola Lodge, in which Brother G. L. Matthews was complainant, was adjudicated, and is referred to the Grand Lodge for its approval. Otherwise matters are moving along smoothly in this district.

Greene County—Brother A. C. Neeley, of Lodge No. 237, Paragould, the District Deputy Grand Master, has not sent in the usual annual report, but a semi-annual report gives us the news that the officers have been installed in the usual form, and that matters were moving along harmoniously. In this county they did not hold the meeting, and Brother Neeley was the selection of the Grand Master himself.

Hempstead County—Barbee Coopwood, of Lodge No. 489, Blevins, Arkansas, says: "I am glad to report Odd Fellowship in my district is moving along nicely. I made one trip to Wallaceburg, installed the officers at the regular time; also to Ancor Lodge at Hope; finally got the officers installed, and everything is moving along nicely. Visited Ozan Lodge No. 600, where a meeting was held for the purpose of selecting a Past Grand to recommend to the incoming

Grand Master for District Deputy and selected Brother John V. Coopwood. Much enthusiasm was shown on behalf of the Order."

Hot Spring County—Ed. Brown, D. D. G. M., of Lodge No. 198, Malvern, Arkansas, has not sent his annual report, but from outside sources it is shown that the Order is flourishing there.

Howard County—S. M. Weaver, D. D. G. M., of Lodge No. 181, Nashville, Arkansas, has not sent in his annual report, but peace and harmony prevail.

Independence County—N. M. Alexander, D. D. G. M., of Lodge No. 4, Batesville, has failed to send in his annual report, but from other sources we can truly say that the fourteen Lodges in that district are flourishing.

Izard County—T. E. Milburn, D. D. G. M., of Lodge No. 57, Calico Rock, Arkansas, reports that the Lodges had their officers installed in due time, and most of them held anniversary celebrations and are in good shape. Odd Fellowship is thriving in the district; the members are becoming better versed in the law and more familiar with the unwritten work. The redistricting of the State has proved of great benefit. The unfamiliarity with the unwritten work is the greatest drawback with which the Order has had to contend.

Jackson County—J. C. Herron, D. D. G. M., has not made any report. This county is the home of the present Grand Master and the Grand Secretary. They saw to it that the officers were installed. One new Lodge was established at Tupelo; a public meeting was held by Martin Lodge No. 372, where the Grand Master addressed a very enthusiastic audience. The county has made great gain in membership and everything is moving along smoothly.

Jefferson County—W. J. Perring, of Lodge No. 224, Pine Bluff, Arkansas, the D. D. G. M., has not sent in his annual report, but the Order is flourishing in this county.

Johnson County—Brother W. O. Hill, Lodge No. 165, Oark, Arkansas, D. D. G. M., has sent in his regular report, and from various other communications we know the Order has been getting along very smoothly in this district. There are twenty Lodges in this county, and it would probably be better if it were divided into two districts. The deputy has visited many of these as he could find time and installed, or had installed, all officers. He reports the attendance small and the financial condition of some of them embarrassing, but they have organized a county association, where they meet together, get acquainted and work together unitedly in the upbuilding of the Order. Ezel Lodge, of this district, had not been meeting regularly, but it promises now to take on new life. Har-

mony prevails in this district, and the Lodges are practicing the principles of the Golden Era, "Peace on earth and good will toward men."

Lafayette County—A. J. Chanderler, of Lodge No. 142, Stamps, Arkansas, the D. D. G. M. has not sent in his annual report, but we have been kept unusually well informed about the affairs in Lafayette County by Brother R. J. Hughes, the very efficient Secretary of Stamps Lodge. The Grand Master and some other Grand Officers visited this Lodge, where two days' sessions were held, and Encampment was organized with forty odd members; the degrees were put on in the Subordinate Lodge by the degree staff, which is one of the best in the entire jurisdiction. Much enthusiasm prevails in this district and the Order is progressing finely. Everybody was well pleased at the public meeting, where addresses were delivered by Past Grand Master Josephs, Past Grand Master Wright, of Louisiana, and your Grand Master. The Order in this district is a very bright star in the firmament of this jurisdiction.

Lawrence County—Brother J. B. Wells, Lodge No. 578, of Laura-town, D. D. G. M., reports the Order in a flourishing condition. One new Lodge has been instituted at Annieville, and they are just now completing their own hall. Two Encampments have been instituted, one at Imboden and one at Hoxie. The Subordinate Lodge at Hoxie has very recently moved into its new hall. A two-days' public meeting was held at Walnut Ridge, when the Grand Master, the Deputy Grand Master and General W. K. Surridge addressed the people. The degrees were put on by the degree staff from Imboden Lodge to the satisfaction of everybody. Crowds of Odd Fellows from all over northeast Arkansas were present at these meetings and showed great enthusiasm.

Lee County—W. D. McLean, D. D. G. M., reports quite a number dropped, on account of nonpayment of dues, and but few new members gained, with one member expelled on account of conduct unbecoming an Odd Fellow.

Lincoln County—R. C. Crow, D. D. G. M., of Lodge No. 394. The Order in this district has not been thriving. Star City Lodge is dormant, and, though the deputy has done his best, he has been unable to get new life into this Lodge. He was directed to take up the charter and effects; the members were willing to give up the charter and books, but were not willing to give up the regalia and other effects and asked more time to think about it. Garnett Lodge is getting along harmoniously, taking care of the sick and contributing to all calls for aid.

Little River County—A. D. DuLaney, D. D. G. M., Lodge No. 111, reports that the membership in this district is greater in each Lodge

than it was last year, and that there have been very few suspensions for nonpayment of dues; that fifteen members of the two former Lodges, No. 261 and 431, located at Foreman, and whose characters were withdrawn, have united with other Lodges as ancient Odd Fellows. A special session of the Grand Lodge was held at Ashdown, at which the Grand Master, Grand Secretary and other officers were present, and was a great help to Odd Fellowship in this district. The Lodges and members are at peace with each other, and are trying to live according to the tenets of our Order.

Logan County—C. C. Hogan, Lodge No. 481, Corley, Arkansas, D. D. G. M., reports the installation of all officers in due time, and the organization of a county association to look after the sick, the widows and orphans, defunct Lodges and delinquent brothers. That he has revived two Lodges, one at Booneville and one at Ione, and everything appears to be moving along harmoniously. The county association met in September but failed to select some person to recommend for D. D. G. M. for 1912. However, a meeting was had on the 23d of September, when Brother C. C. Hogan was again selected. There is some opposition to the present way of districting the State, and a sentiment in favor of each Lodge being a separate district; but it is thought that when the members become better acquainted with the present organization they will be satisfied.

Lonoke County—Dr. A. A. Kaiser is D. D. G. M., but in August he tendered his resignation for the reason he was leaving the State; but during the term he visited three of the Lodges once, his home Lodge twice, and made strenuous effort to revive Carlisle Lodge. He took the team from his own Lodge there, consisting of twenty-five men, but the Carlisle Lodge seemed to be at outs with the world and it was recommended that the charter of this Lodge be taken up. Lonoke Lodge offered to put on the degrees at the Grand Lodge with its degree staff, which is a very excellent one, indeed, and is doing splendid work.

Madison County—Brother Chas. E. Crawford, D. D. G. M. of Lodge No. 2, has not sent in his annual report, but from various sources we learn that the Order in this district is thriving, and has fifteen very live Lodges in it.

Marion County—W. H. Bryant, D. D. G. M., of Lodge No. 545, has not sent in any report. There are four Lodges in this district and each have been doing excellent work.

Miller County—P. G. M. Louis Josephs is the D. D. G. M., and reports as follows:

Texarkana, Ark., October 15, 1911.

To The Hon. M. M. Stuckey,

Grand Master, I. O. O. F. of Arkansas,

Newport, Ark.

Dear Sir and Brother:

In compliance with the wishes of the Lodges in Miller County, as expressed by their ballot in electing me District Deputy Grand Master, and in compliance with your wishes for me to accept the appointment of said office, after being duly recommended to you for said appointment by the election above referred to, I accepted the appointment that I might as such D. D. G. M. continue to do what I could for the good of the Order and assist you as far as lay in my power in your many arduous duties as my successor in the honorable office of Grand Master.

I have personally installed and caused to be installed the officers of the various Lodges in my district when the proper time arrived for the performance of this duty.

I have not visited any of the Lodges officially subsequent to the installing of their officers, but have paid them visitation at the quarterly meetings of Miller County I. O. O. F. Association, which was organized last January on your suggestion, and, I am proud to say, with better results and more benefits to the fraternity in my district than our best hopes anticipated.

The first meeting was held at Fouke, the second at Texarkana, in April; the third at Dodd Ridge, in July, and the fourth at Rondo, on the 13th of this month. The meetings were in the nature of celebrations, to which the public were invited, that they might learn, through the speakers, the beauties and benefits of our Order.

The Order is prosperous in Miller County and the spirit of Odd Fellowship is advancing and the membership increasing.

On behalf of the district, I again tender our thanks to Brother Paul, to Brother Pardee, and to yourself for your visitations during the year. They were appreciated as only Brother Odd Fellows can appreciate the efforts of their Grand Officers.

Fraternally yours,

LOUIS JOSEPHS,

D. D. G. M., Miller County District.

Mississippi County—R. L. Williford, of Lodge No. 277, of Manila, has not sent in any report, but from various sources, it appears that

they have six live Lodges in this district. Chickasawba Lodge of Blytheville has had some dispute with one of its members, Brother R. L. Carr, about sick benefits, which matter the Grand Master himself attempted to adjust, but failing to do so, the attention of the Grand Lodge will be called to it. A first degree murder was the effect of a rejection of a certain person in Dell Lodge, in which Brother Smith was killed by a man by the name of Walker. The Supreme Court has recently affirmed the judgment of the circuit court against Walker for murder in the first degree. This called to the attention of the Order that actions upon application should never go to the outside.

Monroe County—Bud Wallace, D. D. G. M., of Lodge No. 26, Brinkley, Arkansas, reports his Lodge in prosperous condition, with not a suspension in the Lodge; nine initiates, and the finances of the Lodge in splendid shape.

Montgomery County—J. M. Wilson, D. D. G. M., of Lodge No. 352, Oakwood, Arkansas, makes an annual report, and from various communications received from him, the Order is in a flourishing condition. This Deputy reports that he has visited all the Lodges in the county from one to six times. Has had few points of law to decide and decisions of the Noble Grand which were referred to him have been settled satisfactorily. They have organized a County Association, which recommends that the county be divided into two districts. The eastern district, including Cedar Glade, Buckville, Ruby Hill, Oakwood, Story and Ouachita; the western district to contain Caddo Gap, Homestead, Mazarn, Mt. Ida and Oden. They recommend M. V. Pool as Deputy for the eastern district, and Sion Smith for the western district.

Nevada County—George H. Hays, D. D. G. M., fails to send in his annual report. Not much progress is reported in this district. Some trouble was had in this district, but matters were adjusted and peace and harmony seems now to prevail. Attention was called to the officers of this Lodge not keeping us their accounts, from which dissatisfaction grows, but affairs seem now to be such as that progress may be made.

Newton County—J. B. Caulderhead, D. D. G. M., of Lodge No. 469. The order in this district is flourishing. Some contention was had between Parthenon Lodge No. 393 and Harrison Lodge No. 208, about a claim by Harrison Lodge for relief furnished one of the members of Parthenon Lodge. The matter was referred to the Grand Master, who had it adjudicated, leaving Parthenon Lodge indebted to Harrison Lodge in some considerable amount. The brethren of Parthenon Lodge at first did not feel that it was right for them to pay the amount, but have since said they will try to do so. The matter

will come before the Grand Lodge, but the Order appears now to be in good shape. There are ten Lodges in this county. It is very mountainous and the transportation is very poor, it being hard to get from one Lodge to another, but he believes that the county district is the proper way to do the work and will give more satisfaction than any other. He says: "I have done all I could under the circumstances and appreciate the favor of being made Deputy of the good old county of Newton." He has not shirked any duty as he saw it, and is glad that he can report the Order in Newton County in fair condition.

Ouachita County—Rev. W. J. Sexton, D. D. G. M., of Lodge No. 107, has not sent in any report, but there are eight live Lodges in this district.

Perry County—M. E. Howard, D. D. G. M., of Lodge No. 561, reports that he has installed all officers who are entitled, and that the Lodges are in good working order, but that none of the members have memorized the obligations or charges. That as far as the officers have been able to go is to open and close without a ritual.

Phillips County—J. A. Spence, D. D. G. M., of Lodge No. 192, has not sent in any report, and we have but little encouragement from this district, there being but one Lodge in it.

Pike County—E. C. Widener, D. D. G. M., of Lodge No. 243, Pike City, Arkansas, reports eleven Lodges in this district, and all seem to be in good working order, but with not very much enthusiasm. Some of them are quite a long way from the railroad, and hard for one Deputy to visit all as required by law. He suggests that the county be divided into two districts. The western district to include New Hope, Star of the West, Daisy, Lodi and Kirby; and that Antoine, Delight, Fidelity, Glenwood, Rosebow and Pike City be placed in the eastern district. He also reports that the attendance at the Lodges is small as compared with the membership.

Poinsett County—W. R. Moyer, of Lodge No. 149, was first appointed Deputy for this district, but his private business proved to be so pressing that he was unable to give the office the attention he felt it demanded, and Ira Walters of Harrisburg was appointed in his stead. He has made no report of his doings. From outside sources, the Lodges in this district have been doing fairly good work, with the exception of Lepanto Lodge, which has been dormant for some time. The Grand Master has made an effort to get some one to try to revive this Lodge, but was unable to do so. It should have a good live Lodge as there is plenty of good material, well disposed to the principles of our Order.

Polk County—S. L. Lindsay, D. D. G. M., reports the Lodges in splendid shape in this district, with Mena Lodge No. 152 owning its

own hall, a two-story building, and two lots valued at \$9,000.00, and only an indebtedness of \$2,000.00 thereon, and recommends that the county be divided into three districts, with Mena, Dallas, Rockey in one district; Cove, Hatton and Grannis in another, and Cherry Hill, Board Camp and Big Fork in another. The Grand Master, Grand Secretary and Grand Warden visited this county and held a public meeting at which Grand Master Stuckey and Grand Marshal DuLaney delivered addresses, which were well received, and great enthusiasm prevails throughout the district. By direction of the Grand Master, Jansen Lodge No. 74 surrendered its charter and was consolidated with Hatton Lodge No. 209 on September 9.

Pope County—Sam Davis, D. D. G. M., Lodge No. 153, reports the Order flourishing in this county as a green bay tree, it having nineteen Lodges within the district; that the number is too great for one Deputy to look after and visit all the Lodges as required by law.

Prairie County—Dr. J. C. Gilliam, D. D. G. M., Lodge No. 473, has not sent in any report, but from other sources it appears that the membership is working for the good of the Order, and members trying to perfect themselves in the principles of the Order by studying the obligations and ritualistic work.

Pulaski County—W. S. Groves, of Little Rock, is D. D. G. M. He reports that the Order is thriving and growing nicely; that a special effort is being made to entertain the Grand Lodge and to exemplify the work during its session for the instruction of the entire jurisdiction. Much good is being accomplished by the Order, and the membership steadily increasing, but that Progress Lodge No. 128 has changed its meeting place and meeting nights without making any necessary change in its by-laws, and that as the Grand Master has no authority now under the law to approve by-laws, that such matters are at a standstill until meeting of the Grand Lodge.

Randolph County—H. M. Crockett, Lodge No. 5, Maynard, Arkansas, D. D. G. M., reports the order steadily increasing in number. One new Lodge established, and all striving to perfect themselves in the principles of the Order.

St. Francis County—T. D. Hampton, Lodge No. 531, of Colt, Arkansas, reports that he has installed the officers in Colt Lodge No. 531; and Geo. B. Taylor, No. 196, that the financial conditions of both lodges are good and the membership in this district strong and active.

Saline County—C. A. Hall, Lodge No. 174, is the D. D. G. M., but has sent in no report. However, correspondence through the Secretary shows that the four Lodges in this district are disseminating charity and living up to the principles of the Order.

Scott County—P. G. M. Dr. J. O. A. Sullivan, of Lodge No. 93, was appointed Deputy for this district, but he was injured in a railroad accident and rendered unable to perform the duty of his office and transact his own business, and resigned. Brother H. L. Childs, of Waldron, was appointed in his stead. He has not sent in a report, but apparently the thirteen Lodges in this district are doing good work.

Searcy County—I. C. Morris, of Lodge No. 199, D. D. G. M., has not sent in any report. With the Secretaries it is shown there are seven Lodges flourishing in this district.

Sevier County—W. G. Fry, of Lodge No. 159, D. D. G. M., reports the Order growing nicely and much enthusiasm prevails; that two new Lodges were instituted and there were prospects of two more. Many of the members from this district attended the public meeting which was held at Mena. One of the new Lodges, Chapel Hill, has doubled its membership. The district meeting was held and organized a district association, which he trusts will be of much benefit to the Order.

Sebastian County—W. J. Willoughby, of Lodge No. 20, was appointed Deputy for this district; much good work was done, but after he had served about half of his term he resigned because of his removal from the district. Marshal Strozier was appointed in his stead, and reports he has visited most of the Lodges and found most of them in fine condition, but not entirely satisfactory. They have organized a county association and made a recommendation of Brother W. J. Seaman for appointment as D. D. G. M. the coming season. Odd Fellows' picnic was given at Greenwood, July 4, where Senator Davis, Past Grand Master Rowe, Brother Paul Little and Grand Master Stuckey addressed an audience of about five thousand people. Much enthusiasm in the Order prevails.

Sharp County—J. R. Ray, of Lodge No. 404, D. D. G. M., reports the Lodges in his district as growing, but that they are not in favor of the present manner of districting this State, and could not agree upon any one whom they would recommend for D. D. G. M. the coming season.

Stone County—N. A. Longley, D. D. G. M., does not send in a regular annual report, but from correspondence with him at various times, the order seems to be making progress and trying to conform to the laws of the Order. He calls attention to the fact that section 1, article 8 of the Uniform Constitution provides that the amount paid for sick benefits shall not exceed for one week, more than one-half of the amount charged for annual dues, and that in no instance shall they be less than two dollars per week for the first week, and

that section 4, article 6, provides that the regular dues shall not be less than \$3.00 per annum, and that some of the Lodges in his district had by-laws calling for \$3.50 for annual dues, and asking permission to change by-laws in this respect.

Union County—W. C. Creswell, D. D. G. M., sends in his annual report, and from the Secretaries of Eldorado Lodge and Huttig Lodge shows that the Order is flourishing, and membership steadily increasing, as well as Strong Lodge No. 303, and are all looking forward to a splendid session of the Grand Lodge.

Van Buren County—R. A. Kingsley, Lodge No. 532, of Rex, Arkansas, reports the Lodges in this district to be in good condition, that peace and harmony prevails among them, and that they are on the high road to success; that he has just returned from a lecturing tour of the district, and found all Lodges in good working order, with a prayer for the blessings of God upon the Order.

Washington County—Dr. W. T. Gabbart, Lodge No. 90, West Fork, Arkansas, reports the Order in fine condition, and that everybody is well disposed to the principles of the Order. Reports the meeting of the county association, and that this county, which has in it twenty-eight Lodges, be divided into two districts; the association having recommended Brother Frank Adams, of Cincinnati Lodge No. 571, for appointment as deputy in the western district, and Dr. W. T. Gabbart, of Lodge No. 90, West Fork, as deputy for the eastern district.

White County—Brother C. H. Adair, of Lodge No. 410, was appointed deputy, entered upon his duties and reported matters in a flourishing condition and everything working for the good of the Order. He moved from the district, and R. R. Lewis, of the same Lodge, was appointed in his stead; reports that he has visited the Lodges in his district and the majority of them are getting along nicely; that he reorganized two Lodges, one at Rosebud and the other at Griffithville; that there are seventeen Lodges in the county, and the greatest thing the Grand Lodge did was the organization of each county into a separate district, with the appointment of one person as District Deputy, who has the interest of the Order at heart and will make a little sacrifice for the good of the Order, in charge of the district.

Woodruff County—E. L. Hamilton, Lodge No. 274, reports that he has visited all the Lodges in his district, and the Lodge is getting along finely, and that the attendance is not large, but that there are enough enthusiastic members on hand to push the work of the Order. That there are three Lodges with 166 members in good standing and the Lodges in splendid financial condition.

Yell County—Joe E. Duran, D. D. G. M., of Lodge No. 353, Plain View, reports the Order has made great strides this year in increase of membership and otherwise, and that they have a well-organized District Association, bringing the Lodges in close touch with each other, and that they are working in harmony. There are seventeen Lodges in the district and in addition two more will probably be asking for charters at this session. Brother Duran, with the assistance of Brother W. J. Willoughby, organized a thriving Lodge at Danville. The report says that nineteen Lodges are too many for one deputy to have to visit twice a year; that it is important that they should be visited by the deputies and that the district should be divided. Most of them are in good financial condition, but that some have just enough to pay their expenses. That if an epidemic were to break out, extra assessments would have to be made. He closes with a wish that his county may be divided so that each deputy can carefully do his duty, and thus add materially to the interest and welfare of the Lodges in his district, and the good of the Order in general.

I have given my hearty support and most enthusiastic encouragement to every branch of the Order. Have tried to get every member of the Order to understand that he was growing towards perfection if he joined the Encampment it would be an advancement in manhood, and have personally organized four Encampments. I have striven in every way to build up the Rebekahs and get our sisters enlisted in the uplift of humanity.

I have encouraged in every way the Patriarchs Militant. They deserve the assistance of the entire jurisdiction.

One new Canton has been organized and many of the Royal Purple degree members have united with the Cantons already organized. This Grand Lodge should take some action looking toward the growth of this very helpful branch of the Order. It brings new blood to our ranks—rich, young, red blood. Do something to help the Cantons.

During the year, accompanied by the Grand Secretary and different members of the Grand Lodge, I visited nearly every section of the State; at one time I was away from home two weeks on a tour of visitation to Lodges, delivering addresses day and night in behalf of the Order, and instructing Lodges and members in the work of the Order. "The Beacon Light" from time to time kept the brotherhood informed of these visitations. Everywhere we went our reception was cordial and our entertainment pleasant if our duties were strenuous. The only regret I have is that I could not take more time from my own affairs and visit every Lodge in the jurisdiction, but when we consider that we have over six hundred of them, it is apparent that this is impracticable. At many places we held special sessions of the Grand Lodge for the purpose of conferring the Past Official

and Grand Lodge degree, so as to meet the wishes of those who were entitled and have not been able to attend the regular session to get them.

At all times I have had the most cordial support of associate officers of the Grand Lodge, but I must express my thanks and sincere gratitude to Brother John P. Paul, our very efficient Grand Secretary, the biggest-hearted and most lovable man I ever knew, for his kindly and helpful advice in the day of trial, which was every day in the year; to G. W. Pardee, our Deputy Grand Master, who will now soon assume the gavel and take up the responsibilities of which I am soon to be relieved; to Brother G. A. Hoffman, Grand Chaplain, who has relieved me of many a strenuous effort by always being ready and having something interesting and instructive to say; Brother A. D. DuLaney, Grand Marshal; to Brother Louis Josephs, Past Grand Master; to my deputies and all officers of Subordinate Lodges, all of whom have assisted loyally and most kindly, and now, as I am soon to surrender the gavel of authority to another, and end my official career as the head of this Grand Body of good men and the Order in this State, I rest with the conscious feeling that I have done what I could for the good of the Order, trusting that the mantle of charity may be thrown over my shortcomings, and I cherish the hope that in some degree I met the measure of your expectations from the chief executive of the Order in this jurisdiction, and that my efforts to discharge faithfully the duties of this high office will entitle me to your love and esteem all along the pathway of life.

With the kindest wishes for mankind, this annual report is submitted for your consideration.

Yours fraternally,

M. M. Stuckey

Grand Master.

Report of the Deputy Grand Master

To the Grand Lodge I. O. O. F. of Arkansas:

BROTHERS—The past year has been a busy one in our Grand Jurisdiction, and one which will long be remembered. Every Grand Officer has been busy. I have received and accepted many calls from various Lodges, and have been unable to accept quite a number of invitations, due largely to many of them requesting my presence on the same dates. I was present at two of our "Booster Meetings," namely: One at Parkin on July 29 and one at Walnut Ridge on August 2 and 3. On April 26, in company with Past Grand Master Donnell and Grand Secretary Paul, I assisted Vilonia and Center Link Lodges in celebrating the anniversary. I have also assisted in instituting several new encampments during the year.

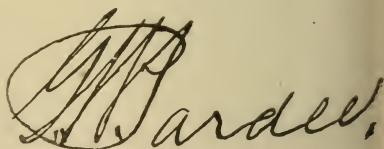

During the year our jurisdiction has been twice called upon to record the death of a Past Grand Master, in each instance the loss being most keenly felt. Past Grand Master Adam Clark, of Arkadelphia, Arkansas, and Past Grand Master A. C. Jones, of Hot Springs, Arkansas, both active in our councils, having passed to their final reward. I was in attendance at the funeral of each of these landmarks of Arkansas Odd Fellowship, and the vast throngs in attendance when the last sad rites were performed demonstrated more forcibly than words can express the high esteem in which these brothers were held by all, whether Odd Fellows or otherwise.

We meet again in annual session, to review the accomplishments of the past year and to plan our work for the future. May we be guided by the hand of the Grand Sire of the Universe in our deliberations, and may the "Good of the Order" be considered most important of all matters before us.

I have done my best whenever and wherever I was called, and the mistakes I have made are honest ones, such as every one of us are liable to encounter.

With hopes for a most profitable and harmonious session in which the spirit of Friendship, Love and Truth will be the dominant feature. I am,

Fraternally yours,

GRAND SECRETARY ATTENDS SOVEREIGN GRAND LODGE

Your Secretary attended the eighty-seventh annual session of the Sovereign Grand Lodge, held in the city of Indianapolis, Indiana, September 18 to 23. There were present Grand Secretaries and Grand Scribes from thirty-five jurisdictions. We convened in session five times during the session of the Sovereign Grand Lodge. A number of papers were read by Grand Secretaries, following which a general discussion was had. Many valuable ideas were advanced and it would appear that these sessions of Grand Secretaries and Grand Scribes will be beneficial, not only to them in official capacity, but to the Order at large.

OFFICE FIXTURES.

One roll top desk, one walnut table, four walnut chairs, thirty-six yards of linoleum, one parlor stove, one lamp, two trunks, three curtains one suit case for regalia, one paper roll, one mimeograph, one glass book case, one fireproof safe, one envelope sealing machine, two Smith-

Premier typewriters, one typewriter stand, one Burrough's Adding Machine and stand, one addressograph machine.

Three sections of alphabetical letter file with cupboard base, two Globe-Wernicke three-drawer letter files, three sections documental files, three glass sections, one closed section and supboard base to match, two extra width sections for blanks, one revolving desk chair, one multigraph, one protectograph, one postage stamp affixer.

CONCLUSION.

This has been a strenuous year for our Grand Master. In addition to accepting many invitations to public meetings, picnics, barbecues, public installations and funerals, he inaugurated a number of special sessions of the Grand Lodge for the purpose of aiding Lodges, and conferring Grand Lodge and Past Grand degrees on all Past Grands who presented their credentials for the purpose of conferring those degrees on the Past Grands who have not had an opportunity of attending the Grand Lodge.

Also a public meeting at each place where the special was held. The Rebekahs and the general public were invited, and rousing speeches were made by Grand Master Stuckey, Deputy Grand Master Pardee, Past Grand Master Josephs, Grand Chaplain Hoffman and Grand Marshal DuLaney.

Splendid meetings were held at Stamps, Ashdown, Mena, Gravette, Bentonville, Parkin and Walnut Ridge.

Hundreds of requests from lodges from every corner of the State come pouring in, asking that one of the meetings be held in their city or town.

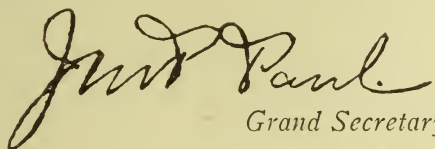

In addition to the above Judge Stuckey is a busy lawyer, the firm of Stuckey & Stuckey being one of the leading law firms in northeast Arkansas, and consequently it was quite a sacrifice for the judge to absent himself from his office so often, and on several occasions a week to ten days at a time. He has put his whole soul, as well as his valuable time, into the work of his office. He has worked systematically and energetically for the cause of Odd Fellowship, and to his efforts is largely due the splendid spirit and interest which exists throughout Arkansas at the present time. He will go to the Sovereign Grand Lodge and again take the front rank (which he did in 1904-5) in that body and will add strength to the Arkansas delegation.

I extend my most sincere thanks to my associates and co-workers throughout the jurisdiction of Arkansas; especially to Brother O'Neal and Miss Alice Bishop (the assistant in our office). We are indeed fortunate in having so valuable assistance; her services are indispensable to the jurisdiction.

To Sister Guler, President of the Rebekah Assembly, and to Sister Adelaide D. Horton, Secretary of the Rebekah Assembly.

Trusting that the coming session of the Grand Lodge may be an inspiration to each one to do more for the cause of Odd Fellowship and that our deliberations may be profitable to our beloved Order.

Yours fraternally,

A handwritten signature in cursive script, reading "J. W. Paul". The signature is written in dark ink and is positioned above the printed title "Grand Secretary".

Grand Secretary.

LOUIS JOSEPHS
GRAND REPRESENTATIVE

Annual Report of the Grand Representatives

To the Grand Lodge I. O. O. F. of Arkansas:

Brethren—As your Representatives to the Sovereign Grand Lodge at its eighty-seventh session, held at Indianapolis, Indiana, September 6-23, 1911, we submit to you this report.

The session, in our opinion, will, beyond a doubt, be recorded as one of the greatest in point of attendance by Odd Fellows from all over this glorious country. Indiana, being the center of population in the United States, brought Odd Fellows from nearly every State in the Union. Nor were our sister Grand Jurisdictions from across the Canadian border behind with their attendance in proportion to their population and membership in the Order. It seemed to us that Wednesday night, September 20, at which time the greatest and grandest parade that was ever seen in the State of Indiana was held, that every man, woman and child in the grand old Hoosier State, and thousands upon thousands from other parts of our blessed United States, were lined up on the streets of Indianapolis to witness what was truly termed as "the greatest ever Odd Fellows parade." On every side we received a most hearty welcome, and the three links with the I. O. O. F. lazoned forth in every direction as far as human eye could see. It is impossible to express in words the standing that our beloved Order takes amongst the people of our Nation, judged by the reception accorded to the officers and representatives of the Sovereign Grand Lodge and by the enthusiasm shown everywhere on this grand occasion. Twenty-five thousand Odd Fellows and Rebekahs with banners, lighted Japanese lanterns, showing three links and I. O. O. F., with numerous floats representing and exemplifying various teachings of our Order, headed by our splendid Patriarchs Militant and intermingled with sixty-two bands, all united in one effort, the proclaiming of Friendship, Love and Truth to the world at large. We are surely of an Order that is humanitarian and uplifting in all its branches, and the world at large is learning it faster and believing it stronger from year to year as these great demonstrations are made at each session of the Sovereign Grand Lodge.

The session began Saturday, September 16, at noon, when a complimentary excursion to the Odd Fellows Home at Greensburg, forty-even miles from Indianapolis, was given to the officers and repre-

sentatives of the Sovereign Grand Lodge, Past Grand Representatives, Elective Grand Officers of Jurisdictions, Presidents and Past Presidents of Assemblies, Department Commanders, Grand Secretaries and Grand Scribes, members of the Odd Fellows press, and in each case their accompanying ladies. The trip was made on a special train. A luncheon was served at the Home, returning to Indianapolis at 5:45. This trip was one of the features of the session and no doubt many good ideas were gained by those who visited the Home, which might be applied to advantage in the Homes of their own jurisdiction.

Sunday at 10:30 a. m. a special sermon was delivered by the Rev. Lewis Brown, rector of St. Paul's Cathedral, which was attended by Representatives and visitors.

Monday, September 18, the regular session of the Sovereign Grand Lodge opened at 9 a. m. at the auditorium, Masonic Temple. The members of the Sovereign Grand Lodge marched from the Claypool Hotel, headquarters, under command of Grand Marshal Winn Powers and under escort of Patriarchs Militant in full dress, accompanied by the Indianapolis Military Band. At this meeting we were welcomed by the chairman, the Hon. Ulric Z. Wiley, Past Grand Representative; by Judge Adams, of the court of appeals, on behalf of Governor Thomas Marshall, who was unavoidably absent; by the Hon. Charles W. Fairbanks; the Grand Sire, John B. Cockrum, responding.

The special guests—committees representing each—were Masonic bodies, Knights of Pythias, Improved Order of Red Men, B. P. O. Elks., Knights and Ladies of Honor, Modern Woodmen of America, and other fraternal societies.

At the conclusion the members of the Sovereign Grand Lodge reformed for marching, and, under same escort, marched to Odd Fellows building, where the regular business session was opened at 11 o'clock.

From the Grand Sire's report we give some abstracts, and his decisions, which are important, and were all approved by the Sovereign Grand Lodge, we give in full. The entire report is very exhaustive and covers every branch of the Order. It shows that the Grand Sire has given much thought and study to the important questions confronting the Order. He made several important recommendations which were all adopted, the most important of which was that the Commanding General of the Patriarchs Militant be appointed by the Grand Sire for the term of office occupied by the Grand Sire, instead of being elected for a term of four years.

REPORT OF GRAND SIRE.

I congratulate you upon the excellent condition of the Order throughout the world. We meet under the best conditions in this, the

eighty-seventh annual meeting of this sovereign body. We have a larger membership than ever before; our financial strength is greater and in most branches we find unexampled zeal and energy being daily applied to the ennobling work of our great organization for the uplift of mankind-and for the extension of our benevolent and fraternal purposes.

DECISIONS.

During the year I have rendered the following decisions:

DECISION 1. *Question.*—Is it lawful for officers or past officers of Grand or Subordinate Lodges to use their official titles in endorsing or promoting any insurance or other business?

Answer.—No.

DEC. 2. *Question.*—The Loyal Protective Insurance Company publishes endorsements of its business, signed by certain officers or past officers of Grand Bodies, using their official titles. It also stated that it is the only insurance company endorsed by Grand Lodge Officers. (Exhibit.) Is the Loyal Protective Insurance Company conducting a lawful business in conformity with the tenets of the Order?

Answer.—The Loyal Protective Insurance Company is a private enterprise and must be conducted as such. It is not in conformity with the law of the Sovereign Grand Lodge to use the name of members of the Order as members of the Order or as officers of the Lodge to promote a private business.

DEC. 3. *Question.*—Is it lawful for a brother to act as agent or promote the interests of such an insurance company which uses in its advertising matter official endorsement as described?

Answer.—No. (See Sec. 471, Busbee's Digest.)

DEC. 4. *Statement.*—Can any portion of the special 5 per cent fund provided for in article 503 of the Digest, be used for the purpose of purchasing jewels for Past Grands, by subordinate lodges?

Answer.—No.

DEC. 5. *Statement.*—The question has been raised as to the true intent and meaning of the law in reference to the regalia of the different branches of our Order, each being kept separate and distinct, and neither to be permitted to loan to any other branch of the Order for display, or any other purpose.

The robes, etc., used in the portrayal of the various degrees it is thought by some, in view of the fact that they are manufactured, publicly displayed, and advertised in illustrated catalogues, labeled with the names of the characters they are intended to portray, and the employees of said regalia firms need not necessarily be members of the Order, and therefore the law of our Order should not debar one branch from loaning to the other, when for the best interests of the Order it would be desirable to do so.

Question.—Can a Subordinate Lodge loan any portion of its robes that could be utilized by the male members of a Rebekah Lodge in portraying the characters they may take in the conferring of the Rebekah Degree?

Answer.—No.

DEC. 6. *Statement.*—The Committee on Laws of the Grand Lodge of Manitoba, I. O. O. F., had a by-law submitted to them for approval, which reads as follows:

“40. If the attending physician advises that the nature of the illness is such that the attendance of a nurse is necessary, one shall be procured by the chairman of this committee, and such attendance shall be continued until terminated by the chairman on the advice of the attending physician, the cost of the said nursing to be paid for out of the sick nursing fund, but in no case to exceed \$1.50 per day; if in the hospital, 75 cents per day, to be paid to the hospital authorities.”

DEC. 7. *Statement.*—The Committee on Laws rules that the word day in the eighth and ninth lines be struck out, and the word night be inserted, the Sovereign Grand Lodge having decided that a Lodge must provide by its by-laws for night nurses or watchers, and that it may provide for day nurses or watchers, and that in case the word day does not cover both night and day as intended by the Sovereign Grand Lodge.

Question.—Was the Committee on Laws right in striking out the word day and inserting the word night in the by-law?

Answer.—No. The committee had no such power.

DEC. 8. *Statement.*—The Grand Lodge of Manitoba, I. O. O. F., has instructed its Committee on By-Laws to approve of a by-law that reads as follows:

“A nurse shall be procured by the chairman of the Visiting Committee, on the advice of the attending physician, the cost of said nursing to be paid out of the sick nursing fund, but in no case to exceed one dollar and fifty cents per *calendar day*.”

Question.—Are the words “*calendar day*” proper words to insert in a by-law in regard to hiring a nurse, the Sovereign Grand Lodge

having decided that only night nurses or watchers must be furnished, and that a Lodge may provide for day nurses or watchers in its by-laws?

Answer.—Yes.

DEC. 9. *Statement.*—A and B, hotel owners and keepers, are members in good standing in Addison Lodge No. 345, both having joined the Lodge prior to 1895, when the law was enacted prohibiting hotel keepers tending bar from becoming members of the Order. A and B have been continuous members since joining, have at all times been hotel keepers, and dispensed liquors over the bar.

At the general election held in the fall of 1907, the local option question was submitted and the temperance people carried the day, making Addison a dry town for two years and six months.

At the general election held in the fall of 1909 the local option question was again submitted and license was restored.

On October 1, 1910, said A and B procured license and again commenced dispensing liquors over the bar.

Question 1.—Are said A and B liable to expulsion from the Lodge under the law prohibiting hotel keepers tending bar from being members of the Order?

Answer.—Yes.

Question 2.—Does the question of being deprived of the privilege of selling liquor by vote of the people constitute a going out of the liquor business under the law prohibiting hotel keepers tending bar from being members of this Order?

Answer.—Yes.

Question 3.—Does the resumption of this business, dispensing liquor over the bar, in accordance with the vote of the people and the laws of the State of New York, constitute a resumption of the liquor business under the law prohibiting hotel keepers tending bar from being members of this Order?

Answer.—Yes.

DEC. 10. *Statement.*—There is nothing in Report 91, page 151, Daily Journal, 1910 session, to show that article X of the by-laws of the Sovereign Grand Lodge was to be amended by the adoption of said report. Article XXX of the by-laws provides that no resolution shall operate to change, alter or amend any of the by-laws of the Sovereign Grand Lodge, unless said resolution upon its face and by its terms assumes to make such change, alteration or amendment, and shall state distinctly the particular by-law to be affected.

Question.—Is not the whole matter set forth in said report 91 null and void, inasmuch as it was not presented in proper form, and was in effect an amendment to the by-laws of the Sovereign Grand Lodge?

Answer.—It is my opinion that an attempt has been made by report 91, page 151, Daily Journal, 1910 session, to amend Article X of the by-laws of the Sovereign Grand Lodge. Article XXX of the by-laws of the Sovereign Grand Lodge provides the manner in which the same may be amended. The requirements of Article XXX have not been complied with in the present instance.

It is, therefore, my opinion that the whole matter in report 91 is void and without effect and should be set aside and I have directed the Grand Secretary accordingly.

DEC. 11. *Question.*—If the Constitution of the Grand Lodge of Kentucky fixes a minimum fee that shall be charged all who join a Lodge in Kentucky, and a resident of Kentucky joins a Lodge in another or adjacent Jurisdiction that charges a lesser fee than the Constitution of the Grand Lodge of Kentucky provides, under the laws of the Sovereign Grand Lodge shall the difference be paid to the Grand Lodge of Kentucky?

Answer.—"Any person residing in one jurisdiction and joining a Lodge or Encampment in another jurisdiction, whose fees for admission to membership, either by initiation or deposit of card, are less than the minimum fees charged in his own jurisdiction, shall pay to the Lodge or Encampment he so joins the amount of the minimum fees charged in his own jurisdiction, and the Lodge or Encampment which he joins shall pay the excess thus collected over to the Grand Lodge or Grand Encampment of the jurisdiction in which he resides." (Busbee's Digest 451, page 131.)

I therefore answer your question—Yes.

DEC. 12. *Question.*—Did the action of the Grand Lodge of 1898, granting the privilege of adjacent jurisdiction to receive as members residents of Kentucky, and in which this provision is a part of said action—"Provided, further, that the laws of the Sovereign Grand Lodge are complied with," do away with the law of the Sovereign Grand Lodge as found in sections 451 and 926, Busbee's Digest, 1903, providing that any difference in fees shall be paid to the Grand Lodge of the jurisdiction in which the candidate is a resident?

Answer.—No.

DEC. 13. *Question.*—Will both forms of the Veteran Jewel, as now sold, be recognized after January 1, 1911, in lieu of regalia?

Answer.—Yes.

DEC. 14. *Statement*.—A brother having changed his place of residence, now wishes to avail himself of the advantages of the transfer law of 1904. The Lodge to which he now belongs has a level rate of dues, for all its members, of \$1.50 per quarter. The Lodge to which he wishes to transfer has a graded scale of dues regulated according to the age of the member at admission to the Lodge, the minimum rate being \$1.55 per quarter. The benefits of the new Lodge are also greater than the Lodge from which he proposes transferring.

Question.—Must the brother pay the rate of dues provided by the new Lodge's by-laws or does his connection with his old Lodge in any way influence the amount of dues to be paid into the Lodge to which he transfers?

Answer.—As soon as transfer is effected he will be controlled by the by-laws of the new Lodge.

DEC. 15. *Question*.—Is a Syrian, Arab or an Arabian entitled to membership in our Order?

Answer.—First, a Syrian is a Caucasian and is therefore entitled to membership. (Proc. 1906, page 434, Decision 26.)

Second, An Arab, or Arabian, is not entitled to membership in our Order. The best dictionaries state that the Arab is a member of a swarthy race inhabiting Arabia, and largely Syria, and northern Africa. (Sec. 2, Art. 16, Constitution, page 783, Busbee's Digest.)

DEC. 16. *Statement*.—The Rituals of Subordinate and Rebekah Lodges (page 34, Subordinate; page 13, Rebekah), provide that when balloting upon applications for membership or degrees, it is not permissible to exhibit the ballot to any member except to the Noble Grand and the Vice Grand. The contention is made that the Ritual governs only in matters purely Ritualistic, and that Grand Bodies may provide by legislation that the ballot may be exhibited to, and examined by, the supporters of the Noble Grand.

Question 1.—Are not the provisions of the Rituals, above mentioned, applicable upon all Lodges?

Answer.—Yes.

Question 2.—Do not all of the instructions appearing in any part of the Rituals, whether relating to the degrees or otherwise, apply equally upon all Lodges of the Order regardless of the fact that contrary provisions may appear in the constitutions of Grand Bodies having jurisdiction over such subordinates, or that contrary legislation may have been enacted either by such Grand Bodies or by the Sovereign Grand Lodge?

Answer.—Yes.

Question 3.—Are not all laws of the Sovereign Grand Lodge, Grand or Subordinate Bodies which conflict in any manner with the provisions of the Rituals null and void?

Answer.—Yes, insofar as they conflict with the Rituals.

Question 4.—Can any of the general instructions appearing in the Rituals be changed, altered or amended by the Sovereign Grand Lodge except by two-thirds vote required for a change in this written work of the Order?

Answer.—No. (Sec. 5, Art. 1, Const. Sov. Grand Lodge, page 772, Busbee's Digest, Secs. 2222-2224 and 2561.)

DEC. 17. *Question 1.*—Does the adoption of a resolution to establish concurrent jurisdiction throughout a Grand Jurisdiction abridge the rights and intention of the Sovereign Grand Lodge in its provision for the use of "Transfer Certificates" within Grand Jurisdictions?

Answer.—No.

Question 2.—If so, has a Grand Body the right to establish concurrent jurisdiction to the exclusion of this form of change of membership?

Answer.—Yes.

DEC. 18. *Question.*—May a number of members of a subordinate lodge, from their own means, and without expense to any branch of the Order, erect a memorial window in a sectarian church, in memory of deceased members of their Lodge; said window bearing appropriate inscriptions and using emblems of the Order, together with the name and number of the local Lodge, followed by the letters I. O. O. F.?

Answer.—Yes.

DEC. 19. *Question.*—Is the use of the Rituals permissible in public installations, the instructions concerning the use of the gavel, the entering, retiring and all other instructions found in the book itself being strictly followed?

Answer.—No.

DEC. 20. *Question.*—Can a Third Degree member, not being a Past Grand, act as District Deputy?

Answer.—No.

DEC. 21. *Question.*—Can a Lodge charge a brother, coming to it by Transfer Card, \$1.00 per year for every year over the age of 45?

Answer.—No.

DEC. 22. *Question*.—Can a line officer of the Patriarchs Militant purchase and keep in his own possession a Ritual of the Patriarchs Militant Degree?

Answer.—No.

DEC. 23. *Question*.—Also, can a line officer or any officer of the Patriarchs Militant, copy the unwritten work of the Patriarchs Militant Degree in full and carry the same in his pocket, and read it in conferring the Patriarchs Militant Degree?

Answer.—No.

DEC. 24. *Statement*.—A member of the Order resides in California, but belongs to a Lodge in Kansas. Such member conducts himself in California in a manner unbecoming an Odd Fellow, and a Lodge or member of the Order in California desired to file charges against such brother.

Question.—What is the procedure?

Answer.—In the absence of any local regulation upon the subject, a member desiring to prefer charge or charges against a member or members of one Subordinate Lodge shall present such charges in the usual form to such Lodge, of which the accuser is a member. Such Lodge shall forthwith forward to the Lodge to which the accused may belong a certified copy of the charge or charges, over the signature of the Noble Grand and Secretary, and attested by the seal of the Lodge. And the Lodge to which such charge or charges shall be sent shall proceed to hear and determine the same in like manner as if preferred by a member of its own body. (Busbee's Digest, Sec. 2019.) (Proc. S. G. L., 1871, pages 5194-5.)

DEC. 25. *Question*.—Who may file charges?

Answer.—Any member of a Subordinate Lodge.

DEC. 26. *Question*.—In what Lodge should they be filed?

Answer.—In the Lodge to which the accusing brother belongs.

DEC. 27. *Question*.—What Lodge has jurisdiction to try the case?

Answer.—The Lodge to which the accused brother belongs.

DEC. 28. *Question*.—Can a Grand Lodge charge a sum equal to one year's dues in addition to the price of the certificate, on application for a Dismissal Certificate from a former member who has been dropped for nonpayment of dues by a Lodge now defunct?

Answer.—Yes.

DEC. 29. *Question*.—Has the Grand Master the authority to confer the Rebekah Degree on five subordinate members, or five outsiders (eligible to the degree), for the purpose of instituting a Rebekah Lodge?

Answer.—Yes. Provided the Grand Master is a member of the Rebekah Lodge himself.

DEC. 30. *Question*.—What will the Grand Master do who is not a member of the Rebekah Lodge?

Answer.—Appoint some Past Grand, or Past Noble Grand, who is in good standing in the Rebekah Lodge to confer the degree and institute the Lodge.

DEC. 31. *Question*.—Does any member transferring from one Lodge to another have to pay anything extra, he being over forty years of age, under the Transfer Law where the by-laws of a Lodge say all applicants over forty years of age must pay the sum of one dollar for each year over forty?

Answer.—No.

DEC. 32. *Question*. Is an Assyrian entitled to membership in our Order?

Answer.—An Assyrian is of the Caucasian race, and, therefore, is entitled to membership in our Order.

DEC. 33. *Statement*.—"Resolved, That article VII, section 1, of the Rebekah Assembly Constitution, be amended by substituting the word 'fifty' for the word 'ten,' and by inserting the words 'on all sisters of Rebekah' after the word 'levied,' making the amended portion of that article read as follows: 'And that an annual per capita tax of not less than fifty cents be levied on all sisters of Rebekah, one-half of which must be paid to the Assembly Secretary on or before the first day of July, and one-half on or before the first day of January in each year, and when collected by her to be paid to the Grand Secretary, said tax to be designated as the Gill Home Tax, and to be used in the maintenance of the Home; *Provided*, that no sister of Rebekah shall hereafter become eligible who has not paid the Gill Home Tax as herein specified, and has not been in continuous good standing for five successive years immediately prior to her application for the benefits of the Home."

Question.—Is a law constitutional to tax sister Rebekahs for the maintenance of the Home?

Answer.—Yes; the Grand Lodge having legislated authorizing the assessment. Grand Bodies are permitted to adopt such laws for the purpose of establishing and maintaining Homes for aged and indigent

Odd Fellows and widows of deceased members of the Order, and Homes for the care, protection and education of orphans of deceased Odd Fellows, as they may determine to be consistent with the welfare of the Order in their respective jurisdiction. (Journal 1892; 13016, 13120, 13161.) Grand Bodies have the legal right and full power to make reasonable and necessary assessments upon their subordinates to provide and maintain Homes for such dependents. (Journal 1894; 14115; 14150.)

Rebekah Assemblies are subordinate to Grand Lodges, and members of Rebekah Assemblies are subject to a tax imposed by the action of a State Grand Lodge.

DEC. 34. *Question.*—Can a Rebekah Assembly make a law (in case the above tax is not paid by the sister and she is suspended for non-payment of dues from her Lodge) that can hold the Lodge responsible for the tax?

Answer.—No.

DEC. 35. *Question.*—Can a Rebekah Assembly refuse a Lodge their credentials for their delegates to the Assembly, after they have paid their Assembly per capita tax, provided their members have not all paid the Home tax?

Answer.—No.

DEC. 36. *Question.*—Can the Assembly suspend a Rebekah Lodge, or take its charter in such a case?

Answer.—No.

DEC. 37. *Question.*—A new member admitted April 10, August 10, or November 10, should they pay this tax? If so, what part of the year, or would the tax be made up on the report of the members in good standing on December 31 of the previous year, the same as a per capita tax?

Answer.—This depends upon local legislation of the Grand Jurisdiction involved.

DEC. 38. *Question.*—Who is entitled to vote in the Grand Encampment for Grand Representatives to the Sovereign Grand Lodge? Some Subordinate Encampments send as many as six or eight to the Grand Encampment, when entitled to only one. Have they a right to a vote?

Answer.—All persons entitled to vote on any question are entitled to vote for Grand Representatives, unless otherwise provided by local law.

DEC. 39. *Question.*—Can a Lodge refuse to pay a brother benefits for permanent injury sustained by him while in the discharge of his

duties as a car inspector for a railroad company, simply for the reason that he is trying to support himself in another business which produces much less income than he was formerly receiving, but not enough to provide himself and five children with food and clothing?

Answer.—No.

DEC. 40. *Question.*—While a brother is in good standing in his Lodge, and receives an injury which makes it impossible for him to follow his usual occupation, but is able to carry on a business which does not furnish a sufficient income to support him and his five children with decent clothing and proper and healthy food, can the Lodge refuse to pay him benefits?

Answer.—No.

DEC. 41. *Statement of Facts.*—1. When Brother Otto Hartung, P. G., of Reno Lodge No. 14, made his will he included the following provision: "10—I give, bequeath and devise all the residue of my estate, both real and personal, as follows: (a) To the I. O. O. F. of the State of Nevada, the income from my estate to be paid over to them by my executors and trustees annually, if within five years from the date of my death the said I. O. O. F. of the State of Nevada does establish a Home worthy of its name for orphans and foundlings, near Reno, Nevada, and to be known by the name of the 'Royal D. Hartung Home for Orphans and Foundlings,' but if the I. O. O. F. of the State of Nevada does not accept the provisions of this bequest within the time herein mentioned, then I give and bequeath all of my estate to the Board of School Trustees, of Reno, Nevada."

2. He then made further provision that unless the School Trustees did not accept the money under the conditions set forth in the will, then the money, the income of the estate, should go to the University of Nevada.

3. The Rebekah Assembly of Nevada, during the past ten years has raised approximately six thousand five hundred dollars for the purpose of building an Odd Fellows Orphans' Home in Nevada.

4. The Grand Lodge of Nevada, at its annual session held on the 20th and 21st of June, 1911, directed its Board of Trustees of the Grand Lodge to act in conjunction with the trustees of the Rebekah Assembly, and build an Orphans' Home at or near Reno, in such a way as to enable the Rebekah Assembly to secure the income from the Hartung estate to support said Home.

5. Brother Charles Burke, P. G., of Reno Lodge No. 14, offered to give to the Rebekah Assembly of Nevada sufficient ground for the purpose of building said Home, the same to be in the Burke addition, and to be near the street car line. The Rebekah Assembly, by resolu-

tion, on the 21st of June, directed their trustees to act with the trustees of the Grand Lodge, and proceed at once to build an Orphans' Home, accepting Brother Burke's offer, and so build as to avail themselves of the income of the Hartung estate.

6. The income from the Hartung estate will be approximately two thousand dollars per year.

7. 'It is the judgment of the leading Odd Fellows and Rebekahs of Nevada that the two thousand dollars per year income will practically support the Orphans' Home in Nevada for the next ten years to come, and take care of all the orphans of Odd Fellows who are left without a home.

8. Mr. Hartung died early in the year of 1910, and the executors of his will have asked the Grand Lodge, I. O. O. F., of Nevada, to give up its right to the estate of Brother Hartung, so that they may give the income from the estate to the University of the State of Nevada, and are very anxious to secure said income for the University of Nevada.

Question.—Is there any law or principle in Odd Fellowship that would prevent the Rebekah Assembly of Nevada placing over the I. O. O. F. Orphans' Home the name of "Royal D. Hartung Home for Orphans and Foundlings?"

Answer.—There is no law of the Sovereign Grand Lodge to prevent the use of the name of a dead person in connection with establishment of institutions of the Order, such as lodges, encampments, Rebekah lodges, etc. Following this principle, I cannot see wherein there can be any legal objection under the law of the Sovereign Grand Lodge that would prevent the Rebekah Assembly of Nevada placing over the I. O. O. F. Orphans' Home the name "Royal D. Hartung Home for Orphans and Foundlings."

DEC. 42. *Statement.*—A number of Scarlet Degree brothers in this jurisdiction desire to have an encampment chartered to work in the Bohemian language, excepting the Ritualistic work for which the Sovereign Grand Lodge has made no provision.

Question.—Could they be issued a charter to work in the Bohemian language, which would mean keeping their records and transacting all encampment business in that language, but conferring the degrees in the English language?

Answer.—No. An encampment may not be organized to keep its records and transact its business in the Bohemian language, and confer the degrees in the English language. This, because there is no law of the Sovereign Grand Lodge authorizing the same.

DEC. 43. *Question.* Does the Transfer of Membership Law, as it now stands, apply to the quasi-independent jurisdiction, and in particu-

lar to the jurisdiction of Sweden, as governing the transfer of membership from that jurisdiction to a Lodge in our own jurisdiction of Pennsylvania and *vice versa*?

Answer.—Yes. This law applies to all jurisdictions acting under the authority of the Sovereign Grand Lodge, and must be so respected.

DEC. 44. *Statement.*—Our Grand Lodge and Grand Encampment acting under legislation digested in paragraphs 834 and 838 of Busbee's Digest has enacted legislation providing that members of our Home are not entitled to benefits, and are not subject to the payment of dues. The R. W. Grand Lodge, F. & A. M., of Washington, is opening a Home for indigent Masons in this State. Under the rules and regulations of the trustees of the Masonic Home, as well as the rules and regulations governing the Odd Fellows' Home, of Washington, a member must be indigent and without means of support or income to be eligible to membership in the Home. Under the statutory laws of this State, neither of these homes can accept any compensation for the care or maintenance of the members. Some of the members of the Odd Fellows' Home expect to be, and no doubt will be at their own request, transferred to the Masonic Home, as soon as it is opened.

Question 1.—Must the Subordinate Lodge, I. O. O. F., pay benefits on account of disability of one of its members, who is a member or inmate of the Masonic Home, of Washington?

Answer 1.—Yes.

Question 2.—If your answer is in the affirmative, to whom shall the benefits be paid?

Answer 2.—To the brother.

Question 3.—Must the member pay dues to his Subordinate Lodge while a member of the Masonic Home?

Answer 3.—Yes.

DEC. 45.—At the annual session of our Grand Lodge the following resolution was adopted:

Resolved, That the Grand Secretary be and he is hereby authorized to correct the records of this Grand Lodge in the matter of the record of standing of Martin Garrett, of East Tacoma Lodge No. 89, so as to show continuous good standing of Brother Garrett.

Statement.—The records of the Grand Secretary's office show that, prior to the admission of Brother Garrett to East Tacoma Lodge he was a member of Sumner Lodge and some time in 1900 he was dropped for nonpayment of dues from said Sumner Lodge, through

no fault of his, from the fact that he wrote the Secretary of said Lodge, who failed to send him a statement of his dues, and the first notice Brother Garrett had was that he was dropped for nonpayment of dues.

Resolved, That Sumner Lodge be requested to correct the records of said Lodge so as to make the chain of membership continuous.

Question 1.—Does this action of the Grand Lodge cure the break in the continuity of Brother Garrett's membership, and would Brother Garrett be entitled to purchase and wear a Veteran Jewel? (If it were not for his suspension for nonpayment of dues, as above noted, he would have twenty-five years' continuous membership.)

Answer 1.—No.

DEC. 46. *Statement.*—At the recent session of our Grand Lodge the following resolution was adopted:

Resolved, That the Grand Secretary is hereby authorized to correct the records of this Grand Lodge as to the standing of W. H. Hughes, of Seattle Lodge No. 7, so as to show continuous good standing of Brother Hughes. Further,

Resolved, That Seattle Lodge No. 7 be requested to correct the records of said Lodge so as to make the chain of membership continuous. Brother Hughes was dropped while in Alaska through failure of transmission of mail. The records of Seattle Lodge No. 7, as well as the records of the Grand Secretary's office, show that Brother Hughes was dropped for nonpayment of dues on October 16, 1894, and that he was reinstated on October 8, 1901. With the exception of this break the membership of Brother Hughes has been continuous since May 19, 1870.

Question 1.—Does this action of the Grand Lodge cure the defect in Brother Hughes' membership; and is he a Veteran Odd Fellow, entitled to procure and wear a Veteran Jewel?

Answer 1.—No.

Question 2.—Has the Grand Secretary any right to change the records in his office as directed in said resolutions?

Answer 2.—No.

Question 3.—Has the Grand Secretary a right, on this record, to procure a Veteran Jewel for Brother W. H. Hughes?

Answer 3.—No.

CODIFICATION OF LAWS.

The special committee appointed at the last session of the Sovereign Grand Lodge to codify the laws, held a meeting in Indianapolis,

March 18. There were present Brother C. D. Rinehart, of Florida; Brother L. J. Eastin, of Missouri, and Brother F. P. Trautmann, of New York. This committee, together with the Grand Sire, held a conference on the subject of Codification of Laws and agreed upon a plan to be pursued by the committee so that all of the live law of the Order may be collected and arranged in such a way as to be intelligently understood by any member of the Order into whose possession it might fall. It will require great labor and research and much time to complete the work, and, therefore, the special committee will not be able to report in full at the present session.

I earnestly recommend that this committee be continued with power to perfect its work as outlined, and I sincerely believe that the work when completed will be so satisfactory and so beneficial to the Order that every one of you will be pleased and will feel fully justified in having authorized it.

OFFICIAL CERTIFICATES.

The question of the forgery of the Official Certificate, and the fraudulent use of such certificate, has been before this Grand Body for its consideration heretofore. Some legislation relating to a change in the form of the Official Certificate, so as to have the same uniform and afford the best protection to members throughout the whole domain of the Sovereign Grand Lodge, is needed.

It is further to be observed that the law is not sufficiently strong to compel the use of the Official Certificate by all jurisdictions, and that in some jurisdictions no Official Certificates have been used in the past year by some branches of the Order, and in many jurisdictions very many fewer certificates than should have been used.

The law relating to the use of the Official Certificate should be such as to compel their universal use by all branches of the Order. It is a species of insubordination to the Sovereign Grand Lodge for jurisdictions to refuse or neglect to use Official Certificates.

I therefore recommend and strongly urge upon this Grand Lodge:

1. That the law be so amended as to provide that all branches of the Order must use the Official Certificate as the only official receipt, or receipt entitling one to evidence of membership in, the right to visit Lodges, and enjoy the benefits of the Order.

That all Lodges, Encampments and Cantons be required to issue Official Certificate as a receipt for dues when dues are paid, and that no other receipt, or substitute of any kind, for Official Certificates shall be given to a member, and that such Official Certificate shall be given as such receipt for dues, at the time dues are paid, whether the same be demanded or not.

2. That the form of Official Certificates be changed and simplified as much as possible, and that such means of protection as necessary to prevent the forgery or fraudulent use thereof be adopted.

3. That for the full and complete enforcement of the law relating to the Official Certificate every Grand Master and Grand Patriarch on the first day of January and July of each year be required to issue to all their subordinates, respectively, a letter calling the attention of such subordinates to the law, and requiring them to use no other receipt or certificate in connection with the payment of dues.

4. That a penalty, and the manner of its enforcement, be provided to be enforced against any jurisdiction that shall fail to require the use of the Official Certificate by all of its subordinates.

PATRIARCHS MILITANT BRANCH.

The condition of the Patriarchs Militant branch of the Order, and the laws relating to its management, have given me no little concern during the past year. The question of its future conduct is one to which I desire to especially direct the attention of the Representatives.

Careful, painstaking and full consideration should be given to the needs of this branch of loyal brothers, who so unselfishly devote themselves to our work and the laws for their government should be fraternal, kindly and fair to their interests.

The Grand Sire, by law, is the Commander-in-Chief, and yet the law provides for the election of a General Commanding, whose term of office shall be four years, while that of the Grand Sire is but two years. The General Commanding is elected during the middle of a term of Grand Sire; it will, therefore, be observed that the term of office of the General Commanding, to which he is elected, in part, extends over the administration of three Grand Sires.

This is the only branch of the Order having a distinctive head in any way. There is no more reason why the Patriarchs Militant should have a separate official as its Commanding General than that the Encampment of Rebekah branches should have their separate executive heads. There should be but one head to the Order, and that should be filled by the Grand Sire.

I do not make these observances from any personal reason, but I believe the good of the Order, and the future welfare of the Patriarchs Militant branch, require that your attention be called to these facts and I submit that some change with relation to the office of General Commanding should be made. And I recommend that the office of General Commanding, as an elective office of the Sovereign Grand Lodge, be abolished, and established as an appointive office of the

Grand Sire, and that each Grand Sire be authorized at the beginning of his term to appoint a General Commanding to serve during his term as Grand Sire, and if vacancies occur in the said office, for any reason, that the Grand Sire be authorized to fill the same. Also that the Grand Sire be clothed with authority to remove the General Commanding for cause at any time.

CORRESPONDENCE.

At the beginning of his term the Grand Sire addressed a general letter to all Grand Officers of every branch of the Order. To these he received replies, which he has reported, but they are so numerous that we only include in this report those he received from our own jurisdiction:

ARKANSAS.

Louis Josephs, Retiring Grand Master: I take this occasion to say that the Order is still booming in this State, where we have made such rapid advancement in the past ten years. Those of us who are fortunate to be at the helm in this jurisdiction, keep in touch with the rank and file in order to assist them in building upward and onward. Personally, I expect to continue in the work to my utmost ability and time, and, with that object in view, have accepted the appointment of District Deputy for this county and have placed myself at the disposal of the present Grand Master, in all other matters that I could be of assistance to him. I feel safe in saying that Arkansas will help make your administration a record one.

M. M. Stuckey, Grand Master: We are doing our best in Arkansas in all branches of the Order and expect to be able to show a good increase when the Sovereign Grand Lodge meets. As to affairs in Arkansas since my election, I have been having quite a strenuous time, as at our last session of the Grand Lodge we redistricted the State, and I am trying to find men who are loyal, capable and willing to give their time and ability to serve in the capacity of District Deputy Grand Master. I wish to make this office amount to something and make it an actual benefit to the Lodges; not to appoint brothers to the position simply to satisfy their ambition to hold an office with a little authority, but to make them what I think they were intended to be, field officers; directing the line immediately under their command and giving full information to the Grand Officers of the progress of the Order.

At the opening of the session, upon roll call, all the officers of the Sovereign Grand Lodge were present; also forty Grand Representatives from forty Grand Lodges and thirty-one Grand Representatives from thirty-one Grand Encampments.

PAST GRAND SIRES.

John C. Underwood, Kentucky; Alfred S. Pinkerton, Massachusetts; E. S. Conway, Illinois, and W. L. Kuykendal, Wyoming.

After the report by the Credential Committee, seventy-five Grand Representatives from Grand Lodges and sixty-three Grand Representatives from Grand Encampments were seated in addition to those who answered the roll.

The Arkansas delegation consisted of the following: Representatives: George T. Humphries and Louis Josephs, of the Grand Lodge; Representatives N. M. Alexander and G. W. Pardee, of the Grand Encampment, and John P. Paul, Grand Secretary.

In the committee appointments by the Grand Sire, Arkansas was placed as follows: Josephs, on Credentials; Humphries, on Constitution; Pardee, on Returns; Alexander, on Grand Bodies Not Represented.

LEGISLATION.

We here report in brief the most important legislation acted on:

The amendment that was proposed to reduce the age limit for admission to the Order from 21 to 18 years was defeated by an overwhelming vote.

The proposition to establish a National Home for the treatment of Odd Fellows afflicted with tuberculosis was indefinitely postponed. The Grand Lodge authorized the individual States, singly or jointly, to levy a *per capita* tax for the establishment of sanatoriums for the treatment of tuberculosis. Grand Representative Borst spoke against the proposition of establishing a National Sanatorium and in favor of allowing States to establish their own sanatoriums, if they so vote. His arguments were effective.

By a vote of 135 to 42 the Sovereign Grand Lodge put a ban on smoking in Odd Fellows' Lodge rooms during Lodge sessions all over the world. It was shown that in many Lodges smoking is allowed during the performances of the Ritual.

That the Odd Fellow regalia is a relic of the past and is injurious to the health of its wearers is the contention of supporters of a resolution asking that it be discarded. A resolution was adopted that a committee be appointed to investigate and report at the next session of the Sovereign Grand Lodge in 1912.

The body did pass a law at this session, allowing the jewel of a Past Grand Master, Past Grand Patriarch, Past Grand Representative and Past President of a Rebekah State Assembly, to be worn on all

occasions and in Subordinate Lodges in place of regalia, and that in the future uniform and official jewels be made and sold by the Sovereign Grand Lodge.

Hotel keepers licensed to sell intoxicating liquors will hereafter be barred from admission to the Order.

The proposition of allowing the Rebekahs to establish a National Rebekah Assembly was defeated by a vote of two to one, 138 voting against to 69 in favor.

By an almost unanimous vote the Grand Lodge put its seal of disapproval on the proposition of merging the Patriarchs Militant branch with the Encampment. The special committee who had been working on this proposition for the past year reported favorable on the merger and wished to be continued for another year. The body not only defeated their resolution but refused to grant their request for continuance, believing that all agitation in this line should be indefinitely postponed.

The Constitution of the Order relating to appeals was unanimously amended by the adoption of the following provision: "With the consent of a Grand Lodge or Grand Encampment, an appeal may be had by any Subordinate Lodge or Encampment to the Sovereign Grand Lodge, such consent, however, not being necessary."

The resolution introduced that hereafter Rebekah Veteran Jewels be constructed so that numerals above fifteen years on the face can be changed every five years was adopted.

A resolution was adopted providing for a committee of three to revise and rewrite the funeral ceremony. The committee will report next year.

A new official certificate and receipt for dues was adopted. It does not require the signatures of the Noble Grand and Chief Patriarch, only the signature of the secretary. It has a cipher key on the back and dates to be punched out when the certificate terminates, and is much improved otherwise.

We will now have a veteran button, to be made the same as the veteran jewel, but smaller.

An amendment was introduced and will come up for action next year, reducing the age limit to twenty years of age.

The ceremony of dedicating Odd Fellows' Temples will not be changed. The special committee reported that the present ceremony is good enough.

The committee on codifying the laws was granted more time.

Brothers twenty-five years in membership, who are members of defunct Lodges, may now be transferred to any other Lodge in their jurisdiction, if the Grand Lodges see fit to legislate so.

Rebekah Veteran Jewels may be worn now in lieu of regalia. This now makes all Veteran Jewels legal to be worn in Lodges and all other places in place of regalia.

Rebekahs can now have Veteran Jewels one-third the present size.

The Past Presidents' jewels will not be reduced in size.

If there is demand for fifty-year Rebekah jewel, it will be ordered made.

Hereafter all Past Presidents, Past Grand Masters, Past Grand Patriarchs and Past Grand Representatives' jewels must be purchased from the Sovereign Grand Lodge.

ABSTRACT FROM THE REPORT OF THE GRAND SECRETARY.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

OFFICERS AND REPRESENTATIVES—Herewith is submitted to you in eighty-seventh annual session the report of this office, showing the work accomplished during the past year and the condition of all branches of the Order at the end of 1910 (except for the Patriarchs Militant, which will be found in the separate report as Adjutant General).

The results shown will be gratifying, as much progress has been made and prosperity prevails in all branches. The year 1910 will be memorable in our history as marking an epoch in the reaching and passing of the two million membership mark, the total membership at the close of the year, including only Subordinate Lodge members and sisters of the Rebekah branch, being 2,023,731, of which the Subordinate Lodge membership is 1,583,169 and sisters of the Rebekah branch 440,562. The net gain in Subordinate Lodge membership is 49,083, compared with 41,608 in 1909, while the net gain in Rebekah membership is, sisters 22,227, compared with 22,407 the previous year, and brothers 10,695, compared with 7,247 for 1909.

Another important result accomplished is the marked improvement in the work and progress of the Encampment branch, the total membership in which is now 221,497, and a net gain having been made in 1910 of 3,964, compared with 1,308 the year before. This splendid result in encampment work arises out of the success achieved in many jurisdictions which more than made up for losses in others. Notwithstanding the improvement over the preceding year and the handsome

net gain made in this branch, it is a regrettable fact that conditions have been such that 18 out of the 55 Grand Encampments, or about one-third of the jurisdictions, sustained losses during the year.

The total net membership gains in all branches during the year aggregate 85,969, compared with 72,600 for 1909, and to the gain reported should be added from the Patriarchs Militant 917, making the aggregate of gains for the past year 86,886.

The total expenditure for relief in 1910 was \$5,711,049.41, compared with \$5,356,925.89 for 1909. The receipts of subordinates for 1910 amounted to \$17,804,771.58, compared with \$16,827,728.66 in 1909. The invested funds of Grand and Subordinate bodies at the close of 1910 amounted to \$57,743,272.60, compared with \$53,156,910.14 at end of 1909. The total reported relief expenditure of the Order since 1830 has been \$136,698,390.08.

In closing this report we wish to repeat what we stated in the beginning, that this session was one of the greatest ever held. It was enjoyable as well as profitable, for, in addition to the complimentary excursion to the Home at Greensburg, the Sovereign Grand Lodge members and visitors were royally entertained in various ways, including a magnificent banquet, at which more than 700 guests were seated and at which many good speakers addressed the guests on various subjects for the good of and concerning the advancement of the Order.

The Grand Secretaries' Association held several meetings during the session, and our own Brother John P. Paul, who is a National figure at every Sovereign Grand Lodge, was always on hand to do his share for and in behalf of our own Grand Jurisdiction of Arkansas.

We thank you, brethren, for the honor bestowed on us and the privilege given us to represent you at the splendid session just held, and we assure you that, whether in high office or in the rank and file, we shall always exert our best efforts in the interest of our beloved Order.

Fraternally yours,

GEORGE T. HUMPHRIES,

LOUIS JOSEPHS,

Grand Representatives.

FIRST DAY—AFTERNOON SESSION.

Past Grand Master Oglesby, in a few well chosen words, presented Grand Master Stuckey with a handsome walnut gavel and block made by Brother Buck Wells of Lauratown Lodge No. 578.

The Grand Master accepted the gift with appropriate thanks and expression of appreciation.

Grand Master Stuckey proceeded to read his annual report, which was practical, forceful, thoughtful and beneficial to all.

During the reading of this report, Brother J. B. Baker made a motion that the Grand Master's report be referred to the proper committees. Brother A. D. DuLaney moved as a substitute that the reading of the report be continued. The substitute motion prevailed.

The following resolution was presented by Brother J. R. Donnell, and under the rules, goes over to the next session of the Grand Lodge for action.

RESOLUTION NO. 1.

To the Grand Lodge I. O. O. F., of Arkansas:

To the Grand Lodge:

Melville No. 206.

Figure Five No. 397.

Hutson Spring No. 354.

Dodd No. 556.

Marked Tree No. 197.

Reveille No. 69.

Troy No. 107.

Pine City No 156.

Hon No. 359.

Hickory Grove No. 577.

Lone Five No 43.

New Era No. 36.

Garfield No 29.

Knobel No 108.

And that the amendments to by-laws of the following Lodges be approved, towit:

Mt. Judea No. 507.	Marianna No. 330.
Marked Tree No. 197.	Benton No. 33.
Buckhorn No. 214.	Robinson No. 3.
Naylor No. 103.	Russell No. 256.
Lead Hill No. 383.	Harrison No. 208.
Moffit No. 77.	Haskell No. 577.
Lauratown No. 578.	Holmes No. 549.
Rector No. 86.	Brawley No. 466.

And that the amendment submitted by Farview No. 544 be approved, provided said Lodge raises its annual dues to \$6.00, or reduces its weekly benefits to \$3.00.

Article 8, section 1, of the Subordinate Constitution, provides that weekly benefits shall not be less than \$2.00; and that same shall not exceed one-half the amount of annual dues. The following Lodges have violated this provision in the by-laws submitted by them, towit:

Carthage No. 541.	Aly No. 543.
Carmel No. 500.	Lonoke No. 240.
Greenwood No. 20.	O'Kean No. 463.
Gilkey No. 353.	College Hill No. 603.
Hot Spring Valley No. 67.	Hazen No. 142.

And your Committee recommends that these by-laws be approved with the amendments noted thereon by your Committee, which in each instance raises the amount of annual dues to double the amount of weekly benefits, or fixes the weekly benefits either at \$2.00, or at one-half the amount of the annual dues.

The question submitted by El Dorado Lodge No. 133, as to how much weekly benefits may be paid per week, is answered by citing section 1, article 8, of the Subordinate Lodge Constitution, which provides that weekly benefits may not exceed one-half the amount of the annual dues, but must not be less than \$2.00 per week.

Upon the proposed amendment to section 1, article 19, Subordinate Lodge Constitution, authorizing the Deputy Grand Master to approve by-laws or amendments thereto, in recess of Grand Lodge, to be binding until action of Grand Lodge thereon at its next session, your Committee recommends its adoption. They also recommend the adoption of the resolution repealing section 2, article 19, of same Constitution, which requires Subordinate Lodges to submit copies of their by-laws to the Grand Lodge each two years.

Upon the proposed amendment to article 3, section 9, Grand Lodge Constitution, which proposes to add to the powers of the Deputy Grand Master the right and duty to pass upon all by-laws or amendments thereto during the recess of the Grand Lodge, your Committee finds that same must lie over for one year before it can be acted upon.

We recommend that the proposed amendment to section 2, article 9, of said Grand Lodge Constitution, be adopted.

All of which is respectfully submitted,

F. O. BUTT, *Chairman,*
BEN E. McFERRIN,
JOHN J. GULER,
W. M. CONNOLLY,
Committee.

The following resolution was presented and under the rule lies over until next meeting of the Grand Lodge:

REPORT OF COMMITTEE ON JUDICIARY.

Past Grand Master Josephs, chairman of the Committee on Judiciary, reported the following:

To the Grand Lodge, I. O. O. F., of Arkansas:

Your Committee on Judiciary, to whom was referred the decisions of the Grand Master, beg leave to make the following report:

The Grand Master having failed to number his decisions, we have numbered them consecutively in the order in which they appear in the Advance Report, so that proper reference may be made.

We have carefully examined the decisions, have examined the law in connection with them, and approve in their entirety the following: Decisions 1, 2, 3, 4, 5, 6, 7, 10, 11, 12, 13, 14, 15, 16, 18, 19, 20, 22, 23, 24, 25 and 26.

Decision No. 8, we approve the answer, which is "no," but strike from it the balance of the answer.

The answer to Decision No. 9 should be "no." His membership in the new Lodge being complete in all respects by the transfer, he should be permitted to sign the Constitution (section 9, article 1, Uniform Constitution 1910), but he should immediately be placed under charges.

Decision 17 we approve, except the words commencing in the third line after the word "reside" and ending in the fourth line.

Decision No. 21 we approve, except that part of it which commences in the fourth line after the word "and" and substitute therefor "the brother should be dropped from membership in the Lodge in which he had been improperly admitted, until he shall secure proper certificate from his former Lodge."

Fraternally submitted,

LOUIS JOSEPHS,
J. H. CRAWFORD,
J. N. RACHELS,
W. R. AVEN,

On vote, the motion was declared carried.

On motion, the Grand Lodge adjourned until 2 p. m.

TELEGRAM FROM P. G. M. STEVENSON.

The following telegram and letter from Past Grand Master Stevenson, the President of our W. and O. Home Board, was read:

Fort Smith, Ark., October 24, 1911.

Jno. P. Paul, Grand Secy., I. O. O. F.

Hotel Marion, Little Rock, Ark.:

Regret exceedingly my inability to attend this session of the Grand Lodge; extend my greetings to the Grand Officers, delegates and members. My heart's best wishes are with all of them. Congratulations to the Grand Master in the closing splendor of his brilliant executive career. God bless the new.

E. H. STEVENSON.

Fort Smith, Ark., October 24, 1911.

Dear Brother Stuckey:

At the last moment I find myself utterly unable to attend this session of the G. L., a fact I regret exceedingly. I am anxious about the new men to be appointed on the Home Board, that they be men broad and progressive enough to support and aid in carrying forward the perfect development of our domestic science and industrial departments. Have a talk at once with Bro. Pardee along this line and

if he is not in full possession of the board's plans and purposes, fully acquaint him with them, so that we may not lose these valuable features so recently inaugurated. I hope you may be one of the appointees. I know how and where you stand. I am sorry to be absent from the meeting tomorrow night. You may say to the board I am willing and ready to serve in any capacity in which I can be most useful to the Home. Congratulating you on your very successful administration now closing in such splendor, I am

Fraternally yours,

E. H. STEVENSON.

On motion, that the telegram and letter be made part of the Proceedings, and that the Grand Lodge send telegram of regrets to Brother Stevenson, the motion was adopted and the Grand Master appointed Past Grand Master Louis Josephs to send the telegram.

REPORT OF COMMITTEE ON MILEAGE AND PER DIEM.

Past Grand Master C. V. Beloate, chairman of Committee on Mileage and Per Diem, submitted the following report, which, on motion, was adopted: (For this report see pages preceding appendix.)

J. B. Baker called the attention of the Grand Lodge to the fact that the expenses of the Home Board meeting held in Fort Smith last spring had been paid by warrants drawn on the Grand Lodge Treasurer, when it should have been paid by warrants on the Home Board Treasurer, and made a motion that the Home Board be instructed to draw a warrant reimbursing the Grand Lodge Treasurer.

C. V. Beloate moved that the motion be tabled.

Vote being taken, the motion to table was declared lost.

The question being upon the original motion, it was declared carried.

COMMITTEE ON SUPERVISORY DISTRICTS.

The Grand Master appointed the following committee to rearrange supervisory districts: J. M. Rachell, W. A. Yates and F. O. Butt.

The following letter from Sister Reeves was read and ordered printed in the Proceedings:

COMMUNICATION FROM MRS. REEVES.

Little Rock, October 24, 1911.

To the Grand Master, Officers and Representatives of the G. L.:

Dear Brothers: I am too deeply impressed to pass it by without a word of thanks that are due the noble hearted brothers who so kindly and sympathetically responded to the call from our noble hearted G. Master Brother (God bless him), for aid to care for my poor suffering husband, who lived years a member of the Encampment and subordinate, true and loyal to the last breath, always giving the Odd Fellows the preference over his other orders.

My brothers, when the appeal comes to you for aid, you never know who and what are the needs. God knows, and He alone will even direct the falling of the sparrow.

Through four long years of sickness, our once plentiful home was brought to penury, and had it not been for the Odd Fellows, I could not have provided the things so necessary to the comfort and care of an invalid, for I had to give up my work to care for him, and when the long, weary nights of watching came, I could always know our brothers would be there with us, and when the long vigils were o'er, and life had ceased, it was the Odd Fellows who closed his eyes and performed lovingly and tenderly the last sad rites. God bless them. The total amount received from the Order was \$194.00. A part I had to use in caring for my husband and the balance I paid on the mortgage on my little home, leaving a balance on the mortgage of \$119.00, if I had settled I could live. Our representative, Bro. Blythe, is with you; he will verify my statement and he knows how hard I am struggling for support.

I am 63 years old and alone. I am now in the hands of this noble body and am trusting all to them. Again and again I thank you all, and may angels hover o'er this meeting and bless each individual, is the constant prayer of your sorrowing sister, but ever grateful.

L. A. REAVES.

Please let all who wish to correspond with me. I am Secretary of Queen Esther Lodge No. 64, Denning, Ark.

Past Grand Master Josephs read his telegram to Bro. E. H. Stevenson, which he had sent in accordance with instructions from the Grand Lodge. It was ordered that the telegram be spread upon the minutes:

October 25, 1911.

To Dr. E. H. Stevenson,

Past Grand Master, Fort Smith, Ark.:

Your Western Union and letter to the Grand Master received by Grand Lodge; ordered spread on the Journal, and am instructed to express to you for the Grand Lodge our deepest regrets for your inability to attend. We miss you and your able counsel in this Grand Body. May God bless you and yours and may He be with you till we meet again.

LOUIS JOSEPHS,

Past Grand Master.

Bro. J. B. Baker introduced Resolution No. 10, which under the rules was ordered to lie over until the next regular session of this Grand Lodge.

We find that the printers, in making up the figures in the Grand Secretary's report, made a typographical error in the item of "charters and miscellaneous items," printing same \$20,046.25, when it should have been \$2,046.25. This we deem proper to call attention to as the same might be misleading.

Since the printed reports have been made up, our attention has been called to the fact that Bro. O'Neal, Grand Treasurer, has received from Bro. Paul, the Grand Secretary, the sum of \$166.27 for revenue arising after the printed report was made up, making now cash in the hands of the Grand Treasurer of \$6,597.41.

Your Committee, now having completed its labors and, believing that the Committee on State of the Order will take care of all recom-

mendations for the good of the Order, now submit their report without further recommendation and ask that the same be approved.

Respectfully submitted,

J. H. HARTJE,
ARTHUR SULLIVAN,
MILTON STUCKEY,
S. D. CAMPBELL,
L. G. CARNEY,

The question being upon the adoption of the report, it was moved by Bro. J. B. Baker that the portion of the report referring to the Temple Fund be stricken out and the committee instructed to prepare and present to this Grand Lodge a complete and itemized report of the fund for Grand Lodge Temple.

Bro. A. D. DuLaney offered a substitute motion that the committee prepare a tabulated statement for the printed proceedings.

The substitute was accepted as a part of the original motion, and vote being taken, the motion was declared carried.

Bro. Ben Griffin, chairman of the Committee on State of the Order, submitted the following report:

REPORT OF COMMITTEE ON STATE OF THE ORDER.

To the Grand Lodge, I. O. O. F., of Arkansas:

We, your Committee on the State of the Order, beg leave to submit the following report:

We find from an examination of the report of your Grand Officers that the year just ending has marked another successful and prosperous epoch for the Grand Jurisdiction of our Order in Arkansas. We find from an examination of the Grand Secretary's report that there has been received by initiation into the Order for the year a total membership of 4,097 members, and admitted by card, 1,000 members. Reinstated, 629, making a grand total of the entire membership as reported by your Secretary of 37,354 members of the Order. There has been, according to the report for the same period, the following reductions of our membership: Withdrawn by card, 1,204; suspended for nonpayment of dues, 3,567; expelled, 77; deceased, 322, making a total leaving of 32,184. Your Committee wishes to point out in

connection with this statement that there are some very alarming facts connected with this statement, and in connection therewith we make the following recommendation:

It will be noted from an examination of the figures of the Grand Secretary's report that while our membership totals 37,354, which is an excellent showing for our Grand Jurisdiction, but that the actual gain in membership for the year just ending is only 616 members; there being 3,567 members having been suspended for nonpayment of dues. By an examination of the former report to the Grand Lodge for 1910, we find practically the same state of affairs existing, and we therefore submit for your consideration what we believe to be a remedy for this extreme large falling off in our membership.

It is the opinion of your Committee that we need a Grand Instructor, whose duty it shall be to lecture and instruct the Lodges continuously in both the unwritten and team work, thereby creating an active interest in the Lodges, which we believe will protect and stimulate the Lodges to an extent that will be highly beneficial to the Subordinate Lodges and that the revenues derived by this method will three-fold compensate for the expenses of said Grand Instructor.

1. We would, therefore, recommend to your Grand Body that a Grand Instructor be elected by the five elective Grand Officers of the Grand Lodge and that they be directed by your Grand Body to select for this position a brother who is an expert and master of the secret work in every detail, and that he be required to work under the direction and supervision of the Grand Officers for a period of twelve months, and that he shall receive for his services as such Grand Instructor, the sum of one thousand five hundred dollars in salary per annum, and that the Subordinate Lodges to which he shall visit and give instruction be required to pay his railroad expenses for the visit and other expenses necessary, while in their service.

We make these recommendations, believing that something ought to be done to hold the membership in active obedience, and, after reviewing the experience as outlined in the report of othr Grand Jurisdictions, we have submitted this suggestion to your Grand Body for your consideration, believing that it is the solution of the problem, or one of the problems connected with the lethargy of the Subordinate Lodges. (Referred to be printed in Record.)

2. After an examination of the Grand Treasurer's report and the Secretary and Treasurer of the Widows' and Orphans' Home, we recommend that the per capita tax for the Widows' and Orphans' Home for the next ensuing year be placed at sixty cents, a reduction from last year of twenty cents. (Adopted.)

3. We recommend that the per capita tax for Grand Lodge purposes for the next ensuing year be the same as last year, fifty cents;

and that whatever amount of the fund known as the "Temple Fund" yet remaining in the hands of the Grand Treasurer or bank to the credit of that fund, be transferred to the Grand Lodge, to be used as current expenses of the Grand Lodge. (Adopted.)

4. We recommend that the contingent fund for expenses of the Grand Master's Office and Grand Secretary's Office remain as fixed by the last Grand Lodge. (Adopted.)

5. In conclusion, your Committee wishes to point out the fact that the year just ending has been one of encouragement so far as our financial affairs are concerned on the part of our Grand Officers. We find that they have both been economical and judicious in the handling of the affairs of the Grand Lodge, and commend them to you for their efficient work, which is a great pleasure to your Committee to point out the fact that our grand Order has made splendid progress under their management. (Adopted.)

There has been referred to your Committee for consideration a resolution by Minturn Lodge No 257, of Minturn, Arkansas, asking the Grand Lodge for funds for the purpose of building a large hall. After thoroughly investigating same from written and oral evidence, we recommend that the request be denied. (Adopted.)

6. Resolution No. 5, which reads as follows: "Whereas, Our Past Grand Masters have given faithful and efficient service to the Grand Lodge of the Grand Jurisdiction of Arkansas, and

Whereas, our Brothers who have been elected to this exalted position in our Order have honored the Grand Lodge by the influence of their splendid lives and noble traits of character, therefore, be it resolved, that on the death of any of our Past Grand Masters that our Grand Secretary be instructed to send a written notice to all elective Grand Officers, including the Grand Chaplain, notifying them of the death of the Grand Master and requesting that they attend the funeral services where it is convenient and possible for them to so do, and that the expenses, mileage, etc., be paid out of the treasury of the Grand Lodge.

We recommend that it do pass.

(Adopted.)

7. Resolution No. 6, that the Grand Lodge adopt a Past Official badge; and that none but the badge so adopted shall be official badge of this jurisdiction, and that it be purchased through the Grand Secretary's office. (Adopted.)

8. Resolved, further, that a committee of three Past Grand Masters be appointed by the Grand Master to adopt a design and when so adopted by said committee to be in effect from date of said

adoption and report to the Grand Master. We recommend this resolution favorably. (Adopted.)

Two other resolutions, numbered 7 and 8, has been offered by and referred to your Committee, recommending changes in the present plan of the Grand District Deputies. Your Committee is of the opinion that such changes are not prudent at this time, hence took no action with regard to recommendation on same, believing it best to leave it as it is at present. (Adopted.)

Commending these recommendations in sincerity, after our investigation into the matters touched by same in our suggestions above, we beg to thank you for the kindness shown your Committee and submit same for your consideration in the bond of fraternity and in the name of the Independent Order of Odd Fellows of the Grand Jurisdiction of Arkansas.

THE SHIREY ESTATE.

Your Committee, after full investigation, insomuch as it has been our privilege to do, would recommend to your Grand Body the election by this Grand Body or the five elective Grand Officers of three permanent trustees—men who possess good executive and business ability, and men who understand the handling of farming property, to take charge of and conduct the affairs of this estate for and in the interest of the Grand Lodge, and be responsible to the Grand Lodge for their actions in conducting the business of same, under the regulations adopted by the Grand Lodge for the management of said property.

These recommendations we make for the purpose of having same adopted by our next Grand Lodge meeting, and if necessary that the Constitution be so amended as to empower these trustees, by and under the authority of the said Grand Lodge, to handle said property. And we further recommend the election by this Grand Lodge of three men as temporary trustees for the next ensuing year, who shall have charge of and manage this property under the direction and instructions of the Grand Master and the four other elective Grand Officers, and that these trustees so elected shall make a full and complete report at the next meeting of the Grand Lodge, and that said report will be filed with the reports of the other Grand Officers. (Referred.)

8. We, your Committee, recommend to the incoming Grand Master and to the Grand Lodge, that the practice of granting special dispensations for the reception of new members for less than the constitutional fee prescribed therefor, appears to us to be in conflict with the laws of the Sovereign Grand Lodge and from the best information that your committee has at its hands, we are of the opinion that such is not conducive to the healthy growth of our Order and would there-

fore recommend that in the future all special dispensations for the reception of members at a less fee than is prescribed be judiciously guarded by our Grand Master, and that he not grant same except in such cases as seem thoroughly justifiable under the circumstances, to be cases of extreme urgency therefor. (Adopted.)

Respectfully submitted,

E. E. MORRELL, *Chairman,*

BEN L. GRIFFIN, *Secretary,*

On vote, the amendment was declared lost. The question recurring on original motion of Bro. Baker, it was declared carried.

REPORT OF COMMITTEE ON NECROLOGY.

Bro. J. W. Oglesby, of the Committee on Necrology, offered the following report, which, on motion, was adopted:

A. C. JONES, D. G. M., P. G. P., P. G. R.

Grand Officers, Representatives and Members I. O. O. F. of Arkansas:

Another of the bright and shining lights in the temple of Arkansas Odd Fellowship has been extinguished, and we sincerely mourn our loss. Bro. A. C. Jones, Past Grand Master, Past Grand Patriarch and Past Grand Representative, died at his home in Hot Springs, Arkansas, on March 28, 1911, after a long and painful illness, with that dreaded octopus of the human family, carcinoma.

Bro. Jones was born in Boston, Mass., March 14, 1850, and at the tender age of five years was left fatherless, and when only nine years old, left home to make his way alone in the world and place his imprint on the sands of time. How well he succeeded is now a matter of history of which all who knew him are justly proud.

From this time until his maturity he followed various callings, working his way through school, and at the age of twenty-one entered the dry goods business at Atlantic, Iowa, at which place, on December 12, 1878, he was united in marriage to Miss Ida M. McWaid, who with a son and daughter, survive him. In 1884 he moved from Atlantic, Iowa, to Hot Springs, Arkansas, and in 1887, entered the ice business, and in 1905 organized the Pasteurized Milk Company, in both of which he was actively engaged until within a short time before his death.

Bro. Jones has been signally honored in public as well as fraternal circles, nationally as well as locally, in political matters and in our beloved Order has had all the honors conferred upon him within the gift of his chosen Grand Jurisdiction, Arkansas. He joined the Order shortly after his maturity in Atlantic, Iowa, and when he came to Arkansas moved his membership to Hot Springs Valley Lodge No. 67, of which Lodge he continued a member until the time of his death. In his gentle, genial and amiable nature, the peaceful principles of Odd Fellowship found congenial soil, and took deep root and brought forth fruit to the advantage of his brethren and all mankind. After passing through the chairs of his Subordinate Lodge he became a member

of the Grand Lodge of Arkansas, where, until the time of his death, he was a conspicuous figure, participating actively in its labors and becoming one of its most popular and respected members. His manly and ever courteous manner endeared him to all with whom he had intercourse and won for him the respect and admiration of all with whom he came in contact.

He was elevated to the office of Grand Warden in the Grand Lodge of Arkansas in October, 1898, and by gradual promotion became Grand Master in 1900, and was Grand Representative to the Sovereign Grand Lodge in 1901 and 1902, and was also Grand Representative from the Grand Encampment of Arkansas at the time of his death.

He was the first President of the W. and O. Home Board and was a member of the Board continuously as long as he lived and to his financial ability and standing, his charity and enthusiasm, largely should be credited the success to which our Home has attained. He came to the rescue of the Board frequently with endorsements in the banks and private loans from his own purse, bridging them over financial stress until the per capita tax came in.

Such in brief, is the outline of the achievements of a useful and influential citizen, who acted well his part in life, and when the time came for his departure, he arranged his affairs with as much care as he had conducted his business during his active life and then approached the end

"Like one who wraps the drapery of his couch about him
And lies down to pleasant dreams."

The curfew tolls the knell of parting day. The children drop their playthings and cease their sport and obey the warning.

The day is done. One knock upon the door or one pull of the bell, but the question is not asked, "Who comes here." It is known to be the unbidden but certain guest; 'tis Death. The sun in its mellow light passes below the horizon, and the night cometh when no man shall work. He has finished his course, served his day and generation and left his imprint upon the Jurisdiction which he honored by his service.

"And though to dust the dust returns,
The builder's inward spirit
Of love to God and fellow man
As brothers we inherit.

Then be this alone his epitaph
Whose life has closed its span:
Beneath this stone a brother lies,
Who loved his fellow man."

J. W. OGLESBY.
Committee.

Past Grand Master Louis Josephs of the Committee on Necrology, offered the following report, which, on motion, was adopted:

ADAM CLARK, P. G. M., P. G. R.

Once again the Grim Reaper has visited our ranks and has taken from amongst us one of our most beloved brothers, a brother who at the time of his death was our senior Past Grand Master, and in point of continuous membership in the Order, the oldest Odd Fellow in the State, and was affectionately called "Grandpa Clark" by the members of the Grand Lodge.

Brother Clark was 77 years old and a native of South Carolina. He came to Arkansas with his parents in 1845, settling in Hempstead County, and in 1853 moved to Camden, where he entered the office of the Ouachita Herald as an apprentice. By strict attention to his chosen avocation, and by exhibiting those qualifications of manhood which was one of his strong assets through his entire life, he became the owner of the Ouachita Herald by purchase, and conducted the paper until the outbreak of the Civil War, when he joined the Memphis Appeal Battery under command of Captain Scott of Arkadelphia, and served during the entire period of the struggle. He was twice wounded, once at Hatchie Bridge, where two fingers of his right hand were cut off by a minnie ball, and again at the siege of Vicksburg. He went to Arkadelphia in 1868 and, with Col. J. W. Goulding, founded the Southern Standard, at the head of which he remained until his death. He was the oldest editor in point of service in the State, and was twice President of the Arkansas Press Association.

He was a devoted member of the Methodist Church, a loving and affectionate husband and father and leaves a devoted wife and two sons to mourn his death.

Past Grand Master Adam Clark joined the Order about 1857 or 1858, at Camden, and at the Grand Lodge session of 1908, by a resolution unanimously adopted, the Grand Secretary was instructed to purchase a 50-year veteran jewel and present it to Bro. Clark on behalf of the Grand Lodge in token of brotherly love and in appreciation of his continuous membership for more than 50 years. Bro. Clark was elected Grand Master in 1881, and continued his attendance at the Grand Lodge from year to year as his age and health would permit, and when in attendance took active part in the proceedings, always serving on important special committees. By the death of

Bro. Clark we have lost a valuable counselor, whose age and experience gave wisdom to his thoughts. His

Life's work well done,
Life's crown well won.
Now comes rest."

Bro. L. D. Hickey of the Committee on Necrology, offered the following report, which was adopted:

J. S. PARKER, D. G. P., P. G. R.

One by one the old guard of our Order are rapidly falling from our ranks and some of them are the ones who have so greatly contributed to the growth of our Order in this Jurisdiction, and we deem it right and just that we who still remain should give due honor to their memory and the respect that is justly due them.

Brother J. S. Parker, P. G. P. and P. G. R., was born in St. Louis, in 1840. He was a member of ex-President General Harrison's brigade during the Civil War, and concluded his service in said war in the great march to the sea under Gen. Sherman.

He joined the I. O. O. F. in Illinois, in 1884, came to Arkansas in 1886, joined Paragould Lodge No. 13 by card May 13, 1892.

For a number of years Brother Parker was a special D. D. G. M. in this State, during which time he organized and revised many Lodges, doing a great work for the Order. He was a Past Grand Patriarch and represented this Jurisdiction in the Sovereign Lodge at Denver in 1908.

Brother Parker fell asleep on the night of May 12, 1911, for his final slumber, and his remains were laid to rest in the cemetery at Paragould on the 14th of same month.

His funeral was attended by Grand Master Stuckey, Past Grand Master Hickey, Grand Guardian Crenshaw, and Vice-President Sister Seitz, and the I. O. O. F. of Paragould and visiting Lodges, besides a large concourse of friends, showing the respect in which he was held by the community in which he resided.

Farewell, Brother Parker, we hope to meet you in that world beyond.

SPECIAL REPORT ON BAKER RESOLUTION.

The Committee on Laws, to whom was referred the resolution of Bro. J. B. Baker, limiting standing committees to three members each, reported as follows:

To the Grand Lodge:

Upon the resolution by Bro. Baker, proposing an amendment limiting the membership of the standing committees of the Grand Lodge to three members, your Committee reports that such an amendment would not conflict with any existing law of the Order, and may be acted upon at the present session if so desired by this body, and same is returned without recommendation.

F. O. BUTT, *Chairman.*

On motion the report was declared adopted.

Motion was made that the Grand Lodge proceed to installation of officers. Vote being taken, the motion was declared lost.

Bro. J. B. Baker called up the resolution to amend the Grand Lodge and Uniform Constitution as presented at last session (See Grand Secretary's Report.)

Bro. O. W. Scarborough raised the point of order that none of said resolutions complied with either section 1 of article 19 of the Grand Lodge Constitution or article 22 of the

Uniform Constitution, whereupon Grand Master Stuckey declared Bro. Scarborough's point of order well taken. The resolutions were all declared out of order by the Grand Master.

The question being upon the adoption of the recommendation, it was declared adopted.

Bro. Baker then moved that the resolution be adopted, limiting all standing committees to three members.

Bro. A. D. DuLaney offered an amendment that the resolution, if adopted, shall not affect the present appointments of the Grand Master.

Bro. H. E. Ruff raised the point of order that the resolution, if adopted, could not effect the present appointments, as same had been made before the motion to adopt said resolution.

Grand Master Pardee called upon the Deputy Grand Master to rule upon the point of order, as the question affected his appointments.

Deputy Grand Master Reed ruled that the point of order was well taken, and declared both the motion of Bro. Baker and amendment by Bro. DuLaney out of order.

Bro. Baker appealed to the Grand Lodge from the ruling of the Deputy Grand Master.

The question being, shall the decision of the chair stand as the decision of the Grand Lodge, on vote, the decision of the Deputy Grand Master was sustained.

Bro. A. D. DuLaney made motion that the resolution referred to be adopted, same to be effective as to appointments at the next session of this Grand Body.

On motion of Bro. M. M. Stuckey, the report of the Committee on Appeals and Grievances in the case of Vincent vs. Minturn Lodge was not concurred in, and by vote of the Grand Lodge, the matter was referred to the incoming Grand Master.

Bro. J. B. Baker, in behalf of the Grand Lodge, presented a Past Grand Master's Jewel to retiring Grand Master Stuckey.

PRESENTATION OF P. G. M. JEWEL.

Bro. Stuckey: It is with pleasure that I present to you in behalf of this Grand Lodge, this Jewel, which will indicate your exalted rank and station in our order.

We would not have you look upon it for its intrinsic value, as a reward of merit, for that would come far short of a worthy recognition of your services as Grand Master, but weighted as it is with its burden of love and affection, it becomes at once of incalculable value and a priceless treasure.

Let it be to you as an ever present reminder of the joys you have given and received; of the personal friendships you have won; of the spirit you have shown and the labor you have done in our cause and in the cause of humanity.

May it always be to you an evidence of personal affection worthily bestowed; an inspiration to continue in the work of benevolence and charity in which you have been for so many years engaged; of the honor you have attained for the faithful, efficient labor you have done.

From the moment you assumed the obligation of Grand Master, your brothers never doubted your ability to perform the work, nor your zeal to perform the work well, but they did not expect, that in the end you would present such a splendid administration as is spread over the records of this Grand Lodge. You have been at the call of your brothers at all times and in every direction.

There is no recompense for labors even as great as yours, except it be the recompense that comes from a consciousness

M. M. STUCKEY
GRAND REPRESENTATIVE

of duty well performed. It is indeed an honor to be at the head of a great army of Brothers and Sisters engaged in such a noble cause as Odd Fellowship, but it is a greater honor to have so filled the office as to be entitled to receive the plaudits of the rank and file of your Brothers.

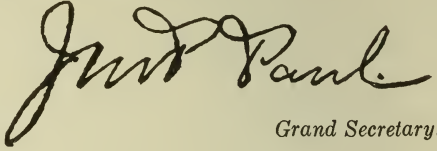

With pleasure do I present to you this Jewel of a Past Grand Master, and trust that you will ever wear it in the fond recollection of its associations, and be a pride in your future years, as they shall come and go; that you will wear it as an outward and visible sign of the Links that will ever bind us together in Friendship, Love and Truth.

RESPONSE.

Judge Stuckey, in a very pleasing and affecting speech, expressed the pleasure it gave him to receive this emblem. He spoke of the many tokens of loving kindness that had been bestowed upon him since he entered upon his administration, and of the warm good will and co-operation of his fellow Grand Lodge officers. That while the duties of the office during the year just passed had been numerous and onerous, it had been a work of love and delight to him, and lightened by the good will and friendship and the faithful "fellowship of man" found on every hand. That it was especially pleasing to him that the Grand Lodge had selected for the presenting of the Jewel a Brother who was a dear personal friend; one with whom he had stood shoulder to shoulder for long years in the work of the Order, and whom he held in highest esteem and affection. Tears were in many eyes when Judge Stuckey closed his speech of thanks, and the Grand Lodge was made to feel the deep and heartfelt appreciation of the speaker.

No further business appearing, the Sixty-second Annual Session of the Grand Lodge of the Independent Order of Odd Fellows of the Grand Jurisdiction of Arkansas concluded. The closing ode was sung. The Grand Chaplain addressed the Throne of Grace, invoking the divine blessing.

The Deputy Grand Master, by direction of Grand Master Pardee, declared the Grand Lódge of the Independent Order of Odd Fellows of Arkansas adjourned sine die.

SUPERVISORY DISTRICTS OF THE I. O. O. F. OF ARKANSAS

Little Rock, Ark. Nov. 15, 1911.

Brothers:

In accordance with Article 12, Grand Lodge Constitution of 1909, I have divided the Jurisdiction into 100 Supervisory Districts as shown herein, arranging same as best I could with the data at hand. Some changes will no doubt be found necessary, which will be given proper consideration by a Special Committee when our next Grand Lodge Session is held, they to recommend such changes as may be for the best interest of the Order. I ask that all District Deputy Grand Masters use their best efforts to promote the interests of Odd Fellowship in their respective Districts, and thus show a handsome increase in this Jurisdiction during the coming year.

Fraternally,

G. W. PARDEE,
Grand Master.

Report of Superintendent of Widow's and Orphans' Home

BROTHERS AND SISTERS—I take pleasure in submitting to you a brief report. I trust it may be of interest to the membership throughout the State, as comparatively few have been able to visit the Home during the year. This report will cover the year from October 1, 1910, to September 30, 1911. During the year we have had in the Home 69 boys, 84 girls and 9 widows; total, 162. Left the Home, 26 boys, 24 girls and 5 widows; total, 55.

At this time we have 4 teachers, 2 matrons, 1 domestic, 1 cook, 2 laundry women, 1 farm hand, 1 general utility man, who is also musical director. I want to mention, with thanks, Judge Holmes, who has kindly volunteered to give vocal instructions once a week for the last six months, and attends Sunday School, leading that part of the exercise. Those only that have been present can form an idea of the good results of this work. Our Sunday School has become one of the very interesting features which has been added during the year. The children attend Sunday School and church in the morning, making their own choice of where they attend. Our "Home" Sunday School is held in the afternoon. The larger children may, at their own option, go to church in the evening. We believe we enjoy a real Sunday and I am sure it is a day of rest. We are pleased to say that the health of the children has been remarkable. We have not had what you could call a real sick person in the Home this year. We found, upon taking charge of the Home, that stomach trouble was very prevalent. Having located the cause, the trouble has entirely disappeared. We can hardly hope for such phenomenal health to continue indefinitely. In our estimation it would be hard to find a brighter, healthier bunch of children. If you doubt it come and see; I can "cite you;" I am from Missouri. We have made such changes in the barn and other buildings as was absolutely necessary for the present. These we cannot go into in detail. The water lines have been extended and made much more efficient. At this time there is about 50 hogs, 11 cows, 7 head of young cattle, a span of mules and one carriage horse. The stock is all in fine condition. The hogs and young cattle will produce most of the meat for six months at least. We have lost but a very few days during vacation, and have not done one-fourth of the work that is in sight. We began as soon as school was out to dig out and clean the 50-foot well that had been filled up. The well has been turned into a cooling tank and we have had plenty of cool water all summer, without using ice for that purpose. This has proven a great ice-saver and at the same time is much better for the children. We

have dug and constructed a No. 1 cellar under the dining room. This has proven one of the sanitary improvements of untold value, and must be seen to be fully appreciated. We have put in a 500-gallon tank for hot water and run pipes to each of the three buildings. We are now in shape to furnish 25 barrels of hot water per day. We have at present over 1,800 square feet of No. 1 concrete sidewalk, and hope to have the balance completed before cold weather. We have not hired an hour's work done. The boys, assisted by the Superintendent and regular help, have done all of the above work. We have at least a half dozen boys who are able to construct a concrete walk without help. Our schools are in excellent condition and have started off in fine condition. The Misses Wainright have greatly lightened my load, having had years of experience. They are ladies of high standing, always courteous and kind; our association has been very pleasant. Having this fall added domestic science, manual training and art, we now have as complete a school as can be found in any section of the State. Our boys and girls are delighted with the new work and their interest will grow from day to day. We want boys and girls who can do something besides the menial labor of every-day drudgery.

The following is an exact statement of all moneys expended by me during the year. This includes all improvements except a very few bills made in October, not yet settled. The farm has done excellent for the season. We have used fertilizer to a good advantage, but it will take some time to get it in a proper state of cultivation.

This has been a dry, hot, *wet* summer, not favorable for work or crops, but our year's work is ready for inspection.

RECOMMENDATIONS.

We are badly in need of space in the dining room. It is not possible to do the children justice under the present conditions. A laundry building should be provided. The object of proper playgrounds should receive attention. An up-to-date barn and other buildings should be erected at the earliest possible moment. This work can all be done by the Superintendent of the Home and a few extra laborers. The question of providing adequate fire protection is still unsolved, and is, perhaps, the most important matter to be considered. Our cows are an absolute failure. There is not a No. 1 cow in the bunch. Our feed bill has been immense for the results. They have been in the hands of as good a farmer as could be procured and are in fine shape, but they are far from satisfactory. We should procure some of the best cows in the State just as soon as possible. Everything should be the best and up-to-date. Too many are forming their habits of life to let anything be done half way. I desire to thank the board, one and all, for their unmerited kindness. Brother Sims, secretary of the board, has been of great service to me in many ways. Dr. Case has been untiring in his capacity of physician.

Independence Lodge No. 4 has been of great service to me in many ways. Thanks are due them for the liberal donation of \$100.00 to help furnish our domestic science and manual training department.

Brother Schryver papered and decorated our domestic science room gratuitously.

Our association with every one connected with the Home has been very pleasant. I can only say, in conclusion, the future of this great institution is only to be limited by the experience, ability and energy of those in authority, backed by the membership of this great State.

Fraternally and truly yours,

S. F. CLARK, *Superintendent.*

Report of Matron of Widows' and Orphans' Home

I desire to make a very brief statement of the work done at the Home. Aside from the every-day duties, we have done very little compared with the many things that should be done, owing to the scarcity of funds. We have papered the three halls downstairs, the large one above in the central building and the two dining rooms; have also put linoleum on the front hall and dining room. We have made many minor improvements that are not practical to mention at this time. We have made during the year 216 dresses, using 964 yards of goods. We have also remodeled the summer and winter dresses and made 57 outing flannel skirts, using 276 yards of goods; 48 aprons for little girls; 509 undergarments; boys' shirts, 192; Buster Brown suits, 5; little boys' woolen pants, 4 pairs; 13 fine white waists. We have pieced and quilted three quilts. We have used 2,524 yards of goods in making the above garments.

I have personally looked after the butter and milk myself from March 1 to October 1. We made 758 pounds of butter, which is very little for the number of cows we have.

Most of the sewing has been done by the inmates of the Home, who have always been willing to help.

I regret to say that, being unacquainted with the work, I have not kept a complete list of donations sent the Home, so I will not mention any of them at this time, more than to say they have been of great benefit to the Home and little children. While our duties have been many and arduous we hope that it has not been in vain. It seems to us the opportunities are unlimited in such an institution. We wish that our strength would permit us to do even more than we have been able to do. We are thankful for the many kind words of commendation received from those who have visited the Home.

Very truly your sister,

ALLIE CLARK, *Matron.*

Annual Report of Secretary of Board of Trustees Widows' and Orphans' Home

To the Grand Master, Officers and Members, Grand Lodge, I. O. O. F. of Arkansas:

BRETHREN: I desire to submit herewith my report as Secretary of the Board of Trustees of the I. O. O. F. Widows' and Orphans' Home, and in so doing I desire to state that I have made a detailed statement of the financial transactions of the Board for the period from the 1st day of October, 1910, to the 30th day of September, 1911. In addition, since my last report I have paid accrued bills for July and August, 1910, which remained unpaid at the close of last year for want of funds. I submit herewith vouchers for all moneys paid out by me as Secretary. It is a source of gratification to the members of the Board that all outstanding bills against the Home have been paid and that the Home is now out of debt and has money to pay its bills.

I have also included herein a report of the children that are now in the Home and of those that have been admitted and released during the year, which I hope will furnish some information of value to you and the Lodges throughout the State.

PROPOSED BUILDINGS AND IMPROVEMENTS.

At the meeting of the Board, held in December, 1910, a resolution was passed looking toward the building of an auditorium, and school room, a larger dining room, a modern laundry, a modern and convenient barn, and providing for better fire protection at the Home, and further providing that a committee of the Board request the trustees of the A. W. Shirey estate to meet them for the purpose of negotiating a loan of \$15,000.00 to the Home for the purpose of constructing these improvements.

A call for the meeting of the committee and the trustees was made by Grand Master Stuckey, on behalf of the trustees, and by Brother E. H. Stevenson, President of the Board, on behalf of the committee. On the 18th day of January, 1911, pursuant to the call, the meeting was held in the city of Fort Smith, Ark. No definite arrangements were made, however, at this meeting and the matter rests.

MANUAL TRAINING AND DOMESTIC SCIENCE.

At the April meeting of the Board a proposition was submitted for the installation at the Home of manual training and domestic

science departments, but the proposition was not accepted by the Board. Later in May the Grand Master and President of the Board called together a part of the Executive Committee of the Board and a further proposition was made by the Superintendent of the Home that he would secure the necessary fixtures and maintain the departments for a year not to exceed in cost the sum of \$900.00, including teachers and equipment; and, further, that at any time the Board sees proper it can, under the agreement, discontinue the departments without further cost. The Grand Master and President of the Board authorized the Superintendent to install the departments, and, in pursuance thereto, a domestic science room has been arranged and the cottage on the Home grounds has been converted into a manual training building. The idea is a new one so far as our Home is concerned, but there seems to be no reason why these departments should not prove to be of great benefit.

HEALTH OF THE HOME.

No year has passed with so little sickness in the Home and there has not been a single death during the year. While Dr. Case, the Home physician, has been very vigilant in watching the health of the Home children, yet there has been very little occasion for his visits.

CHRISTMAS AND HOLIDAYS.

We desire to thank those who so liberally and cheerfully contributed to purchase and provide for the Christmas holidays, those things for the children that brought so much joy and gladness to their little hearts.

THE BAND.

The band is handicapped to some extent by reason of some of the best players having been released from the Home, requiring the training of new material, and by the further reason that their instruments are old and worn. The boys are very anxious to have a set of new instruments.

THE WHITE CHILDREN.

In March of this year the children of Mrs. Alice White, upon application to the Board of Paris Lodge No. 127, were admitted to the Home, and, after remaining several weeks, Mrs. White became anxious to have her children released. Paris Lodge refused to give consent, giving as reason therefor that Mrs. White and children were in destitute circumstances and could not support themselves. Mrs. White had executed the usual contract, giving the Board full control of her children. We did not see proper to release them without the consent of this Lodge and refused to do so. Mrs. White secured a writ of *habeas corpus* before the circuit judge of this district and asked

that she be given custody of the children, which was granted. There was nothing before the court except the contract and applications which Mrs. White had made, and it was suggested by some of the members of the Board that the contract which we had should be passed upon by the Supreme Court of the State, and, following that suggestion, we have asked the Supreme Court for a writ of certiorari, which has been granted, and the matter will soon be determined by that tribunal. We do this at this time because the cost of appeal will be very little and it will forever settle the matter of our contract, so that children cannot be arbitrarily taken from our custody the next week after receiving them, or else point out the defects therein. Suffice it to say that the appeal is not taken for the purpose of regaining custody of Mrs. White's children.

CONCLUSION.

While it is not in line with the duties of the secretary of the board, yet I do not think it out of place to mention some of the things in conclusion, which I have observed during the year in my official connection with the Home.

Since the beginning of the year I have had the pleasure of seeing a well organized Sunday School started at the Home, which meets every Sunday afternoon in the school room. The children look forward with a great deal of interest to the Sunday School hour.

I would not feel right to conclude my report without saying something of the man who has been untiring in his efforts to train the children in singing and class music and who has been as regular as the clock on Sunday afternoon and going to practice with the children one night in each week, for several months, and one only needs to hear them sing to be convinced that Mr. J. A. Holmes, the man of whom I speak, has given the children a training that "won't rub off," and if you will look over the pay roll of the Home you will not find Mr. Holmes' name there. We present our thanks.

Having reported for your consideration and information the things required of me as secretary of your board, I am,

Fraternally yours,

ALBERT SIMS, Secretary.

Report of Physician and Surgeon of Widows' and Orphans' Home

Batesville, Ark., October 9, 1911.

*To the Board of Trustees of the Widows' and Orphans' Home I. O.
O. F. of Arkansas:*

I would most respectfully submit my report as physician and surgeon to the Home for the past year.

The health of the inmates of the Home has been unusually good. There has been very few cases of serious sickness and *no deaths*.

During the year I have made only 95 professional visits and have written only 15 prescriptions extra. The prevailing diseases were pneumonia, bronchitis, mumps, whooping cough, chills and fever, abscesses and a few minor surgical cases due to accidents.

The sanitary condition of the Home is good.

Taking the whole year, there has been very little sickness, and less than any previous year.

All the inmates are well at the present time.

Thanking the board for favors and courtesies extended me, I am,

Most respectfully,

J. W. CASE, M. D.
